COMPLAINT FORM

1. NAME of Complaint: [REDACTED]
Address : P.O. BOX 711, City Menard,
State: Illinois, Zip 62259.

2. NAME of officers Complained of: KENNETH BOUDREAU. No.20435
WILLIAM FOLEY No. 20450
Address: Last known, 5101 S. Wentworth Ave. 2nd.Flr.
City: Chicago; State: Illinois Zip 60609,

CASE No. February 7, 1996 Cr-No on Boudreau and FOLEY from
O.P.S. : C189857; C193591; C203754; C208498; C211020; C194392;
C200855; C201798; C202238; C211020.

I am filing a complaint against the detectives
above assigned to Area 3 Violent crimes in February 1992.

The Complaint and interview detailed claims
of brutality at the hands of FOLEY and BOUDREA, such as being
choked continuesly by FOLEY and manipulated psychologically
by BOUDREAU to confess to the shooting death of [REDACTED]
that occured on May 17, 1991 Chicago Illinois at 927 W. 54th
Street.

On October 11, 1992 I testified at a Motion
to suppress hearing that I was 18 years old when I was arrested.
That upon my arrest I was stomped once on the back of my head
placed in handcuffs and taken to Area 3 where I was placed
in a interrogation room.

LOG # 1009053

Attachment # 6

I was interrogated by BOUDREAU, FOLEY, and detective EVANS. I Constantly denied involvement in the murder of [REDACTED] A.S.A DANIELIAN came in and began to question me at which time I informed him that I had nothing to say. DANIELIAN got upset left the room where I was handcuffed to a ring in the wall.

Det. FOLEY came into the room grabbed me by the collar, began choking me against the wall while threatening to throw me out of a window. I was scared for my life at that point and did not want it to occure again. BOUDREAU witnessed FOLEY choking and threatening me the entire time.

A Statement was written by A.S. DANIELIAN while BOUDREAU used his imagination to detail accounts of crime. I never suggested any changes to the statement and picked up information from BOUDREAU during the course of the interrogation. It was DANIELIAN who changed the intial words of statement including my age. Something he knew before writing out the statement.

My arrest was on February 4, 1992. I was never placed in a line up nor was there a warrant issued for my arrest concerning this crime. This despite having a eye-witness ([REDACTED] who on January 20, 1992 gave Boudreau a statement implicating me in crime. [REDACTED] was incarserated at the time he gave BOUDREAU statement involving himself ([REDACTED] as being a "lookout" during crime.

[REDACTED] was never charged as a Co-defendant and later recanted the statement he gave to BOUDREAU, The state never called [REDACTED] or any other eye-witness to testify against me. This matter needs to be investigated because evidence has emerged that BOUDREAU and other Area 3 Detectives beat and otherwise coerced false confessions out of the following People:

Case No. 95 CR 20513

Found innocent by D.N.A, but signed a confession coerced by BOUDREAU after 36 hours during which he was slapped, kicked, punched, slammed into the wall by BOUDREAU and others.

Acquitted notwithstanding his signed confession. BOUDREAU testified he (NEAL) waived his rights signed the written statement by A.S. experts established NEAL had an I.Q. in the 40's below the dividing line for mental retardation.

Threaten, slapped, handcuffed so long he urinated on himself. Confessed to a 1990 murder, implicating HAROLD HILL and DAN YOUNG. Confessed to BOUDREAU after physical abuse- charges were dropped after concluding () was incarcerated at the time of crime 1992.

KICKED, and beaten by BOUDREAU and HALLORAN and others, confessed implicating HILL and determined by psychiatrist and psychologist to be illiterate; was convicted, and later freed on D.N.A. and other forensic testing (case No. 92 CR 8344)

was convicted on false confession, and later exonerated along with YOUNG by D.N.A. evidence.

and , both classmates in special education course, experts concluded was illiterate both were acquitted despite the confessions obtained by BOUDREAU and HALLORAN. 1993.

handcuffed and beaten with a group of youngsters in 1991, mother was denied access to him, was 13years old. Six young suspects gave confessions(JESSE and) TWO were thrown out on the basis of the periodic screaming through out the night. The remaining FOUR SUSPECTS were acquitted. O'BRIEN and BOUDREAU employed the coercion.

██████████, witnesses were coerced by HALLORAN to identify CANTON as the shooter in a murder case. Witnesses recanted and CANTON was freed after being convicted of a crime he did not do. Case No. 92 CR 24062.

██████████ ██████████, were beaten by HALLORAN and BOUDREAU shackled to the wall, 30 hours. prevented from talking to their lawyer and family. All three were found not guilty largely concluded that HALLORAN and BOUDREAU physically coerced the confessions. Case No. 95 CR 22930.

BOUDREAU and HALLORAN'S coercive tactics have resulted in 17 or more acquittals and or not guilty verdicts; 4 or 5 suppressed statements. In all the above cases resulted in the only evidence being coerced false statements. As in this case unlike information and evidence misrepresented by BOUDREAU. There was no eye-witness or physical evidence presented against me at trial.

There was no Co-defendant to the murder although BOUDREAU testified that he received statements from ██████████ who allegedly was witness to crime, and "look out" person at scene of crime.

BOUDREAU openly committed perjury by testifying that between January and November of 1990 he observed me hanging around drug hot spots in Chicago. from November 1989 until may 1991, I was incarcerated.

LOG # 1009053

Attachment # 6

Their was never a warrant issued for my arrest even after BOUDREAU received a statement from [REDACTED] implicating me in crime. Was never placed in line up to be identified by witness [REDACTED] who gave detective DAN McWEENY detailed account of crime and witnessed murder of [REDACTED] on May 17, 1991, even told McWEENY she could I.D. the person she seen committ crime. In 1997 Appellate Courts ruled the admission of BOUDREAU'S testimony regarding receiving a statement from [REDACTED] implicating me in a crime was Error.

For the Above reasons Complaint request the investagations against BOUDREAU, FOLEY, and HALLORAN be re-opened in all complaints filed and Concluded unsustained. The foresaid information shows a culture pratice of coercion at Area 3 by these Detectives.

I [REDACTED] here by Swore that all of the above is true to the best of my knowledge, under penalty of Perjury.

Dear Tisa Morris

I trust to find you and the staff at O.P.S coming along as well as can be expected.

My name is [REDACTED] and I am writing you concerning police misconduct that I had to endure at the hands of two Chicago Police back on February 4, 1992. I was physically and psychologically abused by Detectives William Foley #20450 and Kenneth Boudreau #20435 to sign a false statement to a murder that I did not do. I mailed O.P.S a complaint on 7-25-06 that was not acknowledged by O.P.S

I reviewed the Special Prosecutors report issued to the public on 7-19-06. On page 162 of that report it states that Michael Duffy the Coordinator of Investigations was interviewed. Mr. Duffy informed the Special Prosecutor that "under the procedures now in place at O.P.S, past allegations of coercive behavior by a police officer, even if not sustained, may be considered in evaluating a new claim of such behavior."

There has been past allegations of coercive behavior directed towards Detective Boudreau that went public on Feb 1, 2005 when murder and rape charges were dropped on Dan Young and Harold Hill two men who alleged Det. Boudreau physically abused them to falsely confess to a rape and murder they did not do.

It is a proven fact that Peter Williams falsely confessed to the same rape and murder that Dan Young and Harold Hill confessed to.

LOG # 1009053

Attachment # 7

[REDACTED] was incarcerated in October of 1990 the day [REDACTED] murdered body was found. Even being incarcerated Det. Boudreau was still able to force [REDACTED] to confess to a crime he did not do.

Derrick Flewellen also signed a false statement to Det. Boudreau involving himself in a double rape and murder in 1995. Flewellen case was dismissed after D.N.A testing failed to link him to the crimes. My complaint details more people who had to endure abuse by Detective Boudreau, and Freedom of Information request will provide legal documents to support the past allegations of coercive behavior by Det. Boudreau despite the Chicago Police Department having yet to acknowledge Det. Boudreau engaged in coercive tactics in order to get innocent men to confess to crimes they did not do, and where no eye-witness I, Did the offender other than Boudreau being the only witness against the accused.

My request is that O.P.S will evaluate my claim which can be supported by evidence that I was coerced to sign a false statement to a crime I did not do, and to re-open in all complaints filed and concluded unsustained in considering my claim against Detectives Boudreau and Foley.

Sincerely

[REDACTED]

Angers pulled, threaten to be put in the hospital by beaten; threaten to have my pregnant girl friend hooked up for murder; shown co-indictees interviewed by ASA Laura Lamber and told he was making a statement against me; shown reports alleging victims blood was on my shoe; shown photos of the decrease and photos of a co-indictee at the ATM attempting to allegedly use the victims ATM card; Denied many request for counsel and unhonored many request to remain silent; during 39 hr., of deliberate delay by Halloran who arranged for me to stay at the Area for the sole purpose of coercing a statement after 23 hr. of interrogation and no statement and booking in the detention. Placed in a lineup and told I was identified by Boudreau; tricked out of lockup by Boudreau who told me a lawyer was up stairs to meet me as I'd requested; Following which I was beaten by Halloran and O'Brien. Previous to being placed in lockup I was interviewed by Steven Rosenblum ASA, at which time I invoked the rights to counsel and to remain silent. My shoes, socks,

cigarettes were taken by Boudreau, who pleaded with me to confess in exchange for his help. Boudreau pleaded with me to make the statement sound like a self-defense. Boudreau pushed me by the neck when I refused to confess to ASA Hosenblum and a Kock held drug me to a room when I got angry at ASA Lambur for not being the lawyer I was told of. To hide the coercion Det. Foley falsified lockup record indicating I was sent out a 2nd or 3rd time for a line-up, when it was knowing for interrogation. After 35 hr

Since I suffered brutality etc. at the hands of said detective during Oct. 20, 1992 to Oct 22, 1992 These detectives have continuously shamed the CPD and it has been revealed that they have repeated obtained false confessions from numerous innocent men. Just as was done to myself. For these reasons and for the sake of justice I'm asking that the investigation of my complaint (and others) against these detectives be reopened. I was handcuffed 31 hr, with no statement.

My complaint was concluded unsustained and the case was closed 9-21-94 based on

insufficient evidence. Photo were fake of me and they showed red spots of my forehead ^{could pulled out} from being hit by Halloran.

The investigation should be re-open because evidence has come out indicating that Boudreau, Halloran (and O'Brien) beat and otherwise coerced false confessions out of:

Derriek Flewellen Case No. 95ER20513
Found innocent by DNA, but signed a confession coerced by Boudreau after 36 hr or more during which he was slapped, kicked, punched, slammed into the wall by Boudreau and others;

Altonziz Neal acquitted notwithstanding his signed confession. Boudreau testified he (Neal) waived his right signed the statement written by ASA. Experts established Neal had an IQ in the 40, below the dividing line for mental retardation;

Peter William, threaten, slapped, handcuffed so long he urinated on himself confessed to a 1990 murder, implicating Harold Hill and Dan Young. Williams was freed upon conclusion he was incarcerated at the time of the crime; 1992

Fred Ewing and Darnell Stokes, both: classmates in special education course, experts concluded Ewing was illiterate both were acquitted despite the confessions obtained by Boudreau and Halloran. 1993 case;

John Plummer in 1991 was 15yr. old, was interro-
gated for 30hr., by Boudreau and Halloran during
which time they physically beaten him into
a false confession, his case had been reversed
and remanded twice. Case No. 92 CH 2023601.

Boudreau and Halloran's coercive tactics have resulted in 17 or more acquittals and/or not guilty verdicts; 4 or 5 suppressed statement. In all the above cases resulted in the only evidence being coerced false statements.

As In this case unlike information and evidence mis represented by Boudreau. There was no blood on any shoes or my shoes never confiscated but returned after the statement. There was no co-defendants to the murder, although Halloran testified ATM card was recovered, none was ever produced. In Court proceeding Halloran and Boudreau committed perjury. Halloran at a suppression hearing testified that he never talk to me after 8p.m. on the 21st during time I said he beat me with O'Brien, and at trial he came I confessed to him after that time 8p.m. (10 and 12 A.m.).

Boudreau testified he talked to me twice but the record (testimony) showed it was times. In 2002 the Federal District Court found that the statement was involuntarily obtained.

For the above reasons complainant request the investigations against O'Brien, Boudreau Halloran Be reopen in all complaints filed and concluded unsustained. The Aforesaid information shows a potential pattern, culture practice of coercion.

I [REDACTED] here by swore that all of the above is true to the best of my knowledge. Under penalty of perjury.

INVESTIGATION:

R/Ds assigned to this investigation by Sgt. George Owen of Area 3 Violent Crimes, after notification has been received from the Communications Section of two persons shot at 5757 South May Street.

Upon arrival at the scene, address of 1118 West 58th Street, R/Ds observed Victim #1, ██████████ laying on the ground with a wound to the temple. Victim #1 was on his back, with his head to the north and his feet to the southwest. His right hand contained car keys and his left hand was in his pocket with a notebook under his arm. The victim was wearing a light brown topcoat, brown slacks, a brown vest, tan sweater, tan scarf, and a wristwatch on his left hand. The victim's vehicle was parked on the street at 1118 West 58th Street.

It was learned from Officer Grohovea #5453 that the second victim, ██████████ had been taken from the scene to Michael Reese Hospital by CFD Ambulance #1.

The scene is a vacant lot containing several automobiles. Directly to the north of this lot is the home and garage of Victim #2, ██████████ 5757 South May Street. There is no fence separating the two properties. There was approximately 1-2 inches of snow on the ground.

After the scene was processed by Bt. 9601, Victim #1, ██████████ was removed to St. Bernard's Hospital by Bt. 771 after receiving authorization from the Medical Examiner's Office, M.E. Dobbins. Mr. BENJAMIN was pronounced by Dr. Mitchell at St. Bernard's at 1240 hours. M.E. case 495 Dec.

Officer Grohovea related the same basic information as that contained in his case report. Several witnesses were subsequently transported to Area 3 V.C. for further interviews. In addition, a canvass of the area was conducted.

LEWIS, John was interviewed by Det. Rusnak in person on 22 December 89. He related in essence but not verbatim that he was at his sister's house, 5802 South May Street working on her car. He was under the hood of the car and heard one shot. He saw some people outside of the garage and went over to see what happened.

BROWN, ██████████ was interviewed by Det. Rusnak in person on 22 December 89. She related in essence but not verbatim that she was upstairs in her bedroom and heard one shot. It was quite for a while and then she heard someone ask "why

BROWN, [REDACTED] (cont.): are you doing this" and then heard three or four more shots.

[REDACTED] was interviewed in person by Det. Rusnak on 22 December 89 and related the following in essence but not verbatim. He is a garbage collector for the City of Chicago. He heard at least one shot, but didn't see anyone running. He had been with his crew in the alley behind 5801 South May Street.

Detectives Rusnak and McCann proceeded to the Medical Examiner's office where, in addition to the above-listed clothing of Mr. [REDACTED] it was determined that he was also wearing a green plaid shirt, a second brown sweater, white shorts, brown shoes with rubbers and black socks. The victim's wallet containing misc. identification and \$21.00 usc was inventoried in the M.E. office. Also inventoried was \$134.00 usc recovered in the victim's left front pants pocket and \$4.36 in coins recovered from the victim's right front pants pocket.

Detectives Leja and McCarthy spoke with witnesses at Area 3 Violent Crimes in person on 22 December 89.

GARMON, Curtis related in essence but not verbatim that he has known Victim #2 aka "[REDACTED]" for about three years. On today's date he went to the garage, where he met with [REDACTED] Odell GARMON (his brother), Leon ([REDACTED]) and "[REDACTED]" ([REDACTED]). He got there about 1000 hrs. Victim #1 walked in at about 1030 hours at which time [REDACTED] asked him what the damages were. Victim #1 stayed for a few minutes in conversation with [REDACTED] and then left out of the service door of the garage. A few seconds later he heard someone calling [REDACTED] and a gunshot. [REDACTED] ran out of the garage, at which time a couple more shots could be heard. The group of men remained in the garage for a few minutes and then Leon ([REDACTED]) ran to [REDACTED] house and told [REDACTED] son to call the police.

GARMON, Odell related in essence but not verbatim that he has known [REDACTED] for approximately four or five years. Mr. GARMON had problems with his car on his way to work this morning and after getting the vehicle started, he took it over to [REDACTED] garage to determine what the problem was. He was there along with Curtis GARMON, Leon ([REDACTED]) and another man (kna [REDACTED]). They sat and talked for a while at which point a man came into the garage. He believes he was an insurance man, but is unsure if a transaction was made. The man left after about 5-10 minutes. As Victim #1 stepped out the door, Mr. GARMON heard someone call for [REDACTED]. He didn't hear a shot at this time. But [REDACTED] stepped outside and Mr. GARMON heard about three shots. They all waited inside the garage for a few minutes and Leon ran to the house to summon help.

PERMANENT RETENTION FILE

INVESTIGATION (continued):

██████ Leon related in essence but not verbatim that he was in the garage talking with the other gentlemen when the insurance man, Victim #1, came in.

██████ asked what the bill was and made a joke about having some money left over for a drink and cigarettes. After the man left, Mr. ██████ heard some hollaring outside, but didn't hear a shot. ██████ ran outside and Mr. ██████ heard him say "Oh Lord" and fall to the ground. He also heard at least two shots going off. After a few minutes, he ran outside and saw an older man and woman in a white over brown vehicle, possibly a Buick, drive up and stop. Mr. ██████ told them to call the police, and he also ran into ██████ house and told ██████ son to call the police. Mr. ██████ related that Victim #1 is an insurance man who has been doing business in the neighborhood for many years. He has seen him at ██████ garage on occasion.

██████ C. aka "██████" .. related in essence but not verbatim that he was over at the garage because the battery on his car had to be charged. While he was there, a man walked into the garage and spoke with ██████. The man stayed for about 5-10 minutes and left. Mr. ██████ heard some commotion outside and ██████ said he would check it out and ran outside. Mr. ██████ indicated that he thought ██████ was outside for a long time and when he wanted to go outside, the other men told him he had to stay in the garage because someone was shooting.

██████ Cortez is the victim's son. He related in essence but not verbatim that he was in his house getting ready to wash dishes when a man (kna Leon COLEY) ran into the house and said Cortez' dad had been shot and to call the police. Cortez ran outside and checked for a pulse on his father and discovered that he had a pulse. His father was approximately 4-5 feet from the service door of the garage. He then went over to Victim #1 to check for a pulse but could find none. He related that Victim #1 is an insurance man who collects his premiums on a regular basis. He is not sure what the premium is. Cortez went on to say that his family has lived in the same house since he was born and his dad has been working out of his garage for approximately 10 or 11 years.

In checking Victim #1's papers, it was determined that he is employed by United Insurance Company of America.

During the course of this investigation, R/Ds learned that Victim #2, ██████ AKA "██████" expired at Michael Reese Hospital. He was pronounced at 1440 hours by Dr. Rothstein.

Victim #1's vehicle, a Dodge Omni IL NJB100, was brought to Area 3 V.C. and was secured in the area parking lot awaiting his family.

This investigation continues.

INVESTIGATION CONT'D: years ago her husband was laid off by the company in an economy move. Her husband then attempted to find another job and was unable to secure another position. The company then asked her husband if he wanted a route sales job with the insurance company and he took the job because he and his wife needed the health benefits offered with the sales position. Mrs. [REDACTED] then went on to say that she did not have any understanding of the record books kept by her husband. She then added that his supervisor was a [REDACTED] (Phonetic spelling) at [REDACTED] Ave., Chicago, Illinois., Ph.# [REDACTED] and that he could be contacted and he would better know how to interpret the logs that the victim used in his business.

Mrs. [REDACTED] stated that it was her husband's practice to go into his area in a random manner attempting to collect the premiums on his clients life insurance policies. She then related that her husband would call the client the night before and at that time he would plan his route of collections for the next day. She then added that she did not know when he was to go on today's date. Mrs. Benjamin then stated that her husband left the house at approx. 0730hrs as was his usual practice and that he did not seem to have any particular concerns when he left, everything appeared to be normal. She then added that her husband was wearing the clothing described in the original supplementary report. She then went on to say that the amount of money carried by her husband could range from \$25.. to \$1,000. depending on the number of collections he made. Mrs. [REDACTED] then added that when her husband left this morning he had a bottle of Amaretto and a bottle of brandy in his possession and that he had told her that these bottles were for two of his good customers; but, she did not know which customers they were for nor the area in which these customers lived.

Mrs. [REDACTED] then related that her husband had never encountered any problems while on his route collecting money, nor, did he have any personal problems with anyone while he was conducting his business or in his personal life. Mrs. [REDACTED] concluded by stating that everyone liked her husband and that they were going to retire to Florida in August of 1990. Mrs. [REDACTED] emphatically stated that her husband never owned nor carried a gun of any kind either at home or while working. The R/D request that this case be considered a progress report, this investigation remains in progress.....

████████ family and tell him that there is no █████████ family there and he leaves. The insurance man Mr. █████████ then comes out of the COLES house and I say hello and he gets into his auto and leaves. I then went into my house and came back out with my mother, to walk her towards 59th, where she is going to store. I got as far as the █████████ house three doors south of my house and leave my mother and go in the █████████ house. When I came out of the █████████ house I ran into █████████ (██████████) M/B 17/18yrs. of 5721 █████████ and some of his brothers who related to me that the insurance man just got run over around the corner. I then went to the corner of 58th & █████████ and see legs in the vacant lot and police on the scene. I then went back to the █████████ house and observed the ambulance bring █████████ out on a stretcher and into the ambulance. Later that day I hear that the victims were shot. Since the shooting the word on street is that █████████ and █████████ (██████████) shot the victims and that █████████ has not been seen since. About a month ago █████████ suggested robbing the insurance man but I refused to get involved.

At this time the subject was subsequently taken to the polygraph unit and the examination was given by Examiner James McARDLE. Upon completion of the test, the examiner was of the opinion that █████████ was not being truthful in his responses regarding participation and knowledge of the shooting of the victims. When confronted with this information by the examiner, GIBSON became enraged and grabbed the polygraph paper and began tearing the paper and yelling the machines lying on me and I want to talk to the detectives..

The subject █████████ was then brought back to the area and re-advised of his rights and was again interviewed

████████.....

████████ related that on the day of the shooting that he was approached by █████████ and █████████ and they asked me to go with them and rob the insurance man. I refused and █████████ and █████████ then left. A short time later I saw █████████ run into his house and several minutes later return outside in different clothes. █████████ came across the street and told me that "We got paid, from the insurance man, keep cool."

This investigation continues.....

INVESTIGATION:

On 29 Dec 89, 3rd watch, the reporting, on Bt's# 5314 and 5315, were assigned to the follow-up investigation in this case. The reporting then met and spoke to Bt#5314, 2nd watch, Det's RUSNAK and BRESKA, who informed the reporting of the following summarized facts: Earlier that day they had taken a subject, [REDACTED] to the C.P.D. Polygraph Section where he was tested for any information/knowledge regarding this case. During that testing [REDACTED] had not passed and during same he had become upset and had torn up the paper used in the polygraph machine. Upon being transported back to area three headquarters, [REDACTED] had related certain information implicating two male black subjects known by their "street" names as [REDACTED] and [REDACTED]. The reporting then checked various information sources and learned that [REDACTED] was one [REDACTED] M/B/28 yrs. of 5818 S. [REDACTED] IR# 603308, who had an outstanding Criminal Warrant, CM029569 (BF-Theft). It was also determined that [REDACTED] was one [REDACTED] AKA [REDACTED] M/B/19 yrs. of 5721 [REDACTED] IR# 827287, who also had an outstanding Criminal Warrant, CM014658 (BF-Ps. Cont. Sub.). Both subject's RAP sheets and C.P.D. Graphich Arts photos were subsequently obtained by the reporting. Those photos were shown to [REDACTED] in an array of other male black subjects, and they were identified by him as being the two implicated subjects in question.

The reporting, aware of the above suspects identities, went to the address of [REDACTED] 5721 [REDACTED] along with members of the 007th Dist Tactical Unit: Bt#763A: Ptmn. FOLEY#3966 and O'BRIAN#8825 - Bt#763C: Ptmn. KUPCZY#6132 and SUTTER#17577 - Bt#763D: Ptmn. SUTTER. Once at that premises the reporting knocked on the front door and were met by a teenage female who informed the reporting, after the reporting identified themselves and inquired as to the whereabouts of [REDACTED] that [REDACTED] was then at home. After the reporting stated that [REDACTED] had an outstanding criminal warrant for his arrest the female let the reporting inside the residence, first floor, where the reporting immediately observed [REDACTED] walking towards them in that frontroom. [REDACTED] then identified himself and was taken into custody and taken to an awaiting squadroll where he was transported to area three headquarters. The reporting then went to the known address of [REDACTED] 5818 S. [REDACTED] but after meeting family members and informing them of his outstanding warrant, found that he was not then at home. The reporting then returned to area three headquarters.

Once at area three, the reporting placed [REDACTED] into an interview where he was advised of Miranda, which he stated he understood and wished to speak. Those rights were given in the presence of Det's PALADINO and MASLANKA. After first being informed of certain facts in this case, [REDACTED] admitted to being called [REDACTED]. In summary, he went on to state that he had known the victim [REDACTED] AKA [REDACTED] all his life. He also stated he knew the subject [REDACTED] for the past four to five years and last saw [REDACTED] the past Thursday, 28 Dec 89, walking his dog near 57th and [REDACTED]. When informed of certain facts implicating him in this case he denied any participation, stating that on the morning of 22 Dec 89 he was asleep with several of his brothers in the front room of the first floor at 5721 [REDACTED] and that he had gotten up at 1100 hrs.. At 1500 hrs. on 22 Dec 89, he had observed [REDACTED] his neighbor and known to him as "Peter [REDACTED]" running house to house on his block. [REDACTED] stated that [REDACTED] was the person we, the reporting, should be looking for because the word on the street was that [REDACTED] had killed the "insurance man" and "Smiley". (It should be noted that [REDACTED] at that time, had no knowledge of [REDACTED] statements implicating him nor, that [REDACTED] was then at area three headquarters).

Next, the reporting interviewed [REDACTED] as to the details of the events he had originally related to Det's RUSNAK and BRESKA earlier as to what had occurred on the morning of 22 Dec 89. The following is a summerrization of that interview:

On 22 Dec 89 at 1030 hrs. he was in his house at 5734 [REDACTED] when he was awaken by a Mr. [REDACTED] who wanted [REDACTED] to return his, [REDACTED] battery charger. [REDACTED] got dressed and went, by himself, to 5654 [REDACTED] the home of one KIRBY ALLEN, where he got the battery charger. He then returned to his residence and gave [REDACTED] the charger. He then had a conversation on the telephone with someone. After the phone call

INVESTIGATION (Cont.):

he went outside and spoke to Mr. [REDACTED] son, "Gator" - Jerry [REDACTED]
about when they were both supposed to get their "wake-up"/paid

from their "boss", one [REDACTED] who runs the narcotics selling on the South Side. [REDACTED] stated he got \$200.00 a week selling narcotics for Rick. After speaking to "Gator", [REDACTED] walked accross the street from his home where he met the "cable man", cable T.V. wireman, who was looking for Mr. [REDACTED] then returned to the front of his home and was standing, along with his deaf mother, when [REDACTED] walked out of his, K.D.'s house across the street and walked up to him. [REDACTED] then observed [REDACTED] walking towards them from the corner of 5757 [REDACTED] [REDACTED] then told [REDACTED] "Let's get paid from the insurance man" and [REDACTED] knowing he ment to rob the insudrance man, refused. [REDACTED] then observed [REDACTED] meet [REDACTED] in the middle of the street and they both walked together towards 58th street. [REDACTED] then went into his house where he stayed for several minutes, two to three and then left his house with his mother. He then went to his girlfriends home, one Evett [REDACTED] at 5749 S. Aberdeen where he smoked a joint with her. He then left and was near his home when he saw [REDACTED] JOHNSON who told him that the insurance man had gotten run over on 58th street. He then observed [REDACTED] who was wearing different cloths and [REDACTED] stated "I got paid from the insurance man, be cool". Then [REDACTED] along with several memebers of [REDACTED]'s family, Carla [REDACTED] Kimberly JOHNSON and Louis Jean, walked around the corner of 58th St. where they saw the news cameras. [REDACTED] came behind them to the scene. [REDACTED] ended that interview by stating that [REDACTED] used to work for Rick, the dope dealer, but got mad and quit because he was not getting paid.. Last month "K" had broken out Rick's house windows for that reason.

The reporting then went back and again interviewed [REDACTED] who related again that he was sleeping at 1100 hrs. on 22 Dec 89. The reporting then informed him of certain facts as stated by [REDACTED] whom [REDACTED] was informed was at area three implicating him in the murders. [REDACTED] then stated that on 22 Dec 89 he had met [REDACTED] in front of his, [REDACTED], house at 1100 hrs. and that [REDACTED] had in his possession a .32 caliber nickle plated handgun with brown handles which was scratched up. He stated that at that time [REDACTED] had tried to sell him that weapon. [REDACTED] then stated that [REDACTED] also had tried to sell him the same gun on Thursday, 21 Dec 89. Det's MASLANKA and COLLINS were present for that interview.

Asked by the reporting why he had not informed the reporting of those facts in their origianl interview, [REDACTED] stated he just remembered those facts. he then continued with a third story: In summary, he related that on Thursday, 21 Dec 89, he had observed [REDACTED] running down 57th street with the .32 cal. handgun trying to stick-up a potato chip truck. On Friday, 22 Dec 89, between 1500-1600 hrs. he and his brother, Anthony, were on their back enclosed porch when they observed [REDACTED] walk into their opened rear garage. [REDACTED] stayed inside the garage three to four minutes and then walked out through their gangway, towards the front of their house. Anthony opened the rear door and asked [REDACTED] what he had been doing and [REDACTED] had replied that he was looking for their uncle Ray. they later told their aunt, who lived at 5723 [REDACTED] and she told them they should have checked the garage. [REDACTED] stated he believed that [REDACTED] had hid the gun in his garage. [REDACTED] went on to state that two months ago he was present when Rick had "violated", warned, [REDACTED] for the fact that [REDACTED] had talked about him, [REDACTED] wanting to rob the insurance man.

After that interview, the reporting again spoke to [REDACTED] who related the same basic story as had originally been told to the reporting adding that he was present two months ago when [REDACTED] had gotten "violated"/warned, by Rick, the dope dealer, about [REDACTED] wanting to rob the insurance man.

72 91 0631 NWC 51
Again the reporting interviewed [REDACTED] who realted a fourth story: In summary, he stated that on 22 Dec 89, friday, he was awaken by William, his mother's boyfriend, who told him that the insurance man and [REDACTED] had gotten shot. He knew the insurance man because his family was insured by him. [REDACTED] got dressed and walked out of his house where he observed [REDACTED] walking out of his, [REDACTED], yard. [REDACTED] told [REDACTED] not to go down to 58th St. because the Police were looking for someone dressed in black.

[REDACTED] then walked to the scene, [REDACTED] refused to come, where [REDACTED] met members of his family: Sherry [REDACTED] (aunt), Louis [REDACTED] (aunt), Ladonna (neighbor), Buffy (cousin) and [REDACTED] cousin). When they all walked back to his aunt's house at 5723 [REDACTED] he observed [REDACTED] standing in the middle of his block. [REDACTED] came into his aunt's house and stayed ten minutes and then left. [REDACTED] stayed fifteen minutes more and then he too left.

At the conclusion of those interviews the reporting held [REDACTED] and [REDACTED] in separate interview rooms with [REDACTED] to be taken to the polygraph Section, of which he agreed, on the following date by other members of area three.

At that time [REDACTED] told him that he had stolen that gun and a 9 mm. that had no clip. He relates that his brother, [REDACTED] was present during this conversation. Also during this conversation [REDACTED] talks about robbing the insurance man.

[REDACTED] was then asked if he would be willing to submit to a ploygraph examination due to the differences in his account of the events on 22 Dec. 89 and [REDACTED]. He indicated that he would be willing to take the test. The R/D's then made attempts to arrange an appointment for the test.

After being re-advised of his Constitutional Rights, [REDACTED] stated that he understood them and that he had not been truthful in the previous interviews. He went on to state that on the day of the shooting, he was present at the garage when the incident occurred. [REDACTED] observed [REDACTED] (aka: [REDACTED] or [REDACTED] give a gun to [REDACTED] (aka: [REDACTED]) [REDACTED] went on to relate that he saw [REDACTED] shoot both of the victims as they came out of the garage. [REDACTED] added that [REDACTED] and [REDACTED] had been planning to rob the insurance man for two months. When asked how he knew this, [REDACTED] responded that he had overheard both discussing it.

[REDACTED] M/B 19 years was subsequently re-interviewed. After acknowledging his Constitutional Rights, [REDACTED] stated that he had no knowledge of the murders and that he was sleeping at the time of the occurrence. When told of his involvement according to [REDACTED] related that he was on the street when he saw [REDACTED] (aka: Peter [REDACTED]) and [REDACTED] going to rob the insurance man. He went on to say that he saw [REDACTED] shoot both victims as [REDACTED] acted as a lookout. At this time, he had nothing further to say.

[REDACTED] M/B 24 years was contacted at his home located at 5818 So. [REDACTED] Street. He agreed to accompany the reporting Detectives into Area #3. [REDACTED] was subsequently placed in a interview room of Area #3 Violent Crimes and given his Constitutional Rights. He stated that he understood those Rights. INVESTIGATION: (cont...)

On 31 Dec 89, [REDACTED] were taken to 1121 South State Street and arrangements for a polygraph examination for each were

made. This was done by Detectives McCann & Caesar. Subsequent to this, [REDACTED] told McCann and Caesar that he had seen [REDACTED] with a N/P .32 calibre revolver before and after the shooting. [REDACTED] had told [REDACTED] that he had stolen the weapon. [REDACTED] was administered the test by Technician Tovar. Tovar determined that [REDACTED] showed deception in knowledge and planning of the robbery/shooting of the two victims. When confronted with this, [REDACTED] told Tovar, McCann and Caesar that [REDACTED] had in fact come by his house just prior to the shooting. During the return to Area #3, [REDACTED] told McCann and Caesar that [REDACTED] had asked him to act as a lookout while he, [REDACTED] robbed the insurance man. [REDACTED] went on to say that he and [REDACTED] left his house. [REDACTED] stood in the alley and watched as [REDACTED] shot the insurance man. After the insurance man fell to the ground, [REDACTED] ran home. This conversation took place at approximately 1600 hours.

[REDACTED] refused to take a polygraph examination when requested to sign certain forms by Technician Tovar. He also was returned to Area #3 without offering any new information.

[REDACTED] was re-interviewed by Det. Moser and related basically the same facts as told to Det's McCann and Caesar. He added that his two sisters, [REDACTED] and [REDACTED] had been present during a conversation with [REDACTED] and himself as [REDACTED] discussed robbing the insurance man. This conversation took place two or three days prior to the actual shooting. At that time, [REDACTED] was also displaying a N/P .32 calibre revolver which he said he had stolen. On the day of the shooting, [REDACTED] came to [REDACTED] house and offered [REDACTED] \$50.00 USC if he would be the lookout during the robbery. [REDACTED] went on to say that he and [REDACTED] left his house together, with he positioning himself in the alley as the lookout. After [REDACTED] shoot the insurance man, [REDACTED] ran home. He later met with [REDACTED] in the hallway at 5723 South [REDACTED] Street. [REDACTED] told him that he shot [REDACTED] " [REDACTED] because [REDACTED] could identify him. [REDACTED] also told [REDACTED] that he would take care of him later when things cooled down. As to the involvement of [REDACTED] in this incident, [REDACTED] related that [REDACTED] knew nothing of it.

[REDACTED] was also re-interviewed in this matter. After being advised of certain developments in same, [REDACTED] related, but not for verbatim, that he was returning from buying heroin for his habit. On the way, he observed a m/b he knows as [REDACTED] aka: Peter [REDACTED] standing next to a garage with a N/P handgun in his right hand, positioned along the right leg. [REDACTED] stated that he continued home and did not hear any shots. He had nothing further to add at this time.

[REDACTED] was located at his home. He was placed under arrest and advised of his Constitutional Rights. He was subsequently transported into Area #3 Violent Crimes. He declined to make any further statements in this matter.

The R/D's were able to locate SMITH, Carla F/B 22 years and [REDACTED] Janice F/B 25 years, sisters of [REDACTED] Johnson.

They agreed to accompany the R/D's into Area #3. They were subsequently placed in separate interview rooms.

[REDACTED] related, but not for verbatim, that on 19 Dec 89, she had a conversation with [REDACTED]. Also present was her Brother, [REDACTED] Johnson and another Brother Anthony [REDACTED]. [REDACTED] was relating that he was going to rob the insurance man, Mr. [REDACTED]. [REDACTED] stated that if the insurance man got nervous, he would have to shoot him. [REDACTED] said that he was going to rob the insurance man because he needed money to fix his car. [REDACTED] went on to say that on 22 Dec 89 at about 1530 hours, she observed [REDACTED] showing a N/P revolver to her Brother, [REDACTED]. [REDACTED] came into the house and told her that [REDACTED] was trying to sell the gun. [REDACTED] added that on 20 Dec 89, Wednesday, [REDACTED] came to their house and displayed the same weapon, saying that he needs some .32 calibre bullets for it. [REDACTED] was still talking about robbing the insurance man.

PERMANENT RETENTION FILE

INTERVIEWED:

INVESTIGATION:

Reporting Detective assigned the followup investigation of this case. Responded to the scene and made the following observations. Observed the scene to be part of a residential neighborhood with single family and small multi unit housing. The exact scene was located at 927 West 54th street and is a three story apartment unit with two apartments and a attic apartment. The victim was observed in the hallway of the building with his head toward the south and his feet extended over the threshold onto the front step leading into the building. He was wearing a blue "Nike" t-shirt, black pants and black shoes. About a foot south of the victim a multi-colored hat was observed and upon closer observation brain matter and blood could be seen inside the hat. A 9MM casing was found about a foot from the victim and another 9MM casing was found about eight feet to the west of the victim's feet. A spent bullet was found on the staircase leading up to the second floor. Multiple gun shot wounds were observed to the victims head and a large pool of blood under the victims body. The scene was photographed and processed by the Crime Lab.

Officer Radtke of the 009th District was interviewed and stated he responded to a call of man shot and upon arrival observed the victim in the above described condition and after determining that the victim was deceased, protected the crime scene and made all of the proper notifications. Officer Radtke also located witnesses to the shooting and held them at the scene until arrival of investigative personnel. The witnesses were interviewed at the scene by the reporting detective and the following is a summary of those interviews.

[REDACTED] stated that she was on the street at the time of the shooting and observed the offenders come west bound from Peoria on the south sidewalk of 54th street. The offenders walked up to the victim who was sitting on the hallway entrance to 927 West 54th street. One of the offenders shook the victim's hand and the victim stated "what's up Mo" and the offender replied "got any money", "got any work here". The victim replied "I don't work over here". Ms [REDACTED] then stated she heard a shot and she immediately took cover from the shooting. A short time later she heard a second shot. She added that when the shooting stopped she returned to the victim and observed him wounded. She assisted the victim and waited until the arrival of emergency personnel, C.D. Ambulance and police. She further added that there were other people on the street at the time of the shooting but she did not know their names. She also stated she could identify the offenders and supplied the reporting with a description.

[REDACTED] stated he was in the attic at the time of the shooting and heard two shots, spaced a few seconds apart. He added that he knows the victim but had not seen him in awhile. He added that earlier a disturbance between his niece ([REDACTED]) and her boyfriend ([REDACTED]) took place about a half hour prior to the shooting. He stated he broke up the argument and then returned to the attic until he heard the shots. He added that he did not see the offenders flee. He added that he would cooperate with the investigation and report any information that he may learn to the reporting detectives.

INVESTIGATION:

In continuation of this investigation the R/Ds had developed
information that the In-Custody subject [REDACTED] was wanted in

[REDACTED] then obtained a consent to search that bldg. and apprehended and arrested [REDACTED] under the bed in the basement bedroom at that address. When arrested the R/Ds recovered a live 9mm bullet from under the subject [REDACTED] [REDACTED] was the informed of his cons. rights which he stated that he understood and then transported into A/3 for further investigation. The following is a summary of the interviews with the witness [REDACTED]

[REDACTED].....stated that he is a member of the Blackstone Nation Street Gang. He further related that there are ranks within the gang and that he was a soldier. He further related that "[REDACTED] was a general in his gang and that [REDACTED] is an enforcer in the same gang. [REDACTED] then went on to say that he and all of the above stated members of the Blackstone Gang were members of the same gang in May of 1991. He then related that several days before 17 MAY 91, possibly on 14 or 15 MAY 91 [REDACTED] and [REDACTED] had robbed a dope house that belonged to the Jet Blackstones gang which is a rival gang to the Blackstone Nation. He further related that during the course of that robbery [REDACTED] took a 12 guage shotgun, a .38 cal revolver and some cocaine from the Jet Blackstones. [REDACTED] then stated that the Jet Blackstones then declared war on the Blackstone Nation as a result of this robbery. [REDACTED] then went on to say that in the late evening of May 16, 1991 he was standing on the corner of 53rd and [REDACTED] selling dope. He then went on to say that he then observed [REDACTED] come up to the corner and pointed to [REDACTED] (Arnold [REDACTED] and [REDACTED] and told them to follow him ([REDACTED] then added that [REDACTED] is an enforcer for the Blackstone Nation and that [REDACTED] is a soldier and that TENNILLE is a gang look-out.

[REDACTED] then related that they all followed [REDACTED] and that he in turn then followed them. He then added that they all then went to the bldg. located at 927 W. 54th St. (It should be noted that this is the same dope house which [REDACTED] had robbed several days prior in which he took the guns and cocaine). He then went on to say that [REDACTED], [REDACTED] and [REDACTED] stood in the gangway across from 927 W. 54th St. and that they all were talking. He then related that he stayed in the background, but, he was able to observe everything that was occurring. He then went on to say that he then saw [REDACTED] take an automatic (Machine) gun from his waist and hand it to [REDACTED]. He then observed G NATE take out an additional handgun, a black .38 cal. revolver which G NATE held for himself. [REDACTED] then stated that he then saw [REDACTED] leave the gangway and take up a position as a look-out. [REDACTED] then stated that he then saw [REDACTED] and [REDACTED] exit the gangway and start to walk towards the dope house at 927 W. 54th St. He stated that as [REDACTED] and [REDACTED] left the gangway he and [REDACTED] walked approx. 2 feet out of the gangway and that they both were watching for Jets as they did not want the Jets to shoot them. [REDACTED] then related that he saw a Jet named [REDACTED] standing on the porch of the dope house at 927 W. 54th St. [REDACTED] then observed [REDACTED] and [REDACTED] walk across the street both with their guns out. He then stated that he heard [REDACTED] and [REDACTED] say gang sayings to [REDACTED] [REDACTED] then demands drugs from [REDACTED] who then tells [REDACTED] and [REDACTED] that he does not have the drugs. At that point [REDACTED] stated that he saw both [REDACTED] and [REDACTED] shoot [REDACTED] Jerrod and the porc and he then looked away and when he looked back at the porch he observed [REDACTED] fall back into the hallway of the dope house. [REDACTED] then stated that he then saw everyone run from the scene.

[REDACTED] then stated that on the next day he saw [REDACTED] and [REDACTED] and that they were talking about shooting [REDACTED] and that was the correct way to take care of the nations business. [REDACTED] stated that he understood this conversation to mean that the Blackstone Nation were the only ones to traffic in narcotics and that any competition would be severely dealt with by the gang.

INVESTIGATION CONT'D:

This statement was then reduced to a hand-written statement which was then read, corrected and signed by [REDACTED]

The In-Custody subject [REDACTED] was interviewed regarding this matter and an un-related homicide RD# P- 454-289. Before these interviews which were conducted in the offices of A/3 Violent Crimes, [REDACTED] was informed of his cons. rights which he stated that he understood. [REDACTED] was then questioned with regard to this investigation and the following is a summary of that interview.

[REDACTED] AKA [REDACTED] [REDACTED] stated that he had no knowledge regarding this investigation as he was no where in the area of this incident. [REDACTED] was the informed of the status of this investigation and at that time [REDACTED] related that he was in fact in the area of this incident and he went on to say that he is an officer in the Blackstone Nation street gang and that he has been a member of the gang for approx. three years. He then went on to say that on the night of this incident he was in the area of 52nd to 53rd St and [REDACTED] selling dope. He then went on to say that he was then approached by his general in the gang, [REDACTED] and that [REDACTED] was his boss in the hierarchy of the Blackstone gang. He then went on to say that [REDACTED] real name was Nathaniel ANDERSON and that he was subsequently killed in another murder which occurred in OCT, 91, (See Homicide case P-498915). [REDACTED] then went on to say that when approached by [REDACTED] told [REDACTED] that they were going to rob a dope house tha belonged to a rival gang, the Jet Blackstones, and that the dope house was on 54th St.. [REDACTED] then went on to say that this robbery was in retaaliation for the Jet Blackstones robbing several dope dealers belonging to the Blackstone Nation street gang with which he and [REDACTED] were affiliated with. [REDACTED] then went on to say that he was given a Tech 9 machine pistol by [REDACTED] and that NATE was armed with a .38cal. revolver. [REDACTED] then stated that there were several other Blackstone Nation members around the corner and that they included, but, were not limited to [REDACTED] himself, [REDACTED] and [REDACTED]. [REDACTED] then related that he and [REDACTED] then went to the Jet dope house located at 927 W. 54th St. He went on to say that he was still armed with the Tech 9 machine gun and that [REDACTED] was armed with the .38 cal. revolver.

[REDACTED] then stated that as he and [REDACTED] approached the dope house he heard several shots, but, he did not know where they came from or who was shooting at him. [REDACTED] then went on to relate that after hearing the shots he saw a Jet by the name of [REDACTED] running down from the second floor of the dope house to the front porch. [REDACTED] further stated that as he saw [REDACTED] get to the front porch he pulled the trigger on the Tech 9 and that the gun started to fire. He stated that he did not see [REDACTED] with a gun or any other type of weapon in his hand, he merely assumed that Jerrod was the source of the several shots that he had heard. [REDACTED] then related that after the shots came from his Tech 9 that he saw the victim fall to the floor of the hallway in the dope house. [REDACTED] then went on to say that after he had shot the victim he and [REDACTED] ran from the scene. He then added that on the next day that he had occasion to be on the corner of 53rd and [REDACTED] and at that time [REDACTED] came up to him while he was standing in a large group of Blackstone Nation gang members and at that time [REDACTED] told [REDACTED] that shooting the victim in the dope house was the best way to take care of the business and control the Jets.

A.S.A Danielian, Felony Review Unit was then notified and responded to A/3 where he interviewed [REDACTED] and then reduced the statement of [REDACTED] to a hadwritten statement which [REDACTED] read, corrected and signed. A.S.A then recommended that [REDACTED] be charged with 1st Degree Murder in this case. As a result of the above stated facts and the arrest of one of the offenders in this case the undersigned R/Ds request that this case be CLEARED by ARREST and remain OPEN, pending the identification and arrest of the two outstanding offenders in this case.

P-454 289**PERMANENT RETENTION FILE****HISTORY/INVESTIGATION:**

On 16 sep 91 at 1630 hours the R/Ds were assigned to a Follow-up investigation under this RD#. The R/Ds had a conversation with P.O. T. Pack #2877 of the 009 District Tactical Team and the following information was learned from this Officer.

PACK, Thomas #2877.....In summary but not verbatim he related the following. On 16 Sep 91 at approximately 1230 hours he received a telephone cal from a subject who indicated that [REDACTED] Anthony S. of 1212 W. 51st Street might have information for Area#3 Violent Crimes regarding the Homicide/Murder recorded under this RD#. P.O. Pack and his partner, P.O. Michael DeLacy, went to 1212 W. 51st Street and knocked on the door of the rear house. The door was answered by [REDACTED] FB 42 years of age with a DOB of [REDACTED]. She related that it was her apartment and that she was the Aunt of [REDACTED] Anthony S. and that he lived with her. The Tactical Unit Officers spoke with both JAKES and [REDACTED] agreed to come into Area#3 with the Officers and [REDACTED] gave her permission for the subject [REDACTED] to accompany the Officers to Area#3 Violent Crimes. The subject was transported into Area#3 violent Crimes and upon arrival at the Area the subject was placed in an interview room. As the Detectives who wished to conduct the interview were not at the Area at the time and because of the crowded conditions in the vicinity of the room because of other unrelated investigative activity, a protective pat down was conducted of [REDACTED] by the Officers before they could leave him alone in the interview area of the Violent Crimes Offices. This pat down search revealed a tin foil packet containing suspect narcotics in [REDACTED] right hand pants pocket. The subject [REDACTED] was placed under arrest for this Offense and taken down the 3rd Floor hallway to Area#3 Youth. At Area#3 Youth he was processed for this Offense and refered to Juvenile Court. Upon completion of this processing the subject [REDACTED] was told he could be returned home and be interviewed by the Violent Crimes Detectives later, or he could go down the hall to the Violent Crimes Offices and tell the Sargeant that he wished to be interviewed before going home. [REDACTED] related that he did not know how to get to the Violent Crimes Office, but wished to be interviewed before going home. The Youth Officer summoned Dets. Duckhorn and O'Riley from the Violent Crimes Office and [REDACTED] went to the waiting area, pending his interview regarding the above RD#.

[REDACTED] Anthony S.....As the original investigating Detectives, Dets. McCann and Caesar, were preparing to go home after an extended tour of duty involving this and another unrelated matter, the subject was interviewed by Dets. Duckhorn and O'Riley. In summary but not verbatim he related the following account of events. He related that at about 2330 hours he was in front of his home with a number of persons. These included [REDACTED] [REDACTED]. He was also with a cousin on his father's side nicknamed " [REDACTED] and another cousin named [REDACTED]. Along with [REDACTED] he related that these were the only persons on the street at this time. At about 2330 hours on 15 Sep 91 a vehicle carrying an unknown amount of Male White subjects drove west on 51st Street. From the vehicle the occupants were waving a Mexican flag. As the vehicle passed, one of the occupants threw a bottle from the vehicle which broke the second floor front window at 1212 W. 51st Street. He and the people he was with cleaned up the broken glass. As they were putting the glass in the garbage in the alley they ran into three Male Black teenagers who they were fighting with earlier. These three young men chased [REDACTED] and his cousins who were with him to Throop Street. [REDACTED] and his cousins outran their assailants and returned home. When they arrived in front of 1212 W. 51st Street, the Chicago Fire Ambulance was already there. JAKES went up on the front porch of 1212 W. 51st Street and began an arguement with another boy. His Aunt slapped him across the face for causing trouble and sent him into the house.

At this time the undersigned R/Ds reported for Duty. The R/Ds took over the investigation.

HISTORY/INVESTIGATION:

██████████ Anthony S. In summary but not verbatim he related the following facts regarding this incident. ██████████ related that it was about 2345 hours on 15 Sep 91 and that he was standing on the sidewalk in the immediate vicinity of the Queen's Submarine Shop at 1206 W. 51st Street. He was with his friend "██████████" and ██████████. He stated he did not know ██████████ last name or address. He has known both of them for about one year. "██████████" went into the Submarine Shop and told them that there was a Mexican in the restaurant who had a lot of money and they were going to "Stick him up!" "██████████" then showed ██████████ the handgun that he had. He showed him the gun in the front waistband of his pants. When ██████████ saw the gun he realized that it was the .380 automatic that "██████████" usually carries with him at night. "██████████" always carried the weapon loaded. After seeing the weapon, "██████████" told ██████████ to go to the corner of 51st and Racine to look and see if any Police were around. ██████████ went to the corner and looked up and down Racine. ██████████ started to go to the corner and met a friend of his that he knows as "██████████". ██████████ asked "██████████" to be the lookout but he refused and "██████████" drove away. ██████████ then went to the corner of 51st and Racine and looked for the Police. Satisfied that there were no Police in the area, ██████████ returned to the east side of the Submarine Shop and told "██████████" "All right!" As he said this the victim came out of the Shop. "██████████" walked up to the victim and announced, "This is a Stick-up!" ██████████ was right next to "██████████". The victim said something and ran to his car. The victim got into his car and started it. The victim backed up and as he did "██████████" came up to the car and opened fire. ██████████ saw "██████████" fire 4 shots at the victim who was seated in his car and then ██████████ turned to run from the scene. He heard about 3 shots as he ran away. ██████████ related that he stood away from the window of the Submarine Shop and ran because he lived a few doors away and didn't want to be identified. ██████████ ran back to his house and looked out of the window and saw the victim moving around on the ground for a while. The victim stopped moving and then the ambulance came for him.

PERMANENT RETENTION FILE

At this time the R/Ds notified the Felony Review Unit of the State's Attorney's Office. ASA Brian Grossman responded to Area#3 Violent Crimes. The R/Ds turned the investigation over to Dets. Caesar and McCann and attempted to identify "██████████" and ██████████. The R/Ds identified "██████████" as DAY, ██████████ A. of 5038 S. Damen. Efforts were made to apprehend this subject but met with negative results.

At Area#3 Violent Crimes the ASA evaluated the facts of the case and interviewed pertinent witnesses. Following these interviews, the ASA, accompanied by Det. Caesar, interviewed the subject ██████████. In essence ██████████ related the same facts as earlier to the R/Ds. Subsequent to the oral interview they were reduced to writing and signed by the ASA; Detective Caesar; Youth Officer Kenneth Burke; and ██████████.

The ASA then reviewed the facts of the case and after a thorough evaluation approved that Charges of Murder/1st Degree be lodged against ██████████ Anthony S. for the Homicide/Murder of ██████████ which occurred at 2355 hours on 15 Sep 91 at 1208 W. 51st Street. Efforts continue in an attempt to apprehend the other offenders. Based on this investigation it is requested that this case be CLEARED, OPEN, BY ARREST.

[REDACTED] further related that his duties in the Blackstone's are to sell drugs and give orders to the members below him that have lesser rank. [REDACTED] related that on the day of this murder (15SEP91), he was working the 1800-2400 hour shift, selling drugs on the street at 53rd and [REDACTED] [REDACTED] left work early and went to get something to eat at the submarine shop located at 51st and Racine. [REDACTED] related that he ordered some food and then left and had no knowledge of this incident but heard about it the following day from fellow gang members. R/Det's then confronted [REDACTED] with portions of witness and co-offender statements. DAY then offered this version of the events surrounding this murder. [REDACTED] related that while at the Submarine Shop, he observed the "Mexican Guy" (victim) pull up in front driving a station wagon. The victim entered the Submarine Store and ordered his food. [REDACTED] then told another gang member [REDACTED] to go and get the gun that was hidden at 53rd and [REDACTED] St. where they sold their dope. [REDACTED] then told [REDACTED] to bring the gun to him so that he and [REDACTED] could rob the victim. He then went on to say that [REDACTED] then left and got the gun and that [REDACTED] gave him ([REDACTED] the gun. [REDACTED] then stated that he gave the gun to [REDACTED] (ROBINSON, Gus). [REDACTED] then related that the victim walked out of the sub shop and that [REDACTED] and he walked up to the victim and accosted him, stating "This is a stick-up". [REDACTED] then added that he then ran from the scene back to 53rd and [REDACTED] St.

The R/Ds then had occasion to relate to [REDACTED] the status of the investigation and in particular the discrepancies between his account of this incident and the other accounts given by the co-offender and the witness. At that time [REDACTED] stated that he had not been entirely truthful with the R/Ds and that he now wanted to tell the R/Ds the truth. [REDACTED] then went on to say that he was in the sub shop and that while he was waiting for his order he saw the "Mexican guy" (Victim) enter the shop. He then stated that he then observed that the victim had a lot of money on him. He stated that he saw the money when the victim paid for his food. He then stated that the victim not only had a lot of money but that he also was wearing a lot of expensive jewelry. [REDACTED] then stated that he decided that he was going to rob the victim. [REDACTED] stated that he then went and got the gun that was used for the protection of the dope business at 53rd and Aberdeen. He then returned to the sub shop armed with a .380 cal. auto pistol. [REDACTED] then stated that the victim was then exiting the sub shop and at that time he ([REDACTED] stopped the victim and announced the robbery, stating "This is a stick-up." [REDACTED] then went on to say that the victim ignored him and continued to walk to his car. [REDACTED] then went on to say that he then followed the victim to his car where he shot the victim two or three times as the victim sat in his own car. [REDACTED] then went on to say that at no time did he see the victim armed with any kind of weapon. [REDACTED] then went on to say that he then fled from the scene and returned to the dope business at 53rd and [REDACTED] St.. A.S.A. Danielian of the Felony Review Unit then was notified and responded to A/3. He then interviewed [REDACTED] and at that time [REDACTED] related basically the same set of facts as reported above. He then reduced that statement to a handwritten statement which [REDACTED] then read, corrected and signed. ASA Danielian then recommended that [REDACTED] be charged with 1st Degree Murder. As a result of the above stated facts and the arrest and charging of [REDACTED] in this incident the R/Ds request that this case be CLEARED by ARREST and CLOSED.

VICTIM'S CON'T:

4916 S Racine. Victim was pronounced deceased at the scene by M.E. Investigator ORTIZ, #48. Apparent cause of death was blows to the head and possible strangulation.

#3: [REDACTED] M/B/60, [REDACTED]
Subject discovered alive at subject building and was brought by ambulance #1 to Mercy Hospital where he is in serious condition with smoke inhalation and could not be properly interviewed at this time.

INCIDENT:

Homicide/Murder/Agg Arson investigation in that unknown offender(s) entered victim's residence which is a one story brick single family home and killed victim's #1 and #2. Offender(s) then attempted to conceal the crime by igniting two fires with the subject building.

CAUSE & ORIGIN:

Examination of the scene revealed two separate and distinct points of origin with no communication what-so-ever between the two points. Point of origin #1 was in the approximate middle of the kitchen floor. Here it appears that available materials, paper, rubbish and other combustibles were placed on the floor and doused with a flammable liquid and ignited with an open flame. Point of origin #2 was in the hallway between the kitchen and the front living room at floor level where the body of Victim #1 was found. Apparently a flammable liquid was poured on the body of victim #1 and then a trail of a flammable liquid was poured from that point to the front entrance door and ignited with an open flame. The subject building was found locked and R/D observed that the kitchen oven was on at 300% possibly for heat within the house indicating the subject building was closed off from outside air. It appears that the fire consuming oxygen brought the oxygen/air content below 15% creating an atmosphere unable to sustain open flame. Additionally since the fire did not go back into the free burning stage upon the introduction of oxygen at discovery of the fire when the door was opened, it appears that the fire occurred a substantial time prior to it's discovery giving the smoldering combustibles and heated gases sufficient time to cool.

DAMAGE:

Minimal in that the fires were primarily contained to the points of origin with soot damage throughout the 1st floor of the subject building.

FIRE/POLICE NOTIFIED BY:

CUNNINGHAM, Chandra; F/B/22
6602 S Perry. ph# 487-6299

EXAMINATION OF GAS &
ELECTRICAL OUTLETS:

Neither a factor in this fire.

MOTIVE:

Apparently to cover-up evidence of the homicides.

INVESTIGATION:

R/D was assigned this case as an immediate response in that there were two deceased individuals and one individual at Mercy Hospital from a fire located at 4916 S Racine.

R/D responded to the scene and met with Sgt O'DONNELL and Det SHERWIN both of the Bomb & Arson Section who assisted R/D at the scene and in processing the scene. R/D was informed by Det HANSEN and Det BRESNAHAN of Area 1/Violent Crimes that this case was a double homicide in that apparently Victim #1 and Victim #2 were killed prior to the fire and that attempts to interview victim #3 at Mercy Hospital met with negative results at this time. It was noted that victim#3 was in serious condition from smoke inhalation.

R/D with assistance from Det SHERWIN processed the scene by conducting a cause and origin which determined that this fire was intentionally set, collected evidence and photographed the scene as did E.T. SANDERS and E.T. BRUMFIELD of the Crime Lab.

R/D interviewed Chandra CUNNINGHAM, the granddaughter of victim #2, related to R/D, in summary, that the Reverend from her grandmother's came to her home and informed her that he was concerned about her grandmother because she was not at church today. Ms CUNNINGHAM, James BURGESS, and Chandra METHENE, went to the victims' home and unlocked the front door and discovered the extinguished fire and the victims.

The aggravated arson case is reported under

RD# T 495-345.

This is a Bomb & Arson Section CAUSE & ORIGIN REPORT further follow-up investigation is under the purview of Area 1/Violent Crimes personnel.

INVESTIGATION:

The reporting detectives responded to a simulcast of three bodies at [REDACTED] Racine. The R/Ds responded immediately to the scene which is a single family brick residence. Victim #3 was being transported from the house into CFD Amb. 11 and numerous 9th District and Chicago Fire Dept. personnel were on the scene.

To the north of the house are railroad tracks and to the south is a vacant lot. There is a red '91 Buick Century, VIN#3G4AH14N1MS610167 parked in this lot facing east, which is registered to Victim #1. The residence is accessed

from the Racine side. There is a concrete porch leading to the entranceway which is secured by a screen door, a burglar gate and the interior wood door. There are no signs of forced entry.

Immediately inside the house is the living room. Everything is covered with soot and there is an odor of a fire. There is a can labeled gasoline on the floor and a burn pattern on the carpet which runs from the door to a body which is lying in the hallway which separates the living room from the kitchen. This hallway runs to the rear of the house and all bedrooms and the bathroom. The body (Victim #1) is face down with his head facing east and his feet facing west. The body is extremely charred and most of his clothes have been burned off. Both of his arms are bent forward on each side and the hands are pointed towards the head. There is apparent blunt trauma to his head and blood is visible on the top of his head. Upon processing the scene, the body was examined and underneath the body is a pool of blood. The lower portion of the body from the middle of the stomach to the upper legs has been badly burned. Change is on the floor underneath where his pants pocket would have been.

There is a couch to the east, adjacent to the Victim's head. There is a broken brass in color electric lamp lying on the couch (see EVIDENCE section). There is a frying pan in the hallway near the left shoulder of the body (see EVIDENCE section).

By stepping over the body access may be gained to the kitchen where approx. five feet west of the body of Victim [REDACTED] is a second burn pattern on the floor. There is a two prong fork with a wooden handle near the burn residue (see EVIDENCE section). One of the prongs are bent backwards. The forks is approx. twelve inches overall in length. There is a frying pan handle and amongst the burn residue (see EVIDENCE section). Near the refrigerator is a broken knife blade (see EVIDENCE section).

On the south side of the house with access from the kitchen is a bedroom with a bed, two chairs and a dresser. There is soot throughout the room (it was learned that this was the room formerly occupied by [REDACTED] the subject wanted for questioning in this matter). Further west down the hallway is a second bedroom. It was learned that this was where Victim [REDACTED] was found.

Further east down the hallway is a third bedroom. The body of Victim [REDACTED] is lying face down between and ironing board and the bed. Her head is to the south

and her feet to the north. Her right arm is raised, bent at the elbow and her hand is face down on the back of her head. There is blood on the top of her head. She is wearing a skirt and blouse. An iron was found on her back (see EVIDENCE section). The iron is facing northeast. There is blood on the tip of the iron. Upon processing the scene, the body was examined and it appears as though her face is disfigured. There is a telephone received with the cord wrapped around her neck (see EVIDENCE section).

There is a bathroom across the hall from the bedroom of Victim [REDACTED]. Further west through the hallway is access to a stairwell which leads to the rear door and a basement. The rear door is accessible from the ground-level rear north side of the house. The inner rear door is wooden and upon the R/D's arrival was open. The exterior door is a burglar type gate with plexiglass across the bars. It is locked and can only be opened with a key. There are no signs of any forced entry at the rear door or in the unfinished basement. At the rear of the house is the bedroom of Victim [REDACTED].

All windows in the house are locked. The house appears to be intact and nothing appears to have been ransacked. It should be noted that the oven was found in the on position (warm) with the temperature set at 300 degrees.

[REDACTED] Victim #3, was interviewed. He is a double amputee (legs) and appears to be disoriented. He will be the subject of a future interview.

[REDACTED] was interviewed on the scene and at Area One Violent Crimes. She related that she is the granddaughter of Victim [REDACTED] is the sister-in-law of Victim [REDACTED] moved in to the house after [REDACTED] wife passed away in order to help take care of the house. She related that [REDACTED] and [REDACTED] are brothers.

Chandra received a call from the Pastor of her grandmother's church. He indicated that her grandmother was not at their church which was at 1400 hours on this date. Church members had knocked on the door and telephoned the residence without receiving a response. The pastor, his wife, [REDACTED] accompanied [REDACTED] a to the residence to check on the occupants. Chandra had keys to the residence. She noted that the burglar gate was unlocked. She said that this gate was always locked. She unlocked the front door and found the Victims.

She stated that [REDACTED] grand-

He had stolen [REDACTED] car and was always demanding money from the victims. He had been thrown out of the house recently because he was selling drugs out of the basement. An IR photograph of [REDACTED] was obtained and identified by Chandra.

She told the pastor and accompanied the granddaughter to check on BIVENS.

Rev. [REDACTED] and [REDACTED] were interviewed on the scene. They related that they were notified that there was no response at [REDACTED] door. They called the granddaughter, [REDACTED], and went with her to the house when the bodies were found. Rev. Packer related that he was aware of problems with the grand-nephew who had resided with them.

[REDACTED] was interviewed on the scene and at Area One. He related that he is a nephew of [REDACTED] and accompanied [REDACTED] to the house to check on them when the bodies were found.

[REDACTED] was interviewed on the scene and at Area One. She related that she is [REDACTED]'s sister and she accompanied [REDACTED] to the house to check on her grandmother.

[REDACTED] arrived at Area One Violent Crimes and was interviewed. She related that she is a friend of [REDACTED]. She heard about the incident on the news. About three weeks ago [REDACTED] told her that [REDACTED] had come over a few days prior. [REDACTED] had asked him if he could move back in. [REDACTED] told him he could not stay because of the drugs he was selling. She was calling [REDACTED] from 0830-0900 on 18 OCT 92 and received no response.

During the course of this investigation, on 21 October 1992, the R/Ds accompanied by ASA Lambur and ASA Zolazo returned to the above scene which was sealed by a coroner's seal. The seal was intact and the R/Ds were able to obtain entry by use of the key which had been retained by the R/Ds with the consent of the victims' family.

Once inside the residence, R/Ds and the Assistant States Attorneys were able to locate the above items of evidentiary value which became apparent during the course of this investigation. The R/Ds remained at the scene until Crime Lab personnel arrived who photographed and inventoried the above items.

[REDACTED] Once there the R/D's discovered that [REDACTED] and his girlfriend, now known as [REDACTED] had moved out of room 21 at [REDACTED]. R/D's discovered in a garbage pail located outside of room 21 three pieces of paper which were subsequently inventoried as described in the format under inventory #1048574. Said pieces of paper consisted of a handwritten note addressed to "Brother Sultan Kardeen", a handwritten piece of paper which had inscribed the birthdate and social security number of victim [REDACTED] and a job application form for Remco with [REDACTED] as the applicant and Virgil [REDACTED] ([REDACTED] father) listed as the reference.

In an attempt to locate [REDACTED] and [REDACTED] R/D's contacted Virgil [REDACTED]. He was informed of the nature of the investigation and advised that the R/D's were seeking to interview [REDACTED] and his daughter [REDACTED]. A business card was left with Virgil [REDACTED].

[REDACTED] contacted this office and was subsequently interviewed by the R/D's. After advising [REDACTED] of her Miranda rights to which she related that she understood and waived, she related the following in essence but not verbatim; she met [REDACTED] in April of this year and is presently pregnant with his child. She knows [REDACTED] to be a Mickey Cobra street gang member with the rank of "Sultan" and he is also called "Kardeen" and [REDACTED] related that [REDACTED] had lived with the victims [REDACTED] and [REDACTED] until April of this year. He, Lookout and ██████████ got out of the auto to make sure that everything was clear. ██████████ remained in the Blazer. MARTIN met up with Prince Money who told him to take ██████████ up to the 15th floor. Prince Money told him that apartment 1508 would be open and that ██████████ could hide there. ██████████ related that he then got ██████████ out of the Blazer and that he, ██████████ and Lookout rode the elevator up to the 15th floor. The door to 1508 was open. ██████████ further related that ██████████ asked him for some money. ██████████ gave him \$10.00. ██████████ then asked ██████████ to get him more money and ██████████ said that he would. ██████████ and Lookout then left the building. ██████████ related that he tried to get more money for ██████████ and that he had not seen ██████████ again.

On Monday 19 Oct 92 the R/D's attempted to locate ██████████ at 5326 S. State in apartment

The R/D's subsequently learned from ██████████ and Maurice ██████████ that ██████████ was in fact in apartment 1508 and had been moved to 1504 after this first attempt to locate him. On Tuesday 20 Oct 92 at 0930 hours the R/D's, assisted by Gang Crime South personnel went to 5326 S. State in another attempt to locate ██████████. After being allowed entry into 1504 by occupant Alfred "Kenny" ██████████ the R/D's observed ██████████ attempting to flee the residence by crawling through a hole which had been knocked out of the wall leading into apartment 1505. ██████████ had fled through the hole into apartment 1505 with the A/O's in pursuit. 0-26 SMITH was apprehended in apartment 1505. ██████████ was taken into custody, read his Miranda rights and transported into ALVC.

The following is in essence but not verbatim a summary statement taken of the above named person relative to allegation(s) of misconduct by a Chicago Police Department member.

[REDACTED] said he reads and writes English and demonstrated that by reading, "Independent Police Review Authority" at the top of this page.

[REDACTED] read over the letter he wrote to the Office of Professional Standards, dated 28 June 06, and said he stands by the accuracy of the information in the letter, which is a summary. The letter is Attachment #9. [REDACTED] said he did not receive medical treatment on 20-22 Oct 92 even though he had bruises on his forehead, which he described as "red spots" that resulted from being physically mistreated while in the custody of the Chicago Police Department. [REDACTED] said he did not ask for medical treatment while at Area 1 on 20-22 Oct 92. He was given psychiatric treatment at Cook County Jail after he was transported there from Area 1. While he was at court at 26th and California, in Branch 66, possibly before Judge "Baston," [REDACTED] lawyer, a female public defender, told the judge that [REDACTED] had been beaten up by Chicago police. The judge ordered [REDACTED] to be photographed by Jail personnel during processing at County Jail.

[REDACTED] said he does not know if those photos were in his CR file 208498. The photos showed [REDACTED] face with bruises on his face. Hair was pulled out from [REDACTED] two braids by the accused detectives. The photos show the two braids and how they were pulled on by the detectives while [REDACTED] was handcuffed to a ring by his right arm. The detectives were asking [REDACTED] about the murders he was eventually charged with when his braids were being pulled. Detective Halloran did the pulling on [REDACTED] braids. [REDACTED] wants CR#208498 re-opened. His letter, Attachment #9, includes additional allegations that were not included in CR#208498.

[REDACTED] looked at three photo arrays of officers. He identified photo #4 on Array 3 as Detective Halloran. [REDACTED] described Det. Halloran as male/white, 5 feet 10 inches tall, clean-shaven, mid-30s, no glasses. [REDACTED] who said he, [REDACTED] is 5 feet 8 inches tall, approximately, said Detective "Foley" is male/white, as tall as 6 feet or slightly taller, slim, with a heavy brown moustache and heavy eyebrows, no glasses, in his 40s. [REDACTED] said Det. Boudreau is male/white, with brown hair, five feet eight inches to five feet 9 inches tall, middle 30s, no glasses, clean-shaven. Detective O'Brien is male/white, 6 feet tall or slightly taller, about 280 pounds, clean-shaven, no glasses, mid-40s or early 50's. All four detectives wore

shirts and ties. [REDACTED] said he did not recognize Foley in the three photo arrays, partly because none of the officers in the arrays had moustaches. [REDACTED] said it was difficult to identify Foley because none of the photos included an officer with a moustache.

[REDACTED] said that after he was arrested on 20 Oct 92 at the [REDACTED] Homes, he was handcuffed behind his back and placed in the back seat of an unmarked car. Two male/white detectives were in the back seat, one on each side of him. During his transport to Area 1 at 51st Street, one of the detectives in the back seat (Officer #1) slapped [REDACTED] once on the mouth after [REDACTED] said he did not know anything about the murders. [REDACTED] was not given the Miranda warning in the car or at the time of his arrest at [REDACTED] Homes. He was eventually given the Miranda warning at Area 1. Detective Halloran slapped [REDACTED] once on the face with his open hand while [REDACTED] was in the squad car. Det. Halloran (Officer #2) might have been sitting in the front seat of the squad car. Officer #1 was male/white, in his 50s, with glasses, and a suit and tie. Officer #1 was not in the three photo arrays. Det. Boudreau was in the squad car and told [REDACTED] that a "new sheriff" was in town, that he and the other detectives had moved from 39th and California to Area 1 on 51st Street. Det. Foley might have been driving the squad car. [REDACTED] was not sure if he was injured by either slap, but did feel pain when he was slapped.

After arriving at Area 1, [REDACTED] was placed in an interview room on the second floor. He was not sure which interview room it was, but as he entered the room, the bench and ring was to his left. [REDACTED] was handcuffed to the ring with his right hand by Detective Boudreau. The interview room was the first or second room on the right as he entered the second floor Area headquarters.

[REDACTED] said Det. Foley came into the room with a pad of paper and asked if he would give a statement. [REDACTED] refused to give a statement and Det. Foley left. Det. Halloran and Officer #1 entered the room. Halloran asked [REDACTED] questions about the murders and [REDACTED] denied knowledge of the murders. Halloran told [REDACTED] the police had his pregnant girlfriend, [REDACTED] at the Area and that unless he cooperated in the investigation, [REDACTED] could be charged in the murders. Halloran and Officer #1 yelled at [REDACTED] that he, [REDACTED] would tell them about the murders. [REDACTED] said he would not answer questions. Officer #1 said [REDACTED] would answer questions either at the Area or at the hospital. After Officer #1 and Det. Halloran asked [REDACTED] more questions and he would not answer them, Officer #1 slapped the left side of [REDACTED] head with an open hand. Det. Halloran was standing nearby and witnessed the slap. Det. Halloran said that he was not playing "games" with [REDACTED]

[REDACTED] said Officer #1 then kicked him on the sides of his legs below the knee. Det. Boudreau came to the interview room door and said he wanted to talk to [REDACTED] because Boudreau had talked to [REDACTED] in the past about a previous case. [REDACTED] did know Boudreau, but did not know Halloran or Det. O'Brien. [REDACTED] did not know Officer #1, whom he now thinks might be "Detective Clancy." (male/white, 5' 7"-5'8", 260-270 pounds, white hair that was stringy, maybe with a thin or receding hairline, possibly with glasses, mid 40's-or 50's).

[REDACTED] continued that Det. Boudreau asked him about the murders. [REDACTED] said he did not know what happened and denied involvement in the murders of [REDACTED] aunt, and [REDACTED] grandfather. Det. Boudreau said he would find out what happened regarding the murders and told [REDACTED] if he did not talk, he, Boudreau, would "bring the crazy bastard" back to the interview room. [REDACTED] understood "crazy bastard" to be either Halloran or Officer #1, since they had hit him. Boudreau told [REDACTED] he could help him avoid a premeditated murder charge if he cooperated. The crime scene did not have signs of forced entry, Boudreau said, and so it, the crime, did not appear pre-meditated. Det. Boudreau left the room and returned. Boudreau asked [REDACTED] if he knew if [REDACTED] was at the Area, that she was crying and hurting and wanted to go home and that she could if [REDACTED] told the detectives what had happened and if the two persons were killed in self-defense. [REDACTED] refused to answer questions. Boudreau left, saying he would talk to his partner. Boudreau returned to the room with Detective Halloran

and Officer #1. Officer #1 asked [REDACTED] if he was ready to talk, but [REDACTED] might have said "no" or possibly nothing at all. Officer #1 grabbed [REDACTED] collar and [REDACTED] grabbed Officer #1's hand that held [REDACTED] collar. Detective Halloran grabbed [REDACTED] and forced his head down while Officer #1 punched him about the body, on his shoulders and back and his sides. ([REDACTED] did not see Officer #1 again after that incident.) Halloran let [REDACTED] head go. Boudreau was not in the room when Halloran held down [REDACTED] head. Halloran left the room.

[REDACTED] said Boudreau came back into the room and asked [REDACTED] if he wanted to see [REDACTED] go to jail and lose his baby. Boudreau told [REDACTED] details of the crime scene. Det. Halloran returned to the room and grabbed [REDACTED] hand and pushed it against a wall. Boudreau threw [REDACTED] shoes, cigarettes and lighter into a corner of the room. Halloran and Boudreau left.

[REDACTED] said that Boudreau came back and asked him more questions about if he loved [REDACTED] and did he want her to go to jail? Boudreau said he knew of a "cop" who killed his wife and Boudreau helped that cop and could also help [REDACTED]. Det. Halloran entered the room again and told [REDACTED] that he, [REDACTED] would "talk" by choice or by force, and that [REDACTED] would talk or be in "deep shit." Halloran pounded the top of [REDACTED] head with his fist. Boudreau told [REDACTED] he wanted him to talk to the assistant state's attorney about the crime, that [REDACTED] could tell the ASA that the deaths were unintentional and resulted from a fight and were "spur of the moment." Boudreau said he could help [REDACTED] or he would be charged with murder.

[REDACTED] continued that ASA Rosenbloom then spoke to him and gave him the Miranda warning. ([REDACTED] described Rosenbloom as male/white, about 5 feet 8 inches tall, with dark hair, and was stocky, with glasses). Rosenbloom asked if [REDACTED] would give a statement but [REDACTED] said he would not and wanted a lawyer. Rosenbloom asked questions about the crimes, but [REDACTED] said he did not know what happened at the crime scene. [REDACTED] did not answer Rosenbloom's questions.

Rosenbloom asked [REDACTED] that if he did not know about the crimes, why did he need a lawyer? [REDACTED] said he wanted a lawyer because he was tired of being slapped around, punched, kicked and yelled at by the detectives. [REDACTED] wanted his clothing back. Rosenbloom left the room.

Det. Halloran came back into the room and asked [REDACTED] if he thought the detectives were fuckin' stupid and would get him a lawyer. Halloran said the police had [REDACTED] "bitch" and there were witnesses who placed [REDACTED] at the crime scene. Halloran punched and kicked [REDACTED] about his body. Halloran left the room. Rosenbloom returned to the room and asked if [REDACTED] was ready to give a statement. [REDACTED] told Rosenbloom he had nothing to say. Rosenbloom knew [REDACTED] was on parole for robbery and said if [REDACTED] cooperated, Rosenbloom could help him get a charge less than murder. Rosenbloom said [REDACTED] could quit trying to be quiet, it was up to [REDACTED] whether [REDACTED] would be charged with the murders. Rosenbloom left the room.

[REDACTED] said Halloran and Boudreau re-entered the room and asked him if he talked to the ASA. [REDACTED] said, "No." Boudreau asked why [REDACTED] was continuing to carry on and not cooperate, that Boudreau could help him (Boudreau told [REDACTED] that the charge could be manslaughter or self-defense). [REDACTED] told Boudreau to "get the fuck" out of [REDACTED] face. Halloran grabbed [REDACTED] hair and pulled on it, head down between knees. [REDACTED] told Halloran to let his hair go. Halloran told him he would not let his hair go until he talked. [REDACTED] asked again for a lawyer. Halloran left the room. Boudreau tried to talk to [REDACTED] again, telling him that if he doesn't cooperate and admit to the killings, he could be charged with murder and [REDACTED] could be charged with murder. Boudreau left the room and returned with a pink paper. Boudreau said the paper showed that [REDACTED] gym shoes had blood on them. Boudreau left and came back and asked if he would make a statement so everybody could go home. [REDACTED] refused. Halloran told Boudreau to book [REDACTED]

[REDACTED] said that some time on 21 Oct 92, Det. Boudreau came in and unhandcuffed him and led him out to the lockup downstairs. Boudreau shoved [REDACTED] head. He went through processing. A short time later, [REDACTED] was removed from lockup and taken to the second floor again, where he was put in a lineup and told by Boudreau and Halloran that he was identified by someone as having been seen leaving the crime scene. [REDACTED] was asked to make a statement but declined. [REDACTED] was placed in lockup again. At some time on 21 Oct 92, the lockup officer (turnkey) told [REDACTED] he was wanted on the second floor again, but [REDACTED] refused to go. Boudreau came to the lockup and told [REDACTED] the detectives had a lawyer he requested. [REDACTED] was taken to the second floor and handcuffed to a chair in possibly the same interview room. A female/white named "Lamber" asked [REDACTED] questions about the crime but did not say she was an ASA. Lamber then said she was an ASA but [REDACTED] should not be afraid to talk to her, that she could help him. [REDACTED] said he did not know anything about the crimes. [REDACTED] yelled out that he had nothing to say and did not know why they kept asking him the same stuff. [REDACTED] said he had nothing to say to "this bitch," Lamber. Boudreau grabbed [REDACTED] neck and the chair and dragged the chair to another room. Boudreau told [REDACTED] not to disrespect Lamber. Boudreau said that [REDACTED] faced the death penalty and he, Boudreau, "got him." Boudreau unhandcuffed [REDACTED] and took him to an interview room, where Boudreau pointed to two males, Leo [REDACTED] and Clinton [REDACTED] through a glass window. Boudreau took [REDACTED] back to an interview room and cuffed him to a ring. Boudreau said the two males were blaming [REDACTED] for the two killings. Boudreau said he was trying to help [REDACTED] by making the killings self-defense. Boudreau left/returned with a roll of undeveloped film of [REDACTED] and [REDACTED] saying their at the ATM. Afterwards, Boudreau showed photos of the 2 victims to [REDACTED] and said he had to give a statement. Boudreau fed [REDACTED] information about the two victims, which [REDACTED] stated out loud. Subsequently a court reporter was outside the interview room and apparently took down [REDACTED] comments as a confession, which [REDACTED] signed. [REDACTED] said he felt coerced to sign the confession because the detectives told him it was the only way to help himself and because [REDACTED] feared that he would be beaten up more by the detectives standing by threatening him, who wanted him to sign the confession. [REDACTED] said the confession is false and was coerced. [REDACTED] said [REDACTED] was actually killed in a separate room from where he said in his confession [REDACTED] was killed and she was actually strangled, which he did not mention in his "confession." Biven was found with a phone cord around her neck (no in statement). Also, in his confession, [REDACTED] said he had attacked his uncle, [REDACTED] but in reality, based on court testimony, [REDACTED] was not attacked during the time the killings occurred.

[REDACTED] said before he signed the typewritten confession, ASA Lamber had written an alibi statement that included what [REDACTED] had told her about what he had done on the date of the killings. [REDACTED] had told Lamber that he stayed at his home on Bishop all day on the day of the killings, leaving only to go to the store and not to the scene of the crime. [REDACTED] told Lamber that he agreed with the statement she originally took from him, but not the confession, which he did not read before signing it. [REDACTED] said that after he told Lamber his alibi statement, Halloran came into the room and asked him why [REDACTED] had told Lamber that "bullshit" and that he did not believe it. Halloran then grabbed his hair. Lambert left the room. [REDACTED] grabbed Halloran's leg when he grabbed his hair. Boudreau then called for O'Brien.

Det. O'Brien punched him and pulled on his fingers and called him a "motherfucker" and said, "God damn it," that [REDACTED] would talk. Lambert returned to the room. [REDACTED] refused to talk. Lamber left. Halloran and O'Brien punching [REDACTED] and Halloran pulled his fingers and were yelling that he would talk. [REDACTED] said he repeated information Boudreau had told him, including that the person who went to the victims' house had gone there at "7:43" and [REDACTED] included that time in his confession. [REDACTED] said he signed the confession in the wrong place on the last page of the document.

[REDACTED] said [REDACTED] saw his hair in disarray at Area 1. [REDACTED] had braided [REDACTED] hair on the 18th or 19th of October '92. [REDACTED] lives in Illinois. Rodney [REDACTED] was at Area 1 being questioned by the detectives about the same killings. [REDACTED] said [REDACTED] heard detectives yelling at him ([REDACTED] while [REDACTED] was at Area 1.

[REDACTED] was a member of the Mickey Cobras at the time of the incident, the killings, but he was "violated" out of the gang in 1996 at Pontiac Correctional Center by being stabbed 12 times. [REDACTED] does not have a lawsuit pending now regarding his conviction. He filed a suit in 1993 or 1994 against Boudreau, but the judge ruled that the suit, in federal court, could be re-filed if [REDACTED] conviction was overturned.

In addition, [REDACTED] said Boudreau asked him if he was fighting over a knife in the killing incident because a broken knife was found at the scene.

[REDACTED] said that this account of the abuse he was subjected to is a summary, and the abusive incidents occurred during two days, Oct 20 and 21, 1992. He is unsure of the times of when the abusive incidents occurred because he did not have a watch with him and he did not see a clock at Area 1.

[REDACTED] said page 7 of his letter to IPRA (OPS), in Attachment #9, references perjury by Det. Halloran. [REDACTED] said that Det. Halloran, at a suppression hearing at 26th and California Criminal Court, testified that he, Halloran, never talked to [REDACTED] after 8 p.m. on 21 Oct 92, and that the last time he saw [REDACTED] was on 22 Oct 92, early in the morning, when he, Halloran, led [REDACTED] to the lockup at Area 1 (downstairs). [REDACTED] said he was beaten by Halloran between 8 p.m. on 21 Oct 92 and midnight on 21 Oct 92 at Area 1. [REDACTED] said Det. Halloran, at [REDACTED] trial, testified that he, [REDACTED] confessed to Halloran between 8 p.m. and early morning on 22 Oct 92 and he sent midnight watch office to retrieve evidence.

[REDACTED] said Boudreau talked to him at Area 1 at least six times, even though Boudreau testified that he talked only twice to [REDACTED] at pre trial.

[REDACTED] said he wrote the letter, Attachment #9.

The following is in essence but not verbatim a summary statement taken of the above named person relative to allegation(s) of misconduct by a Chicago Police Department member.

Mr. Smith said he reads and writes English and demonstrates that by reading, "Independent Police Review Authority," at the top of this page.

Mr. Smith read over the letter he wrote to the Office of Professional Standards, dated 28 June 06, and said he stands by the accuracy of the information in the letter, ^{which is a summary,} The letter is Attachment #9. Smith said he did not receive medical treatment on 20-22 Oct 92 even though he had bruises on his forehead which he described as "red spots" that resulted from being physically mistreated while in the custody of the Chicago Police Department. Smith said he did not ask for medical treatment while at Area 1 on 20-22 Oct 92. He was given psychiatric treatment at Cook County Jail after he was transported there from Area 1. While he was at court

at 26th and California, in Branch 66, possibly before Judge "Basson," Smith's lawyer, a female public defender, told the judge that Smith had been beaten by Chicago police. The judge ordered Smith to be photographed by jail personnel during processing at County Jail.

Smith said he does not know if those photos were in his CR file 208498. The photos showed Smith's face with bruises on his face. Hair was pulled out from Smith's two braids by the accused detectives. The photos show the two braids and how they were pulled on by the detectives while Smith was handcuffed to a ring by his right arm. The detectives were asking Smith about the murders he was eventually charged with when his braids were being pulled. Detective Halloran did the pulling on Smith's braids. Smith wants CR # 208498 re-opened.

His letter, Attachment # 9, includes additional allegations that were not included in CR # 208498.

Smith looked at three photo arrays of officers. He identified photo #4 on Array 3 as Detective Halloran. Smith describes Det Halloran as male/white, 5 feet 10 inches tall, clean shaven, mid-30s, no glasses. Smith, who said he is 5 feet 8 inches tall, approximately, said Detective 'Foley' is male/white, as tall as 6 feet or a slightly taller, slim, with a heavy brown

mustache and heavy eyebrows, no glasses, in his 40s. Smith said Det. Boudreau is male/white, with brown hair, five feet eight inches to five feet 9 inches tall, middle 30s, no glasses, clean-shaven. Detective O'Brien is male/white, 6 feet tall or slightly taller, about 280 pounds, clean-shaven, no glasses, mid-40s or early 50's. All four detectives wore shirts and ties. Smith said he did not recognize Foley or Boudreau in the three photo arrays partly because none of the officers in the arrays had mustaches. Smith said it was difficult to identify Foley because none of the photos included an officer with a mustache.

Smith said that after he was arrested on 20 Oct 92 at the Robert Taylor Home, he was handcuffed behind his back and placed in the back seat of an unmarked car. Two male/white detectives were in the back seat, one on each side of him. During his transport to Area 1 at 5th Street, one of the detectives in the back seat (Officer #1) slapped Smith once on the mouth after Smith said he did not know anything about the murders. Smith was not given the Miranda warning in the car or at the time of his arrest at Taylor Home. He was eventually given the Miranda warning at Area 1. Detective Halloran slapped Smith once on the face with his open hand while Smith was in the

squad car. Det. Halloran (Officer #2) might have been sitting in the front seat of the squad car. Officer #1 was male/white, in his 50s, with glasses, and a mustache and hair. Officer #1 was also the three photo array. Det. Bondreau was in the squad car and told Smith that a "new sheriff" was in town, that he and the other detective had moved from 39th and California to Area 1 on 51st street. Det. Foley might have been driving the squad car. Smith was not sure if he was injured by either slap, but did feel pain when he was slapped.

After arriving at Area 1, Smith was placed in an interview room on the second floor. He was not sure which interview room it was, but as he entered the room, the bench and ring was to his left. Smith was handcuffed to the ring with his right hand ^{by Detective Bondreau.} (R) (S) The interview room was the ^{first} second room on the right as he entered the second floor area Headquarters.

Smith said Det. Foley came into the room with a pad of paper and asked if ^{he} would give a statement. Smith refused to give a statement and Det. Foley left. Det. Halloran and Officer #1 entered the room. Halloran asked Smith questions about the murder and Smith denied knowledge of the murder. Halloran told Smith the police had his pregnant girlfriend, Raven Tate, at the area and that unless he cooperated in the investigation, Tate could be charged.

in the murder. ^{and Officer #1} Halloran ^(CS) yelled at Smith that he, Smith, would tell ^{then (PU)} Halloran about the murder. Smith said he would not answer questions. ^{Officer #1 (PU) (CS)} Halloran said Smith would answer questions either at the area or at the hospital. After Officer #1 and Det. Halloran asked Smith more questions and he would not answer them, Officer #1 slapped the left side of Smith's head with an open hand. Det. Halloran was standing nearby and witnessed the slap. Det. Halloran said that he was not playing "games" with Smith.

Smith said Officer #1 then kicked him on the riding his legs below the knee. Det. Boudreau came to the interview room door and said he wanted to talk to Smith because Boudreau had talked to Smith in the past about a previous case. Smith did know Boudreau, but did not know Halloran or Det. O'Brien. Smith did not know Officer #1, whom he now thinks might be "Detective Clancy." (Male/White, 5'7" - 5'8", 260-270 pounds, white hair that was stringy, ^{or thin} maybe with a receding hairline, possibly with glasses, mid 40's - or 50's).

Smith continued that Det. Boudreau asked him about the murder. Smith said he did not know what happened and denied involvement in the murder of Ruby Boudreau, Smith's aunt, and ^{Miller} ~~Hunter~~ Thiner, Smith's grandfather. Det. Boudreau said he would find out what happened regarding the murder and told Smith if he did not talk, he, Boudreau, would "bring" the

returned to the room and grabbed Smith's head and pushed it against a wall. Bondreau threw Smith's shoes, cigarettes and lighter into a corner of the room. Halloran and Bondreau left.

Smith said that Bondreau came back and asked him more questions about if he loved Tate and ^{did he} ~~wanted~~ wanted her to go to jail?

Bondreau said he knew of a "cop" who killed his wife and Bondreau helped that cop and would also help Smith. Det Halloran entered the room again and told Smith that he, Smith, would "talk" by choice or by force, and that Smith would talk or be a "deep shit." Halloran pummed the top of Smith's head with his fist.

Bondreau told Smith he wanted him to talk to the assistant state's attorney about the crime, that Smith could tell the ASA that the deaths were unintentional and resulted from a fight and were "spur of the moment." Bondreau said he could help Smith or he would be charged with murder.

Smith continued that ASA Rosenbloom then spoke to him and gave him the Miranda warning. (Smith described Rosenbloom as male/white, about 5 feet 8 inches tall, with dark hair, and was stocky, with glasses). Rosenbloom asked if Smith would give a statement but Smith said he would not and wanted a lawyer. Rosenbloom asked questions about the crime, but Smith said he did not know what happened at the crime scene.

Smith did not answer Rosenbloom's questions.

Rosenblum asked Smith that if he did not know about the creature, why did he need a lawyer? Smith said he wanted a lawyer because he was tired of being ^{punched/kicked and yelled at - (CS)} slapped around by the detectives. Smith removed his clothing back. Rosenblum left the room.

Det. Halloran came back into the room and asked Smith if he thought the detectives ^{Fuck you} were ^{were} fit and would get him a lawyer. Halloran said the police had Smith's "bitch" and there were witnesses who placed Smith at the crime scene. Halloran punched and kicked Smith about his body. Halloran left the room. Rosenblum returned to the room and asked if Smith was ready to give a statement. Smith told Rosenblum he had nothing to say. Rosenblum knew Smith was a parole for robbery and said if Smith cooperated, ~~Rosenblum~~ Rosenblum could help him get a charge less than murder. Rosenblum said ^{Smith could quit trying to be quit.} it was up to Smith whether Tate would be charged with the murders. Rosenblum left the room. (CS)

Smith said Halloran and Rosenblum re-entered the room and asked him if he talked to the ASA. Smith said, "No." Rosenblum asked why Smith was continuing to carry on and not cooperate, that Rosenblum could help him (Rosenblum told Smith that the charge could be manslaughter or self-defense). Smith told Rosenblum to "get the fuck" out of Smith's face. Halloran ^{head down between knees (CS)} grabbed Smith's hair and pulled on it. Smith told Halloran to ~~leave~~ let his hair go. Halloran told him he ~~would not~~ would not let his hair go. (CS)

go until he talked. Smith asked again for a lawyer.

Halloran left the room. Boudreau tried to talk to Smith again, telling him that if he doesn't cooperate and admit to the killings, he could be charged with murder and Tate could be charged with murder.

Boudreau left the room and returned with a pink paper. Boudreau said the paper showed that Smith's gym shoes had blood on them.

Boudreau left and came back and asked if he would make a statement ^{everybody} could see.

Smith refused. Halloran told Boudreau to back Smith.

Boudreau unhandcuffed Smith and took him ~~to the~~ ^{to an} interview room, where ~~he cuffed him to the chair~~. Boudreau ~~then~~ ^{then} ~~returned to the room~~.

Boudreau pointed to two men, Jes Breary and Clinton Tramble, through a glass window ~~and said~~ ^{Boudreau took Smith back to an interview room and cuffed him to a wall.}

CS Boudreau said the two men were blaming Smith for the two killings. Boudreau

CS said he was trying to help Smith by making the killings appear depressed. Boudreau left/returned with a roll of undeveloped film of Tramble and Breary sitting there at the ATM.

afterwards Boudreau showed photos of the 2 victims to Smith and said

he had to give a statement. Boudreau fed Smith information about the two victims, which Smith stated out loud. Subsequently CS

A court reporter was outside the interview room and apparently took down Smith's comments as a confession, which Smith signed. Smith said he felt coerced to sign the confession because the detective told him it was the only way to help himself and because Smith feared that he would be beaten up more by the detective ^{standing by threateningly} who wanted him to sign the confession. Smith said the confession is false and was coerced. Smith said ~~the~~ Breary was actually

 Bivens was ~~strangled~~ ^{strangled} with a phone cord around her neck. ^{in statements}

he had attached his uncle, Herbert Tinnis, but in reality,
 based on court testimony, ^{Herbert} Tinnis was not attached during

the time the killing occurred. Smith said that ^{after he told Lambert}

his alibi statements,

~~asked him why Smith had told Lambert that "bullshit" and that he did not believe it.~~ ^{Halloran came into the}
~~room and grabbed his hair, screaming, "bullshit" and "bullshit"~~
~~Lambert left the room.~~

Smith grabbed Halloran's leg when he
 grabbed his hair. Bordman then called for O'Brien.

Smith said before he signed the typewritten confession,
 ASH Lambert had written ^{an alibi} statement that included what
 Smith had told her about what he had done on the date of the killings.
 Smith had told Lambert that he stayed at his home in Bishop
 all day on the day of the killings, leaving only to go to the
 store and not to the scene of the crime. Smith told Lambert
 that he agreed with the statement she originally took from him,
 but not the confession, which he did not read before signing it.

 including that the person who went to the victim's house

Smith said he signed the confession in the wrong place on the last page of the document.

Smith said Tate saw his hair in dressing at area 1. Tate had braided Smith's hair on the 18th or 19th of October 92. Tate lives in ~~W.C.~~ Illinois. Rodney Sison was at area 1 being questioned by the detectives about the same killings. Smith said Sison heard detective yelling at him (Smith) while Smith was at area 1.

Smith was a member of the Mickey Cobras at the time of the incident, the killings, but he was "violated" out of the gang in 1996 at Pontiac Correctional Center by being stabbed 12 times. Smith does not have a lawsuit pending now regarding his conviction. He filed a suit in 1993 or 1994 against Broadman, but the judge ruled that the suit, in federal court, could be re-filed if Smith's conviction was overturned.

In addition, Smith said Broadman ~~also~~ asked him if he was fighting over a knife ~~because~~ in the killing incident because a broken knife was found at the scene.

Smith said that this account of the abuse he was subjected to is a summary, and the abuse incidents occurred during two days, Oct 20 and 21, 1992. He is unsure of the times of when the abuse incidents occurred because he did not have a watch with him and he did not see a clock at area 1.

The following is in essence but not verbatim a summary statement taken of the above named person relative to allegation(s) of misconduct by a Chicago Police Department member.

Mr. ██████████ said he writes and reads English and demonstrated that by reading "Independent Police Review Authority" at the top of this page.

Question: Do you stand by the accuracy of your letter of Sept 14, 2006, which you sent to OPS (IPRA). It is Attachment #4.

Answer: Yes

Q Do you have a lawsuit against City of Chicago or the Chicago Police Department regarding the allegations you have made in your letter?

A No. I gave a deposition, that was videotaped, to the special prosecutor, Egan.

Q On or about 29 Dec 1989, at approximately 2000 hours (8 p.m.) were you arrested on a bond forfeiture warrant and transported to the old Area 3 building at 39th and California?

A Yes. Detectives Paladino and Maslanka told my family members that they would take me to the station at 61st and Racine, but they took me to 39th and California directly without going to 61st and Racine. The detectives questioned me at Area 3 from 8:45pm on 29 Dec 89 to 1100 on 30 Dec 89 about the murders of ██████████ and ██████████ Walsh. Detectives Paladino and Maslanka, at Area 3, did not give me a Miranda warning before questioning me.

Q You name a group of detectives in your letter. How do you know their names?

A I learned their names and star numbers from police reports and court transcripts, including a hearing to suppress my confession at 26th and California before Judge Nevels, who also heard the trial.

Q Please describe Detective Paladino?

A He is male/white, approximately 6 feet tall (using my height, 6 feet, as a comparison), 37-38 years old, no glasses, with a moustache.

Q Please describe Det. Maslanka?

A He is male/white, approximately 6 feet 1 inch tall, medium build, approximately 200 pounds, no glasses, with some facial hair, early 30s.

Q Please describe Officer John McCann?

- Q Before this interview began, you mentioned a "Detective Collins" who was at Area 3 with Detectives Paladino and Maslanka. Please describe "Detective Collins," who is not in your letter?
- A Male/white, 30's, approximately 6 feet 1 inch tall, thin, no facial hair, full head of hair.
- Q Your letter states that Detective Paladino slapped you on the right side of your face after you denied knowledge of the murders. Is that accurate?
- A Yes.
- Q Where in Area 3 did Det. Paladino slap you?
- A On the third floor in an interview room.
- Q Who was present when Det. Paladino slapped you?
- A Det. Maslanka.
- Q Was the room door closed or open when Det. Paladino slapped you?
- A It was closed.
- Q Were you injured by the slap?
- A No, I was not injured.
- Q Your letter says that Det. Paladino, at the same time he slapped you, told you, "Nigger, you're lying." Is that accurate?
- A Yes.
- Q Was Det. Maslanka present for that racial comment from Det. Paladino?
- A Yes.
- Q Did Det. Maslanka try to stop Det. Paladino from slapping you?
- A No. Det. Maslanka kicked me out of my chair when I said I just heard about the murders. Maslanka also kicked me in the groin and stomach and ribs before he picked me up and put me back in the chair. All this time, when I was slapped and kicked out of the chair, I was handcuffed to a ring on the wall by what I recall was my right hand. Paladino and Maslanka did not allow me to make a phone call to a family member to say where I was. After I was put back in the chair, Maslanka and Paladino punched and slapped me. They both hollered at me and tried to intimidate me, calling me a "motherfucker" and telling me to stop saying I was asleep when the murders happened. The two detectives told me they had James [REDACTED] who is my co-defendant, and that he was saying he and I participated in the murders and that I gave a gun to [REDACTED] before the murders. I deny involvement in the two murders and I denied it from day one. Detective Collins also hollered at me, telling me, "Tell us the fucking truth. We know what happened. Stop telling us this fucking shit. Tell us that you did it, that you know what happened." I kept telling them I was at home asleep. After a few hours of this, I told them that I heard on the street that [REDACTED] had done the murders. No other abuse occurred that day.
- Q In your letter, you say that on 30 Dec 89, still at Area 3, Detectives Breska and Rusnak interviewed you twice and that Det. Breska punched you after you said you were sleeping on 22 Dec 89, the date of the murders. Is that accurate?
- A Yes. Breska punched me on the left side of my ribs and slapped the right side of my face. He accused me of lying.

Q Was Det. Rusnak present in the interview room when Det. Breska punched and slapped you?

A Yes.

Q Did Det. Rusnak attempt to stop Det. Breska when he hit you?

A No.

Q Did Det. Breska tell you, Now tell us the fucking truth, nigger, because we know what happened out there”?

A Yes. Det. Breska slapped my face again and Det. Rusnak called me a “nigger” and said I was going down for “this shit,” and called me a “nigger” again. I asked if I could call my mother, and both detectives told me “no,” not until I tell them the fucking truth. I said I did not want to talk to them any more. They told me I was going down for this “shit.” Between the first time I was in the eh interview room on 29 Dec 89 and the time I was in the same interview room with Detectives Rusnak and Breska, I was kept in a cage on the third floor of Area 3. Some detectives put me back in the cage. Breska and Rusnik left the interview room. Several hours later, when I was back in the interview room, I saw Detective Moser, who told me if I sign the statement, I could go home. The statement said that [REDACTED] did the murders. I told Moser that I don’t know nothing about the murders and I was at home asleep. Moser told me, “That’s bullshit,” and he left the interview room at Area 3. I saw Detectives Cesar and McCann, and they told me they would make arrangements for me to take a polygraph test at 11th and State. They said [REDACTED] said I was involved in the murders. Detectives McCann and Ceasar took me to 11th and State and got on an elevator and we went to an office, to a room. Before I got in the room, McCann punched me once in the stomach when I told him I would not take the polygraph test. McCann also called me a “nigger.” Detective Caesar was present when McCann punched me and Ceasar did nothing to stop McCann. McCann told me I was going to take the polygraph test. I was taken to the room for the polygraph test. The detectives left me at the room with the polygraph officer, (Male/white, short, in his 40s, possibly named Tovar, in plainclothes, probably had glasses on). The polygraph test took about 30 minutes and Officer Tovar said I passed the test other than having some knowledge of the murders. I told the polygraph officer everybody in the neighborhood knew about the murders.

Detectives Ceasar and McCann transported me from 11th and State. In the car, McCann told me he had nothing on me from the polygraph test. McCann said there was nothing simple about the case because they had a statement from [REDACTED] stating I was the lookout for [REDACTED] and that I gave [REDACTED] a gun; that [REDACTED] was going to rob [REDACTED]. McCann said he wanted to put me in front of a state’s attorney to make a statement that the “word” in the neighborhood was that [REDACTED] had done a stickup murder between May and [REDACTED] and then McCann would release me.

Back at Area 3, McCann, in the presence of Cesar, said I would meet with an assistant state’s attorney and that I would say that I was with [REDACTED] when [REDACTED] shot [REDACTED]. I denied involvement in the murder. McCann said I would have to be with [REDACTED] for me to be a witness. McCann slapped me on the left side of my face and choked my neck with both hands, telling me he would send me down with [REDACTED]. McCann said that in a loud intimidating voice. McCann called me a “motherfucker.”

I was taken to a hallway at Area 3 where Linda Peters, who had long blonde hair, was present. She is an assistant state’s attorney. She said she was not my lawyer. She did not give me a Miranda warning.

I told Peters that the detectives were beating on me and trying to make me sign a statement. Sgt. John Byrne, who seemed to be in charge, told McCann and Ceasar, “Get him out of here,” and they took me to a room, not the 3rd-floor interview room I had been in earlier. This room was still

on the third floor. Sgt. Byrne showed me a gun that looked like a 9mm gun, maybe chrome with a dark handle. It looked like an automatic. Sgt. Byrne pointed the gun at me and said, "Is this like the gun?" which I thought meant the gun used in the murders. The end of the gun barrel was about three feet from my face. The other detectives were in the room. Sgt. Byrne hollered at me and threatened me. He said McCann and Ceasar would take me to a room and I wouldn't be telling them I was asleep at the time of the murders. Sgt. Byrne told me to tell the detectives that I was involved in the murder. Sgt. Byrne called me a "nigger." Sgt. Byrne was pointing the gun at me as he made his threats. Other detectives were in the room with me, Sgt. Byrne, McCann and Ceasar.

McCann and Ceasar took me to another interview room. Detective Moser came into the room and told me they needed me just as a witness and I could go home. He said they had nothing on me, that they would charge [REDACTED]

I would be just a witness, like [REDACTED] and then another state's attorney, Ricardo Correa, came into the room with a prepared statement. The statement was wrote up already. Correa said he needed me to sign the statement and initial it. Correa did not give me Miranda warning. I did not read the statement. I just signed it because I wanted these detectives to stop hollering at me and jumping on me. I wanted to go home. They said I could go home after signing the paper. I signed it as instructed. I was tired from no sleep. After I signed the paper, they kept me there until January 1, 1990. I heard gunshots on New Year's Eve outside. They took me to 61st and Racine. This was over 70 hours after I was arrested. I was processed at 61st and Racine and that's where I was able to call my aunt, Carlee [REDACTED] whom I told I had been beaten. She's at 5723 [REDACTED] 2nd floor. I don't know her phone. My cousin, Kimberly [REDACTED] 773-994-8153, can get hold of Carlee.

While I talked with the detectives before signing the confession, I made up some stories that might be in detectives' notes. I made up the stories to try to satisfy the detectives wanting information.

When I was taken from 61st and Racine and brought to County Jail, I told the processing people that I was in pain on my sides. I went to Cermak Hospital at the Jail and was x-rayed. They said I did not have any broken bones, but had bruises. I mentioned to the lockup officer, a male/black, at 61st and Racine, that the detectives had beaten me and I was in pain. I had not asked for treatment while at Area 3. I did not get medical treatment at 61st and Racine. When I was at County Jail going to court on this charge, [REDACTED] told me he was at Area 3 and he heard me getting abused there. I saw [REDACTED] at Area 3 when I was there. I saw [REDACTED] at Area 3 and told him the detectives were beating on me. [REDACTED] told me that I should not sign any statement. I also told my mother, Virgie [REDACTED] over the phone that I had been beaten during the same phone call I made to Carlee.

Correa was white/male, in his 30's. I don't recall if I told Correa that the detectives beat me.

I was not under the influence of drugs or alcohol when I was arrested. When I went to County Jail, I saw that [REDACTED] was in the Drug Unit, so I asked to be in the Drug Unit so I could talk to him and ask him to set the record straight, that I was not involved in the murders.

A - Yes. Detectives Paladino and Maslanka told my family members that they would take me to the station at 6th and Racine, but they took me to 39th and California directly without going to 6th and Racine. The detectives questioned me at Area 3 from 8:45pm on 29 Dec 89 to 11:00 on 30 Dec 89 about the murders of Lloyd Benjamin and Hunter Walsh. Detectives Paladino and Maslanka, at Area 3, ^{did not give me a Miranda warning} before questioning me. (u)

A - I learned their names and star numbers from police reports and court transcripts, including a hearing to suppress my confession at 26th and California before Judge Neville, who also heard the trial.

Q - Please describe Detective Paladino?

A - He is male/white, approximately 6 feet tall (using my height, 6 feet, as a comparison), 37-38 years old, no glasses, with a mustache.

Q - Please describe Det. Maslanka?

Re: O.P.S. Complaint Log No. 1009053, [REDACTED]

Dear Investigator Lukas:

After being unable to reach you by telephone I am sending you this letter concerning the complaint that my client, [REDACTED] made to the Office of Professional Standards in September of 2006. OPS gave Mr. [REDACTED] complaint log number 1009053. I am aware that you came to visit Mr. [REDACTED] at Menard Correctional Center on May 30, 2008, and that you asked him to speak with you about the complaint. Mr. [REDACTED] told you that he would be willing to speak with you but wanted to consult with his attorney first.

On Mr. [REDACTED] behalf, I can tell you that Mr. [REDACTED] would be happy to speak with you about his complaint, in my presence, and answer any of your questions. I do believe, however, that many of the questions you may want to ask him were covered in his March 4, 2008 deposition given in the matter of *Hill v. City of Chicago*, No. 06 CV 6772, in the United States District Court for the Northern District of Illinois. If you have not seen a copy of the deposition transcript, I am happy to provide you with a copy.

Please contact me at the above telephone numbers, or at [REDACTED]law.uchicago.edu, to arrange a time to interview Mr. [REDACTED] or if there is any other way I might be of assistance to you.

Sincerely,

Tara Thompson

Dear Mr. Lukas James:

4-6-09

Enclosed are the two Court Opinions (Appellate and Federal) mentioned in my June, 2006 Complaint (request to reopen my complaint).

Please if you have any questions contact me. If there are any documents that I can provide.

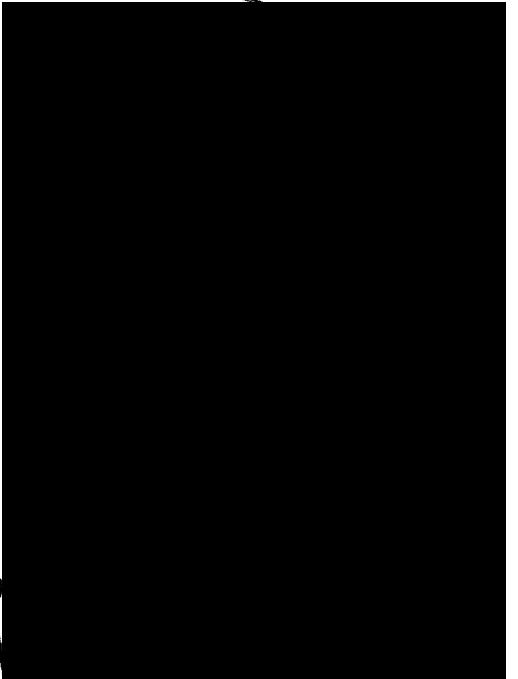

Transcripts or anything that can support Ms. Karen Tate was held from Oct. 19 until the 21st. of 1992, or that various items coerced witness (Sisson, Moore etc.) mentioned were used to commit these crimes, were found inconclusive for evidence of involvement.

Please send me my case File No. and any information you can use to determine the result of your investigation. Thank You for your work.

Re: Status of Complaint filed in June, 2007

Dear Mrs. Rosenzweig:

I am writing to inquire about the status of the complaint I filed in June, 2007, against Chicago Police detectives Kenneth Boudreau and William Foley.

On May 30, 2008, I was interviewed by Investigator James Lukas (#117) regarding my complaint. At that time, I informed Mr. Lukas that I would like to consult with my attorney before answering any questions (See attached "Required Warnings To Be Given Prior To Interrogation"). Mr. Lukas and I both signed this document on May 30, 2008. However, it wasn't until September 9, 2008, that I finally received a letter from Mr. Lukas along with a copy of the Miranda Warnings form.

Since that time, my attorney and I both have made several attempts to contact Mr. Lukas to learn the status of the investigation. However, our inquiries have gone unanswered. This is why I'm now sending this letter to you via certified mail.

Mrs. Rosenzweig, I am ready and willing to meet with your investigators and, in the presence of my attorney, answer any and all questions they may have concerning my complaint of brutality by members of the Chicago Police Department. I look forward to hearing from you in the near future.

Sincerely,

TO: *Itana RoseadZweig*
Chief Administrator

Dear *Miss, RoseadZweig*

I'm a Innocence Man! My name is [REDACTED] and Im writing this letter seeking awareness to my situation because I'm a victim who was tortured by Chicago Police Officers under the command of Jon Burge, on December 28, 1989, in area 3 head quarters.

The detectives who physically and psychologically tortured me at area 3 under the command of Jon Burge are detectives:

1. Det. Anthony Maslanka, Star 1616;
2. Det. John Palandino, Star 9938;
3. Det. John McCann, Star 8138;
4. Sgt. John Byrne, Star 1454;
5. Det. William Moser, Star 5056;
6. Det. Jerome Rusnak, Star 11162;
7. Det. Victor Breska, Star 5362;

these are some of the detectives that were known as Jon Burge's ass kickers who were investigated for torturing suspects in area 2 and 3 head quarters by Special Prosectors Edward J. Egan, and Robert D. Boyle.

Log 100 9053
Att 105

On April 13, 2006, I testified to Special Prosecutors in a deposition about detectives that arrested and tortured me for four days in December of 1989. I filed a complaint to O.P.S. about these detective who names are listed in this letter my complaint number is (1009053).

Since my trial and conviction commander Jon Burge has been fired and finally brought into a federal court room last year to be charged in connection with the torture he over saw. These Detectives under Jon Burge's command physically and psychologically torture me into signing a false statement. No evidence exclusive of the statement supported my involvement in the crime. I was convicted on about January 21, 1992, for two counts of First degree murder and attempted armed robbery on an accountability theory.

I was sentenced to life without parole. Now there are records and documents that can prove my innocence. My medical records from Cermack Hospital will show I was abused by these detectives under the command of Jon Burge. School Records will show I've been in Special Education classes during all my years of schooling with a I.Q. of an Five year old.

At the time I was being interrogated by these detectives I was mentally handicap so I could have not known what I was signing as I was being coerced by these bogus detectives at area 3. They would not let me eat or sleep or call my family or give me a lawyer so I signed a statement. I got tired of being beaten and called a nigger and having a gun put in my face and mouth so I signed a false statement.

My motion to suppress my statement was denied on the testimony of these detectives alone. The only evidence is a statement the police and A.S.A. wrote up something I never read or wrote.

I've reach out to numerous people, most notably Dick Devine, Lisa Madigan, and Anita Alvarez, and never received a response from either person.

In July 2006 Special Prosecutor Egan published his findings which concluded that at least 27 victims of torture by Jon Burge and some of his subordinates are still imprisoned in Illinois prisons, my name is on that list as one of the 27 victims tortured into signing a false confession by detectives under the command of Jon Burge. I'm asking for help and seeking justice.

I've been saying these detectives tortured me and made me sign a false confession now going on 20 years. It has finally come to the light that the City of Chicago has known about this for over 30 years and tried to cover it up.

As uther King Jr. Stated in his now famous letter from the Birmingham County Jail in April of 1963;

"Like a boil that can never be cured as long as it is covered up but must be opened with all its pusflowing ugliness to the natural medicines of air and light. Injustice must likewise be exposed, with all of the tension its exposing creates to the light of human conscience and the air of national opinion be before it can be cured".

there are records and documents on this matter that suspects were physically and psychologically tortured at area 2 and 3 head quarters in Chicago Police Stations. Now the Special Prosecutors Edward J. Egan and Robert D. Boyle, report say detectives Anthony Maslanka and his partner Det. John Paladino were named in numerous cases of torture and they could have sought the indictment of these detectives for aggravated battery, perjury and obstruction of justice and these are the same things these detectives done to me and Victor Saffold, (A.K.A. Cortez Brown) who was just granted a new trial in 2009.

If you have any questions please do not hesitate to contact me about my case. I can provide more information or documents if needed, about me being tortured by detectives working under the command of Jon Burge. I'm a Innocence Man seeking justice and awareness to my case.

Since my bogus conviction I lost love ones who know I was innocent and over the years this case took a toll on their health, and my mother and father died too young.

So Jon Burges and his subordinates not only destroyed my life, they destroy my family. Enough is enough.

Thank you very much for your time and consideration. I hope you can help me in my fight for justice. There are brothers like me who are still languishing in prison that haven's been as blessed as others who were tortured by Jon Burges crew.

We, the undersigned urge you Chief Administrator to come forward with the results of the Independent Police Review Authorities investigation against the Area One, Two and Three Detectives namely Kenneth Boudreau, James O'Brien, John Halloran, Anthony Maslanka, John Paladino, Michael Kill, Michael McDermott and others Jon Burge cronies.

We are aware that your office re-opened closed investigations against these detectives and interviewed old and new victims of these Detectives.

The alleged Detectives involvement in torture following 1990, resulting in the death investigation of Reginald Cole (who we believe was murdered with James O'Brien's gun) and over 35 exonerations by DNA Evidence, Recantations, Expert Witnesses, etc, has not been investigated for misconduct at the hands of the aforementioned Detectives. All cases of Wrongful Convictions, Acquittals, and Want of Prosecution on behalf of the People of the State of Illinois must be investigated along with the longstanding allegations of torture by men that remain incarcerated.

Upon the establishing of the IPRA the Public was told that investigations would take about 6 months. Acknowledging that an investigation of a large number of Detectives might take longer. We nevertheless expect for you to recommend disciplinary action against the Detectives involved in torture that resulted in convictions that were ultimately overturned based upon DNA Evidence etc. Because it is clear that those men were framed. Please do not lose our confidence by conducting your Administration in a way that OPS done.

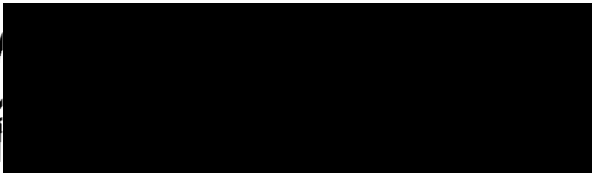

Discipline must be handed down and lawful action must be taken to recoup Justice for Torture Victims and Tax Payers who have shelled out Millions of Dollars to protect Burge's Cronies and settle lawsuits against the Detectives and the City of Chicago. Justice has not been served.

We have patiently waited while urging you Chief Administrator to come forward with the results of the Independent Police Review Authorities investigative conclusion against Area One, Two and Three Detectives, namely Kenneth Boudreau, James O'Brien, John Halloran, Anthony Maslanka, John Paladino, Michael Kill, Michael McDermott, George Karl, Angelo Pesavento and other Jon burge Cronies.

We are aware that your Office reopened closed investigations against these and other Deterctives, and interviewed old and new victims of these Detectives.

The alleged Detectives involved in torture, whose actions resulted the death investigation of Reginald Cole and approximately 35 exonerations by DNA Evidence, Expert Witness testimony, Recantation, etc., following 1990 have been investigated for misconduct at the hands of these Detectives, but the results of such investigations have not been forthcoming.

All cases of Wrongful Convictions, Acquittals, Want of Prosecution, along with the longstanding allegations of torture by men; or men implicated by torture victims still incarcerated must be forthright and forthcoming.

Upon establishing the IPRA the Public was told that investigations would take six months. We acknowledge that an investigation of a large number of Stone Walling Detectives might take longer, we nevertheless, expected your Office to recommend some disciplinary action by now against Detectives that framed innocent men freed on DNA Evidence and other exculpatory evidence interwoven with torture allegations.

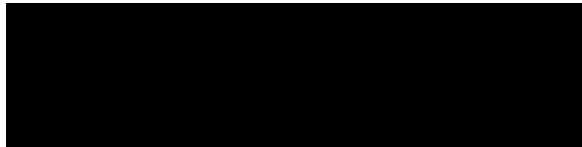

Discipline must be handed down and lawful internal and administrative action must be taken to recoup Justice for torture Victims and Tax Payers who have shelled out Millions of Dollars protecting Jon Burge's Cronies, settling lawsuits against the City and said Detectives. Also tax payers continuously foot the bill for the operation of IPRA which had not shown itself approved remedy.

The aforementioned Detectives we believe have been involved in abuse for more than 23 years. We trust that your Office will foreclose their possession of the honor and integrity of the Chicago Police Department. Justice has not been rendered!!!!

her to inspect it.

Thank you for your time and help.

Dear Mr Gardner,

My name is [REDACTED] and I'm writing this letter on behalf of my son's father [REDACTED] (petition #26839). I was not informed to write such a letter, but I found that it would be useful to hear from a person that was there doing those crying times.

Mr. Gardner, I'm asking you for my child and myself to look soully into your heart to do all you can to get this clemency granted for my son father because my son has been without a father all his life, this man was took from my child by two supposedly officers of the law which turned out to be more visicious then the people they had locked up. They were both accused of corecering people of false confessions which itimately had those people convicted of a crime or crimes that they did not commit, which caused then to be acquitted and freed.

Mr. Gardner, I was also a victim of kenneth Boudreau, John Halloran- just imagine being a 17 year old pregnant teen thats 6 months pregnant with her first child and locked up, accused of a serious and heinous crime that I did not commit myself. I was also told that if I did not say what they wanted me to say that I would lose my first and only child forever and that my child would not even go to my family members, that I will never see my unborn child again after I give birth to him in a nasty jail cell. I failed to mention that I was locked up for three days with only one meal to eat, I just wanted to get out of there and by now I was scared out of my mind so I'm willing to do say whatever they want me to say cause now I got to make some serious choice and i picked my baby, what any mother in her right mind would do. I was torchered and mentally battered by those officers over and over again.

Mr. Gardner, if you could have been a fly on the wall back then, you would have been so disgusted with their tacketts and that is the reason that they are in the situations they are in now because of their unruley behaviors, I thought they was to serve and protect, well they was the casued of my child not having a father for the last 17 years and because of that my child has had some serious issues within himself because he can't understand for the life of him why he had to grow up without a father. It also caused my son to have behavior problems wereas he has to take prescribed medications because he suffers from PTSD and he also has biopolar with manic depression.

These officers has ruined my life, they lied and used the law in their own hands to get me to say want they wanted with threats of unnatural things, they used everything and their power to get those confessions from myself and others, which has been devasating in my life, they also used my age and my unborn child against me and the father of my child. They also showed me pictures of the deceased, just imagine being pregnant and seeing unbearable and taunting pictures. I do not know if you viewed those pictures but I think you should just so that you can see and get a idea of what was going through my mind and what kind of mind frame I was in.

What I'm asking you, Mr. Gardner, is to give my child a future with the father he never had, so that my son can have a bright future with the father he doesn't know, give him a chance to be loved by a person that belong to him biologically. How would you feel if that was to happen to you? How do you think your children would feel if that happened to them?

I have lived without my child's father for a long time but I think it's only fair to give him a chance to get to know his only child and his only child to get to know him, just maybe it would make a change in my son's life, matter fact I know it would.

Mr. Gardner, I hope that this letter can and will be helpful, useful, and nessecary and thank you for giving me the oppruntunity to share my feelings and the things that I experienced at the hands of our officers that we put our lives in their hands everyday. I hope that this letter will be helpful during the clemency board meeting. Please, everyone thats under the sound of my unfamiliar voice, please open up your hearts and understand and listen with your hearts and please do not let this go unheard.

Yours truely, a concerned mother,

On April 13, 2006, I testified to Special Prosecutors in a deposition about detectives that arrested and tortured me for four days in December of 1989. I filed a complaint to O.P.S. about these detective who names are listed in this letter my complaint number is (1009053).

Since my trial and conviction commander Jon Burge has been fired and finally brought into a federal court room last year to be charged in connection with the torture he over saw. These Detectives under Jon Burge's command physically and psychologically torture me into signing a false statement. No evidence exclusive of the statement supported my involvement in the crime. I was convicted on about January 21, 1992, for two counts of First degree murder and attempted armed robbery on an accountability theory.

I was sentenced to life without parole. Now there are records and documents that can prove my innocence. My medical records from Cermack Hospital will show I was abused by these detectives under the command of Jon Burge. School Records will show I've been in Special Education classes during all my years of schooling with a I.Q. of an Five year old.

At the time I was being interrogated by these detectives I was mentally handicap so I could have not known what I was signing as I was being coerced by these bogus detectives at area 3. They would not let me eat or sleep or call my family or give me a lawyer so I signed a statement. I got tired of being beaten and called a nigger and having a gun put in my face and mouth so I signed a false statement.

My motion to suppress my statement was denied on the testimony of these detectives alone. The only evidence is a statement the police and A.S.A. wrote up something I never read or wrote.

I've reach out to numerous people, most notably Dick Devine, Lisa Madigan, and Anita Alvarez, and never received a response from either person.

In July 2006 Special Prosecutor Egan published his findings which concluded that at least 27 victims of torture by Jon Burge and some of his subordinates are still imprisoned in Illinois prisons, my name is on that list as one of the 27 victims tortured into signing a false confession by detectives under the command of Jon Burge. I'm asking for help and seeking justice.

I've been saying these detectives tortured me and made me sign a false confession now going on 20 years. It has finally come to the light that the City of Chicago has known about this for over 30 years and tried to cover it up.

As Martin Luther King Jr. Stated in his now famous letter from the Birmingham County Jail in April of 1963;

"Like a boil that can never be cured as long as it is covered up but must be opened with all its pusflowing ugliness to the natural medicines of air and light. Injustice must likewise be exposed, with all of the tension its exposing creates to the light of human conscience and the air of national opinion be before it can be cured".

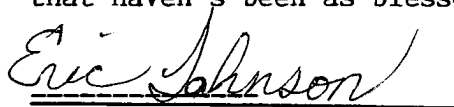

there are records and documents on this matter that suspects were physically and psychologically tortured at area 2 and 3 head quarters in Chicago Police Stations. Now the Special Prosecutors Edward J. Egan and Robert D. Boyle, report say detectives Anthony Maslanka and his partner Det. John Paladino were named in numerous cases of torture and they could have sought the indictment of these detectives for aggravated battery, perjury and obstruction of justice and these are the same things these detectives done to me and Victor Saffold, (A.K.A. Cortez Brown) who was just granted a new trial in 2009.

If you have any questions please do not hesitate to contact me about my case. I can provide more information or documents if needed, about me being tortured by detectives working under the command of Jon Burge. I'm a Innocence Man seeking justice and awareness to my case.

Since my bogus conviction I lost love ones who know I was innocent and over the years this case took a toll on their health, and my mother and father died too young.

So Jon Burges and his subordinates not only destroyed my life, they destroy my family. Enough is enough.

Thank you very much for your time and consideration. I hope you can help me in my fight for justice. There are brothers like me who are still languishing in prison that haven't been as blessed as others who were tortured by Jon Burges crew.

Mr. [REDACTED]

APPENDIX H

TORTURE IN CHICAGO

A supplementary report on the on-going failure of government officials to adequately deal with the scandal

To: Ilana Rosenweig
Chief Administrator

Chicago, Illinois 60616

We have patiently waited while urging you Chief Administrator to come forward with the results of the Independent Police Review Authorities investigative conclusion against Area One, Two and Three Detectives, namely Kenneth Boudreau, James O'Brien, John Halloran, Anthony Maslanka, John Paladino, Michael Kill, Michael McDermott, George Karl, Angelo Pesavento and other Jon Burge Cronies.

We are aware that your Office reopened closed investigations against these and other Deterctives, and interviewed old and new victims of these Detectives.

The alleged Detectives involved in torture, whose actions resulted the death investigation of Reginald Cole and approximately 35 exonerations by DNA Evidence, Expert Witness testimony, Recantation, etc., following 1990 have been investigated for misconduct at the hands of these Detectives, but the results of such investigations have not been forthcoming.

All cases of Wrongful Convictions, Acquittals, Want of Prosecution, along with the longstanding allegations of torture by men; or men implicated by torture victims still incarcerated must be forthright and forthcoming.

Upon establishing the IPRA the Public was told that investigations would take six months. We acknowledge that an investigation of a large number of Stone Walling Detectives might take longer, we nevertheless, expected your Office to recommend some disciplinary action by now against Detectives that framed innocent men freed on DNA Evidence and other exculpatory evidence interwoven with torture allegations.

Discipline must be handed down and lawful internal and administrative action must be taken to recoup Justice for torture Victims and Tax Payers who have shelled out Millions of Dollars protecting Jon Burge's Cronies, settling lawsuits against the City and said Detectives. Also tax payers continuously foot the bill for the operation of IPRA which had not shown itself approved remedy.

The aforementioned Detectives we believe have been involved in abuse for more than 23 years. We trust that your Office will foreclose their possession of the honor and integrity of the Chicago Police Department. Justice has not been rendered!!!!

Sincerely, 

Dated: Aug 30/2010

CASE NO. C189857; C193591; C203754; C208498;

I am Filing a Complaint against the detectives
above assigned to area 3 violent crimes in february 1992.

The Complaint and interview detailed claims of
brutality at the hands of FOLEY and BOUDREAU. such as choked
continuesly by FOLEY, and Manipulated psychologically by BOUDREAU.
to confess to the shooting death of [REDACTED] that occured
on may 17, 1991. Chicago Illinois at 927 W. 54th street.

Log 1009053
AM-143

On October 11, 1992. I testified at a motion to Suppress hearing that I was 18 years old. when I was arrested. That upon me arrest I was stomped once on the back of my head, placed in handcuffs and taken to Area 3 Police station, where I was placed in a interrogation room. I was interrogated by BOUDREAU, FOLEY, and Detective EVANS. I constanly denied involvement in the murder of [REDACTED] A.S.A. DANIELIAN, came in and began to question me at which time I informed him that I had nothing to say. DANIELIAN got upset left the room where I was handcuffed to a ring in the wall.

Detective FOLEY. came into the room grabbed me by the collar, began choking me against the wall while threatenig to throw me out of a window. I was scared for my life at that point and did not want it to occure again. BOUDREAU, witnessed FOLEY choking and threatening me the entire time. Statement was written by A.S.A. DANIELIAN. while BOUDREAU used his imagination to detail accounts of crime. I never suggested any changes to the statement and picked up information from BOUDREAU during the course of the interrogation. It was DANIELIAN, who changed the intial words of statement including my age, something he knew before writing out the statement. My arrest was on February 4, 1992. I was never placed in a Line up, nor was there a Warrant issued for my arrest concerning this crime. This despite having a eye-witness ([REDACTED]) who on January 20, 1992 gave BOUDREAU, a statement implicating me in crime. [REDACTED] was incarrcerated at the time he gave BOUDREAU statement involving himself ([REDACTED]) as being a "look out" during crime.

Log 1009053
AH1143

██████████ was never charged as Co-Defendant and later recanted the statement he gave to BOUDREAU. The state never called ██████████ or any other eye-witness to testify against me. This matter needs to be investigated because evidence has emerged that BOUDREAU, and other AREA 3, detectives beat and otherwise Coerced false confessions out of the Following people:

DERRICK FLEWELLEN, Case No. 95 CR 20513.

Found innocent by D.N.A. but signed a confession Coerced by Boudreau after 36 hours during which he was slapped, kicked, punched, slammed into the wall by BOUDREAU and others.

ALFONZIA NEAL, Acquitted not withstanding his signed confession. Boudreau testified he (NEAL) waived his rights signed the written statement by A.S.A. Experts established NEAL had an I.Q. in the 40s, Below the dividing line for mental retardation.

PETER ██████████ Threaten, slapped, handcuffed so long he urinated on himself. Confessed to a 1990 murder, implicating HAROLD HILL, and DAN YOUNG. ██████████ Confessed to BOUDREAU after physical abuse. charges were dropped after concluding (██████████) was incarcerated at the time of crime 1992.

DAN YOUNG, Kicked and beaten by BOUDREAU and HALLORAN, and others, Confessed implicating HILL and ██████████ determined by psychiatrist and psychologist to be illiterate; was convicted, and later freed on D.N.A. and other Forensic testing:(Case No. 92 CR 8344).

HAROLD HILL, was Convicted on false Confession, and later exonerated along with YOUNG by D.N.A. evidence.

Log 1009053
AA-143

FRED EWING and DARNELL STOKES, Both Classmates in special education course, experts concluded EWING was Illiterate both were acquitted despite the Confessions obtained by BOUDREAU and HALLORAN. 1993.

MARCUS WIGGINS, Handcuffed and beaten with a group of youngsters in 1991, WIGGINS mother was denied access to him, WIGGINS was 13 years old. six young suspects gave Confessions (JESSE and DAMONI-CLEMON, Tremaine [REDACTED] DIYEZ OWEN etc.) Two were thrown out on the basis of the periodic screaming through out the night. The remaining four suspects were acquitted. O'BRIEN and BOUDREAU, employed the coercion.

XAVIER CANTON, Witnesses were coerced by HALLORAN to identify CANTON as the shooter in a murder case. Witnesses recanted and CANTON was freed after being convicted of a crime he did not do. Case No. 92 CR 24062.

OSCAR GOMEZ, [REDACTED] GOMEZ, ABEL QUINOLES, Were beaten by HALLORAN and BOUDREAU shackled to the wall, 30 hours. prevented from talking to their Lawyer and family. All three were found not guilty largely concluded that HALLORAN and BOUDREAU physically coerced the confessions. Case No. 95 CR 22930.

JOHN PLUMMER, In 1991 was 15 years old, was interrogated for 30 hours, by BOUDREAU and HALLORAN during which time they physically beaten him into a false confession, his case has been Reversed and Remanded twice. Case No. 92 CR 2023601

BOUDREAU's and HALLORAN's Coercive tactics have resulted in 17 or more Acquittals and or not Guilty verdicts; 4 or 5 Suppressed statements. In all the above cases resulted in the only evidence being coerced false statements. As in this case unlike information and evidence misrepresented by BOUDREAU. There was no eye-witness or physical evidence presented

Log 1009053
AH 143

Against me at trial. There was no Co-defendant to the murder although BOUDREAU testified that he received statement from [REDACTED] who allegedly was witness to crime, and "look out" person at scene of crime. BOUDREAU Openly committed perjury by testifying that between JANUARY and NOVEMBER of 1990. He observed me hanging around drug hot spots in Chicago. From November 1989, until MAY 1991, I was incarcerated.

Was never a warrant issued for my arrest even after BOUDREAU received a statement from [REDACTED] implicating me in crime. Was never placed in line up to be identified by witness [REDACTED] who gave detective DAN McWEENY detailed account of crime and witnessed murder of [REDACTED] on MAY 17, 1991, Even told McWEENY she could I.D. the person she seen committ crime. In 1997 Appellate Courts Ruled the admission of BOUDREAU'S Testimony regarding receiving a statement from [REDACTED] implicating me in the crime was Error.

For the above reasons Complainant request the Investigations against BOUDREAU, FOLEY, and HALLORAN, be Re-open in all Complaints filed and Concluded unsustained. The Foresaid information shows a culture pratice of Coercion at Area 3. by these Detectives.

I [REDACTED] HERE by Swore that all of the above is true to the best of my knowledge, under penalty of Perjury.

AT THE INDEPENDENT POLICE REVIEW AUTHORITY'S OFFICE

1 LUKAS: Okay this is Investigator Jim Lukas, that's L-U-
2 K-A-S, my badge number is 1-1-7. This is the
3 digitally recorded statement of Sergeant Kenneth
4 Boudreau, Star 8-5-2 regarding, I'm sorry of unit
5 3-9-3 and this is regarding the Log number
6 1009053. And um, we're at the uh IPRA office on
7 the 4th floor at 1615 West Chicago Avenue. It's
8 approximately 1806 hours on 9 October 2013. And
9 uh Sergeant Boudreau you've already been given
10 your uh notification of charges and allegations
11 and the administrative proceedings rights and uh
12 waiver of counsel requested. So your counsel and
13 you've signed those is that accurate?

14 SGT. BOUDREAU: That is accurate.

15
16 LUKAS: Okay. Could you state your name and spell it
17 please?

18 SGT. BOUDREAU: Sure. Sergeant Kenneth Boudreau, B-O-U-D-R-
19 E-A-U, Star number 8-5-2 assigned to the Gang
20 Enforcement Division.

21
22 LUKAS: Okay. Is that accurate, is 3-9-3 accurate as far
23 as unit number?

24 SGT. BOUDREAU: Yes.

25
26 LUKAS: Okay. Thank you. And also uh in the room with
27 uh Sergeant Boudreau and I is uh Mr. Pleines who
28 is Sergeant Boudreau's uh attorney. Mr. Pleines
29 could you state your name and spell it please.

30 PLEINES: Yes. Thomas Pleines, P-L-E-I-N-E-S, counsel for
31 Sergeant Boudreau.

32

1 LUKAS: Thank you. Okay and uh Sergeant Boudreau uh it
2 was, is it accurate that at approximately 1625
3 hours today Lieutenant Meliean (sic) Star 6-6-6
4 of Bureau of Internal Affairs uh via phone um, uh
5 gave you a direct order to uh answer questions in
6 this uh CR investigation for this statement?

7 SGT. BOUDREAU: Yes.

8

9 LUKAS: All right, thank you. Okay. Okay on uh
10 approximately 04 February 1992 inside the old um,
11 Area 3 Headquarters at 39th and California, did
12 you question [REDACTED] uh in connection with the
13 murders of Gerard, [REDACTED] [REDACTED] and [REDACTED]
14 [REDACTED]

15 SGT. BOUDREAU: Before I answer any further questions, I
16 want to preface this statement by sayin' that I'm
17 not givin' this statement voluntarily but only
18 under duress. I'm giving this statement only at
19 this time because I've been given a direct order
20 to do so by Lieutenant Meliean (Sic). I've been
21 informed both in orally and in writing that if I
22 do not give a statement, I will be fired from my
23 job if I refuse. Further I want to object to the
24 delay in this investigation. These incidents
25 allegedly occurred over 20 years ago. This delay
26 is prejudicial to my ability to recall these
27 alleged incidents as I will stand on the prior
28 statements and depositions I have previously
29 given.

30

31 PLEINES: Okay.

1 SGT. BOUDREAU: Now to answer your question, I believe I
2 have previously answered that question in a prior
3 deposition or courtroom testimony. Your office
4 has copies of my prior testimony. I have no
5 present recollection sufficient to provide any
6 additional information at this time.

7
8 LUKAS: Okay. Um, and did you give a deposition in a
9 civil suit in which [REDACTED] was a Plaintiff?
10 We're just gonna pause the interview. (Recorder
11 off/on). Okay we're resuming the interview of
12 Sergeant Boudreau. And my question was uh did
13 you give a deposition in a civil case in which
14 [REDACTED] was a plaintiff?

15 SGT. BOUDREAU: To my knowledge [REDACTED] never filed
16 suit against me in court.

17
18 LUKAS: Did you give a deposition in which you answered
19 questions about uh [REDACTED] as a suspect in the
20 murders of [REDACTED] and [REDACTED] [REDACTED]

21 SGT. BOUDREAU: I believe so.

22
23 LUKAS: Okay. Do you recall the date uh of that
24 deposition?

25 SGT. BOUDREAU: No sir.

26
27 LUKAS: Okay. Uh do you have a copy of the deposition,
28 of that deposition with you today?

29 SGT. BOUDREAU: No sir.

30
31 LUKAS: Okay. Do you have a copy of it that you could
32 make available to IPRA?

1 SGT. BOUDREAU: No sir I don't have it.

2

3 LUKAS: Okay. Do you know if anyone else to your
4 knowledge has a copy of it that could be made
5 available to IPRA?

6 SGT. BOUDREAU: No sir.

7

8 LUKAS: Okay. Okay uh this is Attachment 11 and this is
9 again the Log number 1009053. And this is the
10 arrest report apparently of [REDACTED] uh and
11 your name is on the uh arrest report as a, again
12 as a, in box what is it uh 55 first arresting
13 appearing officer uh your name is there and uh
14 Detective Foley's name is there. Uh could you
15 look at this and see if it looks like the arrest
16 report of Mr. [REDACTED]

17 SGT. BOUDREAU: Yes this is the arrest report of Mr. [REDACTED]

18

19 LUKAS: Okay. Did you take part in the actual, physical
20 arrest of Mr. [REDACTED]

21 SGT. BOUDREAU: I would have to review additional reports to
22 answer that.

23

24 LUKAS: Okay. Could you name those reports?

25 SGT. BOUDREAU: It would be the Detective Supplementary
26 Report or Patrol Division Report.

27

28 LUKAS: Okay these are three supplementary reports I
29 believe uh let's see, you got all three have your
30 name on the bottom. It's Attachment uh forty, uh
31 32, 41 and 42. Could you look at those if you'd
32 like please. I'll just pause the interview.

1 (Recorder off/on) Okay we're resuming the uh
2 interview of Sergeant Boudreau. He's reviewing
3 the uh Supplementary Reports.

4 SGT. BOUDREAU: Yes the reports indicated that I
5 participated in the arrest and based upon this
6 report, I believe that to be accurate.

16 that time when he was first taken into custody?

17 PLEINES: Sergeant Boudreau is reviewing the reports again.

18

19 LUKAS: And, yeah that was just for the record, uh Mr.
20 Pleines was indicating Sergeant's Boudreau's
21 reviewing the reports, the Supplementary Reports
22 and the arrest report.

23 SGT. BOUDREAU: Sir I do not recall any injuries to Mr.
24 [REDACTED] at all.

25

26 LUKAS: Okay.

27 SGT. BOUDREAU: I, I have in front of me the Arrest Report
28 which is an incomplete copy which would indicate
29 on that report whether or not there were any
30 injuries to Mr. [REDACTED] but we do not have that with
31 us.

32

1 LUKAS: Okay.

2 PLEINES: Do you recall a --

3 SGT. BOUDREAU: None that I could recall.

31 LUKAS: Okay. Okay I'm gonna pause the interview for a

7 SGT. BOUDREAU: No sir.

8

9 LUKAS: Okay. Did you ever see any injury on Mr. [REDACTED]
10 during the time he was being questioned at the

INVESTIGATION:

Because the abuse alleged by the three subjects occurred more than five years ago, OPS requested in August 2007 that Dana Starks, interim police superintendent, authorize a Complaint Register investigation, which he did. [Att. #69].

[REDACTED] Arrest Report indicated that he was arrested for murder, aggravated arson and armed robbery on 20 October 1992 in an apartment at 5326 S. State. [REDACTED] was accused of beating [REDACTED] and [REDACTED] to death using a pole, frying pan, iron and telephone at [REDACTED] Racine on 17 October 1992. [REDACTED] allegedly set Mr. [REDACTED] on fire and attempted to burn down the residence. [REDACTED] was also accused of removing personal property from Mr. [REDACTED] through force. [Att. #12].

Officers who responded to the scene at [REDACTED] Racine reported that a witness told them

that a "grandson" named [REDACTED] had threatened to kill the victims for putting him out of their house. [Att. #47].

Various Supplementary Reports provided additional information about the incident and the detectives' investigation. [Atts. #48-#52, #54-#59].

A Supplementary Report indicated that a granddaughter of Ms. [REDACTED] told detectives that [REDACTED] had been thrown out of the Racine residence because he was selling drugs out of the basement. [Att. #51].

A Supplementary Report dated 24 October 1992, with Detectives Halloran and Boudreau listed as two of the reporting officers, indicated that [REDACTED] Maurice [REDACTED] and Clinton [REDACTED] were in custody. [Att. #53]. Detectives Halloran and Boudreau were two of the detectives who arrested [REDACTED]. Other personnel involved in [REDACTED] arrest were Detectives W. Foley, M. Clancy, J. Redmond, and E. Winstead, and Officers F. Vuckonovich, S. Casto, T. Richardson and R. Schaefer. The report indicated that [REDACTED] [REDACTED] girlfriend, told detectives that [REDACTED] told her that he and [REDACTED] argued over money, and he struck [REDACTED] and [REDACTED] with a pole and Ms. [REDACTED] with a pole and an iron. [REDACTED] heard [REDACTED] say that he and Mr. [REDACTED] had set fire to the residence. Mr. [REDACTED] drove [REDACTED] and [REDACTED] to a CHA building at 5326 S. State. [REDACTED] left the building, leaving [REDACTED] in Apartment 1504. On 20 October 1992, officers took [REDACTED] into custody after he fled through a hole into Apartment 1505. He was transported to Area 1.

The Supplemental report continued that [REDACTED] waived his Miranda rights and when questioned, denied committing the murders and other crimes. His shoes were inventoried. The Crime Lab found blood on the inside and outside of the shoes. Detectives interviewed other witnesses and interviewed [REDACTED] again. [REDACTED] said [REDACTED] was his grandfather, Ms. [REDACTED] was his great aunt and [REDACTED] was his great uncle. [REDACTED] argued with [REDACTED] over [REDACTED] asking that [REDACTED] take in him and [REDACTED] so that [REDACTED] could get his life straight. During the argument, [REDACTED] hit [REDACTED] with a pan, a stepladder and a lamp. He also poked him with a fork. He hit Ms. [REDACTED] with an iron. [REDACTED] was seated at the kitchen table. [REDACTED] left and returned. [REDACTED] was eating at the table. [REDACTED] obtained a can of gas in the basement. He hit [REDACTED] with a skillet and poured gas on Ms. [REDACTED] and [REDACTED]. [REDACTED] ignited the gas on [REDACTED]. [REDACTED] left the house, went to 51st and Morgan and bought a bag of "reefer" and returned home to a Bishop address.

The Supplemental report indicated that [REDACTED] statement was reduced to writing in the presence of Det. Boudreau in a court reported statement. Felony Review Assistant State's Attorney L. Lambur approved two counts of first degree murder, aggravated arson and armed robbery against [REDACTED]. Mr. [REDACTED] was charged with aiding a fugitive. Charges of obstructing justice were approved against Mr. [REDACTED]. [Att. #53].

[REDACTED] IR and IDOC records indicated that he was sentenced to life imprisonment after his conviction for murder on 24 June 1994. He is [REDACTED] his sentence at Menard

Log#1009053

Correctional Center. [Atts. #10, #130, #132, #135, #136, #139, #161, #162].

In a letter to OPS on 28 June 2006, [REDACTED] alleged that he was physically abused by Dets. Halloran, O'Brien and Boudreau to provide a false confession to the murders of his aunt [REDACTED] and his grandfather [REDACTED] [Att. #9]. He further alleged that officers threatened him and denied his request for counsel and that they threatened to have his girlfriend locked up for murder. [REDACTED] said brutality was directed at him from 20 October 1992 to 22 October 1992. [REDACTED] said he was questioned for 23 hours and handcuffed for 39 hours; that Det. Boudreau tricked him out of lockup by telling him his lawyer was there to meet him, after which Dets. Halloran and O'Brien beat him. He said he was interviewed by ASA Steven "Rosenblum," but he invoked his right to counsel and to remain silent. [REDACTED] alleged that Det. Boudreau "pleaded" with him to confess and to make it sound like self-defense; that Det. Boudreau pushed his neck when he refused to confess to ASA "Rosenblum" and then placed him in a chokehold and dragged him to a room. He alleged Det. Foley falsified lockup records to "hide the coercion." [REDACTED] cited other defendants' cases in his letter as evidence of the detectives' misconduct. [REDACTED] said that no blood was on his shoes. He said that a federal district court in 2002 found that his statement was involuntarily obtained. [Att. #9].

In his interview with IPRA, [REDACTED] said he did not receive medical treatment on 20-22 October 1992 even though he had bruises on his forehead, which he described as "red spots." [Att. #62]. He did not ask for medical treatment while at Area 1 on those same dates. [REDACTED] said he was given psychiatric treatment at Cook County Jail after being transported there from Area 1. A judge at 26th and California ordered him to be photographed during processing at the Jail.

[REDACTED] as he did in his letter and in an earlier CR Number investigation, alleged that after his arrest on 20 October 1992, while he was riding in the back seat of a squad car, an unidentified detective [Officer #1] slapped his mouth when he said he did not know anything about the murders with which he was eventually charged. Det. Halloran slapped him once in the squad car. [REDACTED] was not sure if he was injured by the slaps, but he felt pain when slapped. He was not given the Miranda warning in the car, but was at Area 1.

When questioned at Area 1, [REDACTED] was asked about the murders by Det. Halloran. Det. Halloran told [REDACTED] that the police had [REDACTED] pregnant girlfriend, [REDACTED] at the Area and that unless he cooperated, she could be charged in the murders. An unidentified officer told [REDACTED] that he would answer questions either at the Area or at the "hospital." The unidentified officer eventually slapped and kicked [REDACTED]. Det. Boudreau said [REDACTED] could go home if [REDACTED] told the detectives what had happened and if the two persons had been killed in self-defense. Det. Boudreau left and returned with Det. Halloran and Officer #1, who asked if [REDACTED] was ready to talk. When [REDACTED] did not respond or said "no," Officer #1 grabbed [REDACTED] collar, and [REDACTED] grabbed Officer #1's hand that held [REDACTED] collar. Det. Halloran grabbed [REDACTED] and forced his head down while Officer #1 punched him. Det. Boudreau was not in the room when Det. Halloran held down [REDACTED] head.

Log#1009053

████████ continued that Det. Boudreau re-entered the room and asked if ██████ wanted to see ██████ go to jail and lose his baby. Det. Boudreau told ██████ details of the crime scene. Det. Halloran returned and grabbed ██████ hand and pushed it against a wall. Det. Halloran later told ██████ that he would talk by choice or by force. Det. Halloran pounded the top of ██████ head with his fist. Det. Boudreau said he could help ██████ with an explanation of self-defense for the killings, or he would be charged with murder.

████████ said ASA "Rosenbloom" gave him the Miranda warning, and ██████ said he would not give a statement and wanted a lawyer. Mr. Rosenbloom asked ██████ why he would need a lawyer if he did not know about the crimes. ██████ said he was tired of being physically abused by the detectives. Det. Halloran returned and said there were witnesses who placed ██████ at the crime scene. Det. Halloran punched and kicked ██████ and then left. ASA Rosenbloom returned, but ██████ said he had nothing to say. Det. Boudreau re-entered the room with Det. Halloran. Det. Boudreau asked why ██████ was continuing to not cooperate. ██████ told Det. Boudreau to "get the fuck" out of ██████ face. Det. Halloran grabbed ██████ hair and pulled it. Det. Boudreau repeated the threat that ██████ could be charged with murder, along with ██████. Det. Boudreau showed him a paper that he said showed that ██████ gym shoes had blood on them.

████████ said that on 21 October 1992, Det. Boudreau led him to the lockup downstairs, shoving his head. ██████ was processed, then put in a lineup on the second floor. He was told he was identified by someone as having left the crime scene. ██████ declined to make a statement and was placed in lockup. Det. Boudreau eventually told ██████ the lawyer he had requested had arrived. A white female named "Lamber" asked ██████ about the crime but did not say initially she was an ASA. She later said she was an ASA and could help him. ██████ said he had nothing to say to "this bitch," Lamber. Det. Boudreau grabbed ██████ neck and his chair and dragged the chair to another room. Det. Boudreau told him not to disrespect Lamber. Det. Boudreau took ██████ to an interview room where the detective pointed to two males, Leo ██████ and Clinton ██████ through a window. Det. Boudreau later told ██████ that Mr. ██████ and Mr. ██████ were blaming ██████ for the murders. Det. Boudreau said he was trying to help ██████ by making the killings self-defense. Det. Boudreau showed photos of the two victims to ██████ and fed him information about them, which ██████ stated out loud. A court reporter was outside the room and apparently took down ██████ comments as a confession, which ██████ signed without reading it. ██████ said he felt coerced to sign it. He feared he would be beaten up more. ██████ said Ms. ██████ was actually killed in a room separate from where he said it occurred in his confession, and she was strangled, which he did not mention in his "confession." ██████ said in his confession that he attacked ██████ but in reality, Mr. ██████ was not attacked during the time of the killings.

████████ said that ASA Lamber had written an alibi statement that included ██████ saying he had stayed at his home on Bishop on the day of the killings, leaving only to go to the store. Det. Halloran asked why ██████ had told Lamber that "bullshit." Det. Halloran grabbed ██████ hair, and ██████ grabbed Det. Halloran's leg. Det. Boudreau called for Det. O'Brien. Det. O'Brien punched ██████ pulled on his fingers and called him a

“motherfucker.” Det. Halloran and Det. O’Brien punched [REDACTED] and Det. Halloran pulled his fingers. [REDACTED] said he repeated information Det. Boudreau had told him, including that the person who went to the victims’ house went there at “7:43,” which [REDACTED] included in his confession. [REDACTED] said Det. Halloran lied in Criminal Court about when he talked to [REDACTED] and how many times. [REDACTED] said he was a member of the Mickey Cobras [gang] at the time of the murders. [Att. #62].

[REDACTED] reviewed an array of officers’ photographs and identified Det. Halloran’s photo. [Atts. #71-78].

In a letter to IPRA in 2009, [REDACTED] included an opinion from the Appellate Court of Illinois, First Judicial District, in which that Court affirmed his convictions for the murders of Mr. [REDACTED] and Ms. [REDACTED]. The Appellate Court said it could not say that the denial of [REDACTED] motion to suppress his in-custody statements to the police was against the manifest weight of the evidence. [Att. #98].

[REDACTED] allegations were, in essence, contained in the previous complaint he had filed with OPS, CR#208498. [Att. #144].

Mr. [REDACTED] Arrest Report indicated that he was arrested on 29 December 1989 at 5721 [REDACTED] on an outstanding bond forfeiture warrant (PCS). While in custody, Mr. [REDACTED] provided a statement that he and a co-defendant, James [REDACTED] murdered [REDACTED] and [REDACTED] Wash [also spelled “Walsh”] on 22 December 1989 at 1118 W. 58th St. [Att. #82].

A Supplementary Report indicated that Mr. [REDACTED] was interviewed at Area 3 and subsequently was given a polygraph examination on approximately 29 December 1989. After the examiner informed Mr. [REDACTED] that he appeared to be untruthful in his responses about the shooting, Mr. [REDACTED] became enraged, grabbing the polygraph paper, tearing it and yelling. He was taken back to Area 3 and re-interviewed. [Atts. #19, #25].

Various Supplementary Reports and the General Offense Case Report provided additional information about the incident and the detectives’ investigation. [Atts. #14-#18, #20, #21, #23, #26, #27]

Another Supplementary Report indicated that during interviews on 30 December 1989, Mr. [REDACTED] told detectives he saw Mr. [REDACTED] give a gun to [REDACTED] and Mr. [REDACTED] shot Mr. [REDACTED] and Mr. Wash as they came out of a garage. [Atts. #22, #24]. Mr. [REDACTED] told detectives he saw Mr. [REDACTED] shoot both men as Mr. [REDACTED] acted as a lookout. Mr. [REDACTED] denied involvement in the incident. On 31 December 1989, Mr. [REDACTED] and Mr. [REDACTED] were transported to Police Headquarters at 11th and State for polygraph examinations, but Mr. [REDACTED] refused to take the examination. Mr. [REDACTED] was polygraphed and his answers indicated deception. While Mr. [REDACTED] was being returned to Area 3, he told Detectives McCann and

Log#1009053

Caesar that he acted as a lookout in the alley and watched as Mr. [REDACTED] shot the “insurance man” [Mr. [REDACTED] collected money owed for insurance policies.]. Mr. [REDACTED] later told detectives that Mr. [REDACTED] told him that he shot Mr. Walsh because Mr. Walsh could identify him. Mr. [REDACTED] said that Mr. [REDACTED] knew nothing of the incident. Mr. [REDACTED] told detectives that he had bought heroin for his habit and observed Mr. [REDACTED] standing next to a garage holding a handgun. Mr. [REDACTED] did not hear shots as he continued home that day.

Mr. [REDACTED] was arrested on 31 December 1989 at his residence at 5734 [REDACTED]. After being transported to Area 3, he declined to make further statements in the matter. Detectives spoke with two witnesses who related that Mr. [REDACTED] told them he was going to rob Mr. [REDACTED]. Hand-written statements were taken from all involved parties, and Felony Review ASA Ricardo Correa approved two counts of murder against Mr. [REDACTED] and Mr. [REDACTED]. The reporting detectives were William Moser, John O’Mara, Phillip Collins, John McCann and Louis Caesar. [Atts. #22, #24].

In a letter to OPS on 14 September 2006 and in his interview with IPRA on 19 March 2009, Mr. [REDACTED] said he was questioned at Area 3 from 2000 hours on 29 December 1989 to 1100 hours on 30 December 1989. Mr. [REDACTED] made the allegations against the now-retired detectives as noted in the Allegations section of this report. Mr. [REDACTED] continued in his letter that he told detectives he did not know about the murders, but had heard about them and that “everybody” knew about them. During the detectives’ questioning, “Detective Collins” hollered at Mr. [REDACTED] telling him to say he knew what happened in the murders. Mr. [REDACTED] said that when he was brought to the old Police Headquarters building for the polygraph test, he did not consent to the test, after which Det. McCann punched him and called him a “nigger.” Mr. [REDACTED] said he then took the polygraph test. After Mr. [REDACTED] was taken back to Area 3, he was told he needed to make a statement that he was with Mr. [REDACTED] when Mr. [REDACTED] shot Mr. [REDACTED] and Mr. [REDACTED] would be released. Mr. [REDACTED] said that when he denied involvement in the crime, Det. McCann slapped him and threatened him. Mr. [REDACTED] was taken to a room where ASA Linda Peters was present. He told ASA Peters the police were beating on him to make him sign a statement. Sgt. John Byrne put a gun in Mr. [REDACTED] face, called him a “nigger” and threatened him. Det. “Moser” told him that the officers needed him only as a witness against Mr. [REDACTED] and he could go home because the police had nothing on him. ASA Correa entered the room with a statement already written and said he needed Mr. [REDACTED] to sign and initial it. Mr. [REDACTED] said he did not read the statement, but signed and initialed it because he was tired of being beaten, tired from no sleep and wanted to go home. Mr. [REDACTED] said Mr. [REDACTED] later told him he heard him being abused at Area 3.

In his IPRA interview, Mr. [REDACTED] said that before he signed the confession, he talked with detectives and made up some stories that might be in detectives’ notes. He said he made up the stories to try to satisfy the detectives, who wanted information. Mr. [REDACTED] said while at Area 3, he did not ask for medical treatment. He told a lockup officer at the police facility at 61st and Racine that he was in pain and had been beaten by detectives, but he was not given medical treatment. When Mr. [REDACTED] was brought to Cook County Jail, he told persons in the processing unit that he had pain on his sides. He was x-rayed at Cermak Hospital at the Jail, and he was told

Log#1009053

he did not have broken bones, but had bruises. When he was able to call relatives, he told them he had been beaten. [Atts. #4, #67].

Cook County Health and Hospitals System reported that Mr. [REDACTED] medical records were not available because they were destroyed, having been greater than 10 years old and inactive. [Atts. #150-155].

Mr. [REDACTED] IR and IDOC records indicated that there was a verdict of guilty in his trial, and he was sentenced to life in prison. His sentence was reduced to 22 years and 28 days. He was paroled on 27 January 2012. [Atts. #5, #127, #129, #133, #134, #137, #141].

None of the personnel accused of misconduct by Mr. [REDACTED] are still working for the Police Department.

Mr. [REDACTED] Arrest Report indicated that he was arrested on 04 February 1992 for the murders of [REDACTED] (also spelled "[REDACTED]" and "Erwing"⁹) on 17 May 1991 and [REDACTED] on 15 September 1991. There was also at least one warrant for disorderly conduct. [Att. #11].

The General Offense Case Report indicated that on 15 September 1991, at approximately 2355 hours, Mr. [REDACTED] was found with head and leg wounds lying in a pool of blood in front of his Chevy station wagon stopped on the street at 1206 W. 51st St. The driver's door was open and a passenger-side window was broken. The vehicle had also struck a parked car. Mr. [REDACTED] was transported by ambulance to Cook County Hospital. A witness had heard five shots and called the police. [Att. #37].

A Supplementary Report indicated that Mr. [REDACTED] was pronounced dead at the hospital on 16 September 1991. He had at least three gunshot wounds. The operator of the Queens Submarine Shop, 1206 W. 51st St., told responding officers that Mr. [REDACTED] had left the shop with a food order seconds before the operator heard gunshots from in front of the shop. [Att. #39].

A Supplementary Report from Dets. M. Kill and K. Boudreau, dated 17 September 1991, indicated that 9th District tactical officers learned that Anthony [REDACTED] 15 YOA, might have information about Mr. [REDACTED] murder. [Att. #41]. Mr. [REDACTED] aunt allowed him to go with the officers to Area 3, where he was arrested for possession of suspected narcotics that were found on him during a search. He was then questioned about Mr. [REDACTED] murder. Mr. [REDACTED] initially told detectives an account of his activities on 15 September 1991 that did not include involvement in the murder. Detectives located a witness, Gus Robinson, who related that he was in front of 1102 W. 51st St. when Mr. [REDACTED] asked him to be a lookout for a robbery of a "white dude" who was in the submarine shop. Mr. [REDACTED] told Mr. Robinson that he [Mr. [REDACTED]] "Little A" and a friend were going to commit the robbery. After Mr. Robinson refused to be the lookout, he drove around the block and then heard approximately three gunshots from the vicinity of the

submarine shop. Mr. Robinson went home.

The detectives re-interviewed Mr. [REDACTED] and advised him of his rights and that if he were charged, it would be as an adult. Mr. [REDACTED] agreed to speak about the incident, and the detectives told him about their conversation with Mr. Robinson. Mr. [REDACTED] told the detectives that on 15 September 1991, at approximately 2345 hours, he was standing on the sidewalk near the submarine shop at 1206 W. 51st St. He was with his friend, "[REDACTED]" and "[REDACTED]". [REDACTED] went into the submarine shop and then told them there was a Mexican in the restaurant who had a lot of money, and they were going to rob him. [REDACTED] showed Mr. [REDACTED] a handgun, which was in the front waistband of his pants. Mr. [REDACTED] realized the gun was the .380 "automatic" that "[REDACTED]" usually carried, loaded, at night. [REDACTED] told Mr. [REDACTED] to go to the corner of 51st and Racine to look for any officers.

Mr. [REDACTED] continued that he went to the corner and looked up and down Racine. He also met a friend, "[REDACTED]" whom he asked to be the lookout. [REDACTED] refused and drove away. Mr. [REDACTED] went to the corner of 51st and Racine and looked for officers. He was satisfied no officers were in the area and returned to the east side of the submarine shop. He told "[REDACTED]" "All right!" The victim [Mr. [REDACTED]] came out of the submarine shop. [REDACTED] walked up to Mr. [REDACTED] and announced a "stickup." [REDACTED] was next to [REDACTED] Mr. [REDACTED] said something, ran to his car, entered it and started it. As he backed up, [REDACTED] went up to the car and fired four shots at Mr. [REDACTED] Mr. [REDACTED] turned to run and heard approximately three shots as he ran away. Mr. [REDACTED] said he stood away from the submarine shop window and ran because he lived nearby and did not want to be identified. Mr. [REDACTED] ran to his house and looked out a window. He saw Mr. [REDACTED] moving around on the ground "for a while." Mr. [REDACTED] stopped moving and then an ambulance came for him.

The detectives notified Felony Review, and ASA Brian Grossman responded to Area 3. Dets. Kill and Boudreau turned over the investigation to Dets. Caesar and McCann and attempted to identify "[REDACTED]" and "[REDACTED]". [REDACTED] was [REDACTED] 5038 S. Damen. Efforts were made to apprehend Mr. [REDACTED] but they were "met with negative results." ASA Grossman and Det. Caesar interviewed Mr. [REDACTED] who in essence related the same information he related earlier to the detectives. Mr. [REDACTED] interview was reduced to writing and signed by him, ASA Grossman, Det. Caesar and Youth Officer Kenneth Burke. ASA Grossman approved charges of murder against Mr. [REDACTED] [Att. #41].

A Supplementary Report from Dets. William Foley and Kenneth Boudreau, dated 07 February 1992, indicated that Mr. [REDACTED] was arrested at [REDACTED] S. Sangamon as the second offender in the murder of Mr. [REDACTED] [Att. #42]. Mr. [REDACTED] was found hiding under a bed in the basement, and a live 9mm round was found under him as he was ordered to come out from under the bed. Mr. [REDACTED] was transported to Area 3.

The detectives interviewed Mr. [REDACTED] about both homicides, giving him the Miranda warning prior to the interviews. Mr. [REDACTED] related that he was a member of the Black Stone street gang since 1989 and sold drugs. Mr. [REDACTED] said that on 15 September 1991, he went to a

Log#1009053

submarine shop at 51st and Racine and observed the “Mexican guy” [Mr. ██████] who was wearing some jewelry and had a lot of money. Mr. ██████ exited the sub shop and told another gang member, Shawn ██████ that they were going to rob Mr. ██████. Mr. ██████ told another gang member, Frederick ██████ to get the gun that was hidden at 53rd and ██████ where they sold dope. Mr. ██████ returned and gave the gun to Mr. ██████ who gave it to Gus “██████” Robinson. When Mr. ██████ exited the sub shop, Mr. ██████ and Mr. Robinson accosted him and told him it was a stickup. Mr. ██████ ignored them and walked to his car. When Mr. ██████ entered his car, Mr. Robinson ran up and shot him several times. Mr. ██████ ran away to 53rd and ██████

After the detectives told Mr. ██████ the discrepancies between his account and accounts from a co-offender and a witness, Mr. ██████ changed his account. He said that after ██████ Mr. ██████ in the store, he got the gun, a .380 pistol, from 53rd and ██████. Mr. ██████ stopped Mr. ██████ as he was leaving the sub shop and announced the stickup. Mr. ██████ walked to his car, and Mr. ██████ followed him. Mr. ██████ shot Mr. ██████ two or three times as Mr. ██████ sat in the car. Mr. ██████ fled the scene to 53rd and ██████. He learned later, “on the street,” that he had killed Mr. ██████.

The Supplementary Report continued that ASA J. Danielian of Felony Review responded to Area 3, interviewed Mr. ██████ and reduced the interview to a handwritten statement, which Mr. ██████ read, corrected and signed. ASA Danielian recommended that Mr. ██████ be charged with first degree murder. [Att. #42].

Various Supplementary Reports and the General Offense Case Report provided additional information about the incident and the detectives’ investigation of Mr. ██████ death. [Atts. #38, #40].

A Supplementary Report from Dets. Foley and Boudreau, dated 18 February 1992, indicated that Mr. ██████ was accused of being one of four offenders in the shooting death of ██████ at 927 W. 54th St. on 17 May 1991 at approximately 0005 hours. [Att. #32]. A witness, ██████ named Mr. ██████ as an offender in the ██████ homicide. Another offender in the ██████ homicide, Nathaniel Anderson, had been killed on 10 October 1991 at 1825 W. Garfield. Mr. ██████ related to detectives that he was a “soldier” in the Black Stone Nation street gang, Mr. Anderson had been a “general” and Mr. ██████ was an “enforcer” in the gang. During the late evening of 16 May 1991, Mr. ██████ followed Mr. Anderson, Mr. ██████ and two other gang members, “██████” and “██████” to 927 W. 54th St., where Mr. ██████ a member of a rival gang, was standing on the porch. The building was a dope-house for the rival gang. Mr. ██████ stayed in the background, but he heard Mr. Anderson and Mr. ██████ say “gang sayings” to Mr. ██████. Mr. Anderson then demanded drugs from Mr. ██████ but Mr. ██████ said he did not have drugs. Mr. Anderson and Mr. ██████ then fired handguns at Mr. ██████. Mr. ██████ looked away and then looked back at the porch, ██████ Mr. ██████ falling back into the hallway. Everyone ran from the scene. On the next day, Mr. ██████ saw Mr. Anderson and Mr. ██████ and they talked about shooting Mr. ██████ as the correct way to take care of business. Mr. ██████ statement was reduced to a hand-written statement, and he read, corrected and signed it.

The Supplementary Report continued that Mr. [REDACTED] was interviewed at Area 3 about the murder of Mr. [REDACTED] and at first he said he had no knowledge of the incident. After he was told about the status of the investigation, Mr. [REDACTED] said he was in the area of the murder and that he was an officer in the Black Stone Nation street gang. Mr. [REDACTED] related that on the night of the [REDACTED] murder, he was selling dope in the area of 52nd to 53rd and [REDACTED]. He was approached by his general in the gang, "[REDACTED] [Mr. Anderson], who told Mr. [REDACTED] that they were going to rob a dope house on 54th Street that belonged to a rival gang, the Jet Black Stones. The robbery was to be in retaliation for the Jet Black Stones robbing Black Stone Nation dope dealers. Mr. Anderson gave Mr. [REDACTED] a "Tech 9" machine pistol. Mr. Anderson was armed with a .38-cal. revolver. Other Black Stone Nation members were around a corner, including "[REDACTED] and "[REDACTED]

Mr. [REDACTED] related that he and Mr. Anderson approached the Jet dope house at 927 W. 54th St., and Mr. [REDACTED] heard several shots. He did not know where they came from or who was shooting at him. Mr. [REDACTED] saw a Jet named "[REDACTED] run down from the second floor of the dope house to the front porch. As "[REDACTED] got to the front porch, Mr. [REDACTED] pulled the trigger on the "Tech 9," which fired. "[REDACTED] did not have a weapon in his hand. Mr. [REDACTED] assumed that "[REDACTED] was the source of the several shots he had heard. Mr. [REDACTED] saw "[REDACTED] fall to the floor of the hallway in the dope house. After Mr. [REDACTED] shot "[REDACTED] Mr. [REDACTED] and Mr. Anderson ran from the scene. On the following day, Mr. [REDACTED] was at 53rd and [REDACTED] with a large group of fellow gang members when Mr. Anderson came up to him and told him that shooting "[REDACTED] in the dope house was the "best way" to take care of the business and control the Jets.

Detectives notified ASA Danielian of Felony Review, who came to Area 3, interviewed Mr. [REDACTED] and reduced Mr. [REDACTED] statement to a handwritten statement that Mr. [REDACTED] read, corrected and signed. It was recommended that Mr. [REDACTED] be charged with first degree murder. [Att. #32].

Various Supplementary Reports, the General Offense Case Report and Crime lab reports provided additional information about the incident and the detectives' investigation of Mr. [REDACTED] death. [Atts. #29-#31, #33- #35, #43-#45].

Mr. [REDACTED] IR and IDOC records indicated that he was sentenced to 60 years for the [REDACTED] murder. He is [REDACTED] his sentence at Danville Correctional Center. [Atts. #8, #126, #128, #131, #138, #140, #163].

In letters to OPS on 03 November 2006, Mr. [REDACTED] related that detectives physically abused him and he was "manipulated psychologically" to confess to the murder of Mr. [REDACTED] [Atts. #6, #7]. He said that when he was arrested on 04 February 1992, an officer stomped him once on his head. At Area 3, Dets. Boudreau, Foley and Evans interrogated him, and he denied involvement in the murder. ASA "Danielian" entered the room and began to question Mr. [REDACTED] who said he had nothing to say. ASA Danielian got upset and left. Det. Foley entered the room and grabbed Mr. [REDACTED] by his collar and choked him while threatening to throw him out of a window. Det. Boudreau witnessed the choking and the threats. Det. Boudreau provided details of

Log#1009053

the crime and ASA "Danielian" wrote a statement. Mr. [REDACTED] did not suggest changes to the statement and "picked up" information from Det. Boudreau during the interrogation. ASA "Danielian" changed initial words of the statement, including Mr. [REDACTED] age, which he knew before writing the statement.

Mr. [REDACTED] said that Mr. [REDACTED] recanted the statement about the murder that he gave Det. Boudreau. Mr. [REDACTED] added that neither Mr. [REDACTED] nor any other eyewitness, was called by the state to testify against him. Mr. [REDACTED] said there was evidence from other defendants' cases that Det. Boudreau and other Area 3 detectives had beaten or otherwise coerced false confessions from them. Mr. [REDACTED] also alleged that Det. Boudreau committed perjury by testifying that he observed Mr. [REDACTED] hanging out in drug hot spots between January and November of 1990, a period during which Mr. [REDACTED] was incarcerated. Mr. [REDACTED] said that in 1997, appellate courts ruled that the admission of Det. Boudreau's testimony about receiving a statement from Mr. [REDACTED] implicating Mr. [REDACTED] in a crime was error. [Atts. #6,#7].

In his deposition of 04 March 2008, taken at Menard Correctional Center, Mr. [REDACTED] said his nickname was "[REDACTED]" [Att. #89]. In early 2007, Mr. [REDACTED] sent his attorney motion and trial transcripts related to his trial for the murder of [REDACTED] Mr. [REDACTED] appeal of his conviction for that murder was denied. He said a post-conviction proceeding was dismissed. On 23 June 1994, Mr. [REDACTED] was found guilty by a jury of the murder and attempted armed robbery of Mr. [REDACTED] in case number 92-CR-5074. Judge Durkin sentenced Mr. [REDACTED] to 60 years in prison for the murder and 15 years for the attempted armed robbery. In addition, Mr. [REDACTED] said he pleaded guilty to robbery on 25 September 1990 before Judge Singer in case number 89-CR-25173 and was sentenced to four years of prison. Mr. [REDACTED] was found guilty by Judge Durkin on 12 April 1993 of delivery of a controlled substance in case number 91-CR-23002. He was sentenced to seven years of prison in that case, to run concurrent with the sentences for murder and attempted armed robbery. Mr. [REDACTED] mailed a complaint to OPS in July of 2006 about being abused by Area 3 detectives regarding his arrest for the murders of Mr. [REDACTED] and Mr. [REDACTED]

Mr. [REDACTED] knew "Claiborne" [REDACTED] from 51st and May, and they were friends. [REDACTED] was a member of the Mickey Cobras street gang, who are "People" [vs. "Folks"] as are the Black Stones, of which Mr. [REDACTED] used to be a member. [REDACTED] nicknames were "[REDACTED]" and "Kardeen." Mr. [REDACTED] knew Bernard "Rock" Gales, a general in the Black Stones street gang, who lived a block away from him. Mr. Gales did time at Stateville Correctional Center. He died in 2007. Mr. [REDACTED] said he knew Kilroy Watkins from the neighborhood at 51st and Wallace and had gone to grade school with him. Mr. [REDACTED] saw Mr. Watkins in Cook County Jail and at Pontiac Correctional Center. Mr. Watkins was also a general in the Black Stones. Mr. [REDACTED] knew Nathaniel "[REDACTED]" Anderson from their neighborhood, and they went to grade and high school. Mr. Anderson, who died in 1991, had been a general in the Black Stones. Mr. [REDACTED] knew [REDACTED] "Boogy" [REDACTED] from 52nd and May, and he was an "officer" in the Black Stones. Mr. [REDACTED] knew [REDACTED] "Triplet" as a Black Stone, and from high school. Mr. [REDACTED] also knew a woman named "Tennielle [REDACTED]" from 52nd and May, and he spoke with her on the phone from Menard.

Mr. [REDACTED] said [REDACTED] was a friend of his from his neighborhood and they went to

Log#1009053

the same grade school. Mr. [REDACTED] thought Mr. [REDACTED] was a Mickey Cobra and later, a Jet Black Stone, a gang that is part of "People." Mr. [REDACTED] said he had nothing to do with Mr. [REDACTED] death. Mr. [REDACTED] said he did not know his whereabouts on 17 May 1991. In another part of the deposition, Mr. [REDACTED] said that on 16-17 May 1991, he was not at 53rd and [REDACTED] where he acknowledged that the Black Stones kept a gun. Mr. [REDACTED] knew the building at 927 W. 54th St. to be a location from where a friend, [REDACTED] a Black Stone, sold drugs, and therefore the building was controlled by the Black Stones. Mr. [REDACTED] said that in 1991, he briefly sold drugs for himself in his neighborhood at 52nd and [REDACTED]

Mr. [REDACTED] knew Anthony [REDACTED] also known as Shawn [REDACTED] from their neighborhood. Mr. [REDACTED] knew a man from his neighborhood whose nickname and last name was "Gun" and whose real first name was David. Mr. Gun was also in the Black Stones. Mr. [REDACTED] knew a man named Gus "[REDACTED] Robinson, who used to come around a submarine shop at 51st and Racine that Mr. [REDACTED] frequented in 1989. Mr. Robinson might have been a Mickey Cobra. Mr. [REDACTED] never spoke with Mr. Robinson.

Mr. [REDACTED] said he did not know [REDACTED] and did not have anything to do with his murder. Mr. [REDACTED] did not know where he was on 15 September 1991. In another part of the deposition, he said he knew he was not at the sub shop at 51st and Racine at approximately midnight on 15 September 1991, and he was not with Anthony [REDACTED] that evening. Mr. [REDACTED] did not know where Mr. [REDACTED] was that evening. Mr. [REDACTED] did not shoot Mr. [REDACTED] and he did not recall telling police that Mr. [REDACTED] shot Mr. [REDACTED]. Mr. [REDACTED] did not see who shot Mr. [REDACTED] and he did not know if Gus Robinson shot him. He did not recall telling officers that Mr. Robinson shot Mr. [REDACTED] or telling officers he knew someone named Frederick Gun. Mr. [REDACTED] did not see who shot Mr. [REDACTED] and he had no knowledge of who did. Mr. [REDACTED] was not present when [REDACTED] was shot and he did not know anyone who was present for that shooting. He said he heard that the person who shot [REDACTED] was nicknamed "Lump."

Mr. [REDACTED] related that on 04 February 1992, he was arrested approximately 0800-0830 hours in the basement at [REDACTED] S. Sangamon, where he stayed periodically. Mr. [REDACTED] was on parole for his robbery conviction and he was wanted on the delivery of a controlled substance charge. The Sangamon address was the home of Martha and Frank [REDACTED] who was under house arrest, was the son of Frank [REDACTED]. Mr. [REDACTED] was hiding under a bed when arrested. At least three plainclothes officers, including William Foley and "Jud Evans," arrested him. Officer Evans stomped Mr. [REDACTED] on the back of his head with his foot before handcuffing him. The other officers searched the house and found a 9mm bullet under the bed where he had been hiding. Mr. [REDACTED] was allowed to dress and then was transported to Area 3 and placed in a room where one of his hands was handcuffed to a ring on the wall.

Mr. [REDACTED] said Detective Boudreau, whom he had seen driving around in his neighborhood, entered the room with Officer Evans, and they asked him about the murders of [REDACTED] and Mr. [REDACTED]. They spoke to Mr. [REDACTED] for at least three hours. Mr. [REDACTED] said he was not involved in the [REDACTED] murder. When asked during the deposition if Mr. [REDACTED] was shown a statement by [REDACTED] Mr. [REDACTED] said that Det. Boudreau held some papers in his hands

Log#1009053

and did not show them to Mr. [REDACTED]. Det. Boudreau said that Mr. [REDACTED] had told them (detectives) that Mr. [REDACTED] was involved in the [REDACTED] murder. Mr. [REDACTED] asked one of the officers if he could use the washroom possibly twice, but he did not use the washroom during the three hours. He was not given anything to eat or drink in that period. Before ASA Danielian entered the room, Det. Boudreau and Officer Evans did not abuse him.

Mr. [REDACTED] said that ASA Danielian arrived and entered the interview room. Officer Evans left and Det. Boudreau remained. ASA Danielian asked Mr. [REDACTED] if he wanted to tell him what happened in both murders. Mr. [REDACTED] did not provide any information about the murders to ASA Danielian, and he said he had no involvement with the [REDACTED] murder. ASA Danielian left the room.

Mr. [REDACTED] related that immediately after ASA Danielian left the room, Det. Foley entered the room. Det. Boudreau was still present. Det. Foley grabbed Mr. [REDACTED] neck with both hands for a few seconds and started choking him while Mr. [REDACTED] was still sitting with one hand handcuffed to the ring. Det. Foley threatened Mr. [REDACTED] by saying if he did not cooperate, he was going to throw Mr. [REDACTED] out of the window. Mr. [REDACTED] said he was not injured in any way from Det. Foley choking him. Mr. [REDACTED] who was scared, told Det. Foley he would cooperate. Det. Foley left the room, and then ASA Danielian came back in. ASA Danielian and Det. Boudreau questioned him about the murders for possibly more than an hour. Mr. [REDACTED] was allowed to use the washroom possibly twice after the ASA arrived. During the questioning, Mr. [REDACTED] sat at a desk. He was not handcuffed to the desk.

After Mr. [REDACTED] was questioned, ASA Danielian wrote out two statements. Det. Boudreau coached Mr. [REDACTED] about what to say to ASA Danielian for the statements. ASA Danielian read the statements out loud to Mr. [REDACTED] who also read them silently. ASA Danielian made changes and corrections in the statements. Mr. [REDACTED] did not ask him to make the changes or corrections. Mr. [REDACTED] said that, in his opinion, ASA Danielian purposely wrote some "things" that he later went back and changed. Mr. [REDACTED] ASA Danielian and Det. Boudreau signed the statements. All three persons initialed the changes or corrections made by ASA Danielian. Mr. [REDACTED] could not remember any specific facts about the murders that Det. Boudreau coached him on. By the time the statements were completed, it was later in the evening. Mr. [REDACTED] was allowed to use the washroom approximately twice only after the statements were taken (Mr. [REDACTED] said his earlier references to being allowed to use the washroom approximately twice were actually his uses of the washroom after the statements were taken.). After the statements were taken, Mr. [REDACTED] was given Oreo cookies, which he did not eat, and a can of pop, which he drank. He did not remember if he was given cigarettes.

After the statements were taken, Mr. [REDACTED] was transported to another police station. He did not tell anyone there that he had been mistreated by police. Mr. [REDACTED] was eventually transported to Cook County Jail. Mr. [REDACTED] said that a paramedic at the Jail screened him and asked him questions. Mr. [REDACTED] did not tell the paramedic that he had been injured and did not say he needed medical attention. He did not tell any Jail staff that he had been mistreated by police. Mr. [REDACTED] said that while he was at the Jail, he called his grandmother, Mittie [REDACTED] and told her

Log#1009053

about the mistreatment.

Mr. [REDACTED] said his trial for the [REDACTED] murder was first, and he testified at a suppression motion [that motion also covered the [REDACTED] evidence] and at the trial. Anthony [REDACTED] was also tried. Mr. [REDACTED] was acquitted in the trial. Mr. [REDACTED] testified at his trial for the [REDACTED] murder, for which he was found guilty. During the deposition, Mr. [REDACTED] reviewed the statements attributed to him regarding the two murders. Mr. [REDACTED] knew the [REDACTED] statement "by heart" because it "destroyed" his life. Mr. [REDACTED] said he never robbed anyone at gunpoint. [Att. #89].

Mr. [REDACTED] through his attorneys, filed a complaint at law, 07-CH-27699, seeking release of Police Department documents denied him when he filed a Freedom of Information Act request. In the complaint at law, Mr. [REDACTED] said that the only eyewitness to the murder for which he was convicted gave police descriptions of offenders that did not match Mr. [REDACTED]. The eyewitness was not called at Mr. [REDACTED] trial, but later testified that Mr. [REDACTED] was not one of the offenders. [Att. #95].

In his deposition of 20 November 2008, Sgt. Boudreau denied grabbing [REDACTED] hair during his interrogation, and he did not tell [REDACTED] that his girlfriend, [REDACTED] would go to jail if he did not confess. [Att. #164]. He did not tell [REDACTED] that [REDACTED] would lose her baby if he did not confess. Sgt. Boudreau denied punching [REDACTED] or telling him to claim self-defense in the case. In addition, Sgt. Boudreau said he did not "feed" [REDACTED] any details of the crime scene to aid him in his court-reported statement. Sgt. Boudreau might have questioned [REDACTED]. Sgt. Boudreau said [REDACTED] told him he went to his relatives' home to ask for money. [REDACTED] initially denied involvement in the murders. Sgt. Boudreau did not plant blood on [REDACTED] shoes, and he did not take the shoes to the crime scene. Sgt. Boudreau did not see Det. Halloran or anyone else hold down [REDACTED] and he did not see anyone punch [REDACTED]. Sgt. Boudreau did not recall showing victims' photos to [REDACTED].

Sgt. Boudreau denied using any physical force while questioning Mr. [REDACTED] about the [REDACTED] murder. When asked if he recalled another detective grabbing Mr. [REDACTED] by his neck during his interrogation, Sgt. Boudreau replied that he did not recall if there was another detective taking part in the interview. Sgt. Boudreau denied threatening to throw Mr. [REDACTED] out of a window if he did not cooperate in the interview. Sgt. Boudreau said he might or might not have interviewed Anthony [REDACTED] in the [REDACTED] murder. Sgt. Boudreau believed he questioned Mr. [REDACTED] in the [REDACTED] murder. Sgt. Boudreau questioned [REDACTED] about the [REDACTED] murder, and he did not use force against him. Mr. [REDACTED] wrote a letter to Sgt. Boudreau from prison thanking him for straightening [him] out and saving his life. Mr. [REDACTED] life was straightened out because Mr. [REDACTED] and Nate Anderson, a "renegade general" in the Black Stones, were robbing other members of the Black Stones, and there was a contract out on their lives. "General Nate" was murdered, and Mr. [REDACTED] talked to Sgt. Boudreau about that situation. Sgt. Boudreau might or might not have conducted a lineup with Mr. [REDACTED] in it regarding the [REDACTED] murder. He believed he attempted to locate [REDACTED] and [REDACTED] as persons involved in the murder. He

Log#1009053

did not recall if they were located. Sgt. Boudreau might or might not have attempted to speak with [REDACTED] about Mr. [REDACTED] involvement in the [REDACTED] murder. Sgt. Boudreau knew Gus Robinson, whose nickname was "[REDACTED]". Mr. Robinson provided information about the [REDACTED] murder and other crimes committed by the Black Stones. Mr. Robinson "reached out" for help from Sgt. Boudreau, including help to move to a new location. Sgt. Boudreau said he never struck a homicide suspect with the intent of getting that person to confess to a crime. When asked if he ever observed another detective strike a homicide suspect while that suspect was in custody at the old Area 3, Sgt. Boudreau said he might or might not have, depending on the meaning of "strike" and whether the suspect might have been trying to escape, or when an offender attacked a detective, or if a person did not want to stand in a lineup and detectives had to grab them. He said there might have been a time when an officer or detective in Area 3 did "put their hands on somebody." Sgt. Boudreau had no recollection of any detective at Area 3 striking a suspect in custody. [Att. #164].

In a statement to IPRA on 09 October 2013, Sgt. Boudreau related that he did not observe any officer make abusive or physical contact during Mr. [REDACTED] arrest in 1992. [Att. #160]. Sgt. Boudreau did not recall seeing any injury on Mr. [REDACTED] at the time of his arrest, and he said Mr. [REDACTED] arrest report appeared to be accurate. Sgt. Boudreau denied doing anything to coerce Mr. [REDACTED] into confessing to the two murders, and he said he did not see any officer or detective take part in attempting to coerce Mr. [REDACTED] to confess. Det. Boudreau said he did not observe any other detective or officer make any physical contact with Mr. [REDACTED] during the investigation of him and questioning of him as a suspect in the two murders. Specifically, Sgt. Boudreau did not observe Det. Foley choke Mr. [REDACTED] and threaten to throw him out a window at the former Area 3 headquarters. [Sgt. Boudreau related that Det. Foley was now deceased.]. [Att. #160].

CONCLUSION:

Because [REDACTED] allegations essentially were contained in the previous complaint he filed, CR#208498, the accused detectives' responses to the allegations, as contained in the summary report for CR#208498, stand as reported. Those findings were that the allegations against Dets. Halloran and Boudreau were Not Sustained. The allegation against Det. O'Brien was Unfounded. The allegations against an Unknown detective were Not Sustained. The Reporting Investigator recommends that those findings not be changed.

The detectives and officers accused of misconduct by Mr. [REDACTED] are retired or unidentified. The R/I recommends that the findings for the allegations against them be Not Sustained.

Regarding Mr. [REDACTED] the R/I recommends that the finding for Allegation #1, that the unidentified officer "Judd Evans" stomped on Mr. [REDACTED] head, be Not Sustained because the accused officer was not identified and because Sgt. Boudreau did not observe any officer make abusive or physical contact during Mr. [REDACTED] arrest in 1992.

The R/I recommends that the finding for Allegation #1, that retired Det. Foley choked

Log#1009053

and threatened to throw Mr. [REDACTED] out of a window at Area 3, be Not Sustained because Det. Foley's account of the alleged incident was not available and because Sgt. Boudreau said he did not observe Det. Foley commit those acts.

The R/I recommends that the finding for Allegation #1, that Sgt. Boudreau coerced Mr. [REDACTED] into confessing to the murders of Mr. [REDACTED] and Mr. [REDACTED] be Not Sustained. Sgt. Boudreau denied coercing Mr. [REDACTED] and, although Mr. [REDACTED] was acquitted of Mr. [REDACTED] murder, he signed confessions to both crimes and was found guilty in Mr. [REDACTED] death. Insufficient evidence exists to prove or disprove the allegation. The R/I recommends that the finding for Allegation #2, that Sgt. Boudreau observed Det. Foley's actions and heard his threat and failed to report the same, be Not Sustained because of Sgt. Boudreau's denying he observed that act or heard that threat. Insufficient evidence exists to prove or disprove the allegation.

Re: COPA Log Number 1079222

Dear Mr. [REDACTED]

We are in receipt of your correspondence regarding the alleged police misconduct, which you allege occurred in 1978. The four Chicago Police Department (CPD) employees you accuse of misconduct, and all the officers named in the accompanying police reports surrounding your arrest - no longer work for CPD. While we in no way condone the kind of conduct alleged in your correspondence, our office investigates allegations of misconduct against current members of the CPD. We have closed the above-referenced file as there are no members we can investigate.

Very truly yours,

Convict Drops Cop Torture Claim To Win His Freedom

By Steve Mills

Tribune Staff Writer

January 20, 2001

A convicted murderer who long has maintained that he was among those tortured by a notorious group of South Side detectives led by Lt. Jon Burge pleaded guilty Friday to lesser charges in exchange for a reduced prison term that could set him free in less than three years.

Darrell Cannon, who was seeking a new trial, said he confessed to the 1983 drug-related murder of [REDACTED] Ross only after detectives placed a shotgun in his mouth and shocked his genitals with an electric cattle prod.

Cannon's agreement is the latest development in a story that has slowly emerged over the past two decades as dozens of suspects, including more than a half-dozen on Death Row, have pressed their claims of systematic torture under Burge.

Burge was fired from the Police Department in 1993 for torturing Andrew Wilson, who was convicted of the murders of two police officers.

Cannon's efforts to substantiate his claim of abuse could influence the outcomes of other cases in which defendants are trying to prove Burge and his officers tortured them. Death Row inmates Aaron Patterson and Stanley Howard have been granted evidentiary hearings by the Illinois Supreme Court to make abuse claims as they seek new trials.

"The potential of what could have happened is what drove the state and [Cook County State's Atty. Dick] Devine to give us this remarkable deal," said Cannon's lawyer, G. [REDACTED]

"If you're a judge in another one of these cases, you have to recognize the significance of what the state did here."

Among the claims are that suspects confessed only after they were beaten, subjected to electric shocks or nearly suffocated by Burge or his detectives working at the old Burnside police headquarters.

Cannon's plea agreement followed testimony from internal police investigators, medical and psychological experts and other alleged victims of abuse, who bolstered Cannon's claim during hearings that played out over several months.

Cannon, 50, has insisted that he confessed only after Sgt. John Byrne and Detective Peter Dignan put a shotgun in his mouth and pulled the trigger and shocked his genitals with an electric cattle prod.

He pleaded guilty Friday to conspiracy to commit murder and armed violence in

Don't release torture report: lawyers

Investigators want to reveal names of cops who testified

BY STEFANO ESPOSITO
AND ADDON M. PALLASCH
Staff Reporters

Attorneys for some Chicago Police officers who testified during a probe into torture allegations against Lt. Jon Burge are trying to block public release of a written report of the investigation.

The attorneys appeared in court at 26th and California on Tuesday.

as special prosecution told Criminal Courts Presiding Judge Paul Blebel they want to make public the names of all the police officers and Cook County assistant state's attorneys who testified before the grand jury during the four-year investigation.

Blebel set a May 12 court date for attorneys to argue the issue.

The lawyers for the police officers say they have no idea what's in the highly anticipated report and would like to halt its release at least until they are able to review it, and perhaps longer.

"We're not stalling anything," attorney Joseph Roddy, who represents one of the police officers, said after Tuesday's hearing. "We're just trying to do our job as lawyers. ... Why should we allow something to go into that report that might be harmful without having a day in court?"

Torture allegations date to '70s

In April 2002, Blebel appointed former state Appellate Court Judge Edward Egan and former prosecutor Robert D. Boyle to investigate allegations that Burge and those he commanded repeatedly shocked, beat and suffocated suspects during interrogations dating back to the 1970s. In the early 1990s, the police department's Office of Professional Standards found a "preponderance of evidence" that the abuse occurred and that it was systematic.

Burge was fired, but he has never been charged with a crime. In their motion asking to release the names of police and prosecutors, Egan and Boyle make no mention of any possible indictments stemming from the probe. But last week, Boyle cautioned against drawing any conclusions about the final outcome of the probe.

In court Tuesday, attorney George Becker, representing one of the police officers, argued that the special prosecutors' report, because it is based mostly on information obtained from normally secret grand jury proceedings, shouldn't be made public.

Egan replied: "That statement is absolutely dead wrong."

He added, "Ninety-nine and ninety-nine hundredths" of the information came from outside the grand jury.

Outside the courtroom, those who caught the appointment of the special prosecutors said they would be very disappointed if the probe didn't result in charges.

"There is only one possible conclusion that could be drawn by anyone who has had the opportunity ... to examine this situation over the course of four years, and that is that torture occurred, that it was widespread and that its effects are ongoing today," said Jackie Bowman, legal director of the NAACP.

'We want that report'

Black Caucus urges release of probe into police torture

BY FRAN SPIELMAN
City Hall Reporter

The City Council's Black Caucus on Friday demanded the release of a special prosecutor's four-year, \$6.7 million report into torture allegations against former Chicago Police Lt. Jon Burge.

"There is still this belief in our community that we allowed black people to be tortured by Chicago Police and did nothing. This belief will be there until we put closure to it," said Ald. Fredrickson Lyle (8th).

"We want that report released for the same reason Holocaust victims want Nazi soldiers found and prosecuted: to feel there is justice in this world. ... If there are allegations of torture in that report, we want the people prosecuted. ... If there are allegations about any state's attorney, I want their name in the paper so when they try to become a judge, we can say, 'Wait a minute. This is the guy who participated when they were torturing people.'"

Ald. Ed [redacted] (28th), chairman of the Black Caucus, said the Burge report needs to be released so its findings are impossible to ignore. If it's kept secret,

blacks will never again put their trust in Chicago police, he said.

"If someone has committed a crime, let them do the time. ... That is our position. Take them to court, try them, convict them and send them to jail. We don't care who it is," [redacted] said.

"People have to understand that we are no longer going to stand by and allow this kind of stuff to happen. If it happens and we know about it ... we are going to talk about it and push for justice in our community. That's what this is all about. There's a lot of stuff going on in our city that should not be going on. We've got to clean this town up."

'Sweep under the rug'

Ald. Toni Preckwinkle (4th) said it's bad enough that the alleged torture was allowed to go on for decades.

To have the long-overdue report kept secret "makes it appear as if there's an effort to sweep under the rug, to cover up, to protect illicit, illegal activity on the part of our police officers who pledge to serve and protect us, and that's disgraceful," Preckwinkle said.

In 2002, Criminal Courts Presiding Judge Paul Blebel appointed former Illinois Appellate Court Judge Edward Egan and former prosecutor Robert D. Boyle to in-

vestigate allegations that Burge and those under his command repeatedly shocked, beat and suffocated suspects during interrogations dating back to the 1970s.

The investigation that reportedly started with 64 cases and ultimately examined the claims of three times that many victims has cost Cook County taxpayers \$6.7 million.

In the early 1990s, the Chicago Police Department's Office of Professional Standards found a "preponderance of evidence" that the abuse occurred and that it was systematic. Burge was fired, but he has never been charged with a crime.

Earlier this week, attorneys for some Chicago police officers who testified during the investigation tried to block public release of the written report — at least until they're able to review it, and perhaps longer.

They argued that the report is based mostly on information obtained from normally secret grand jury proceedings and, therefore, should not be made public.

Egan denounced that claim as "absolutely dead wrong." He argued that "ninety-nine and ninety-nine hundredths" of the information came from outside the grand jury.

Blebel will hear arguments on the issue next Friday.

Don't release torture report: lawyers

Investigators want to reveal names of cops who testified

Attorneys for some Chicago Police officers who testified during a probe into torture allegations against Lt. Jon Burge are trying to block public release of a written report of the investigation.

The attorneys appeared in court at 26th and California on Tuesday,

as special prosecutors told Criminal Courts Presiding Judge Paul Biebel they want to make public the names of all the police officers and Cook County assistant state's attorneys who testified before the grand jury during the four-year investigation.

Biebel set a May 12 court date for attorneys to argue the issue.

The lawyers for the police officers say they have no idea what's in the highly anticipated report and would like to halt its release at least until they are able to review it, and perhaps longer.

The City Council's Black Caucus on Friday demanded the release of a special prosecutor's four-year, \$5.7 million report into torture allegations against former Chicago Police Lt. Jon Burge.

MY NAME [REDACTED], I CAN ONLY ASK ANYONE WILLING TO LISTEN TO SEE AFTER 37 YEARS PUNISH FOR CRIMES I DID NOT COMMIT. AT THE YOUNG AGE OF 18 YEARS OLD, I DIDN'T HAVE NO HIGH SCHOOL EDUCATION, HOWEVER AREA 2 POLICE DEPT. IN CHICAGO ILLINOIS, WERE ALWAYS COMING AROUND QUESTIONING MY NEIGHBORHOOD FRIENDS, MOST OF MY FRIENDS HAD PRIOR HISTORY WITH POLICES OR HAD DRUG RELATED ISSUE, AT THE TIME I HAD NO RECORD WITH POLICE DEPT. ONE AFTERNOON I WAS PICK-UP BY AREA 2 POLICES JOHN BURGE, DEAN, YEATIS, MCQUEE I WAS TAKEN TO A DISCLOSE AREA, QUESTION ABOUT A RAPE OR INFORMATION LEADING TO A SUSPECT. I TOLD THEM I DIDN'T KNOW ANYONE, I WAS PISTOL WHIP, KICK KNOCK TO THE GROUND MY FACE WAS COVER IN BLOOD FROM THIS BEATEN. I WAS TOLD IF YOU DON'T GIVE US NAMES YOU WILL BE CHARGE WITH RAPE, I WAS TOLD NOT TO DISCUSS BEATING OR I WILL BE KILLED. I WAS TAKEN TO A FIRE STATION, A MEDIC CLEAN THE BLOOD OFF MY FACE I WAS TREATED WITH A ICE PACK I WAS DRIVEN BACK TO THE SAME LOCATION AND KICK, PUNCH IN CHEST I WAS TOLD NOT TO SAY A WORD, I WAS SCARED, I AGREE NOT TO SAY NOTHING. I WAS ASK WOULD YOU TAKE THAT CHARGE FOR RAPE I SAID YES. DEEP IN MY MIND I KNEW I NEVER COMMITTED RAPE, I WAS KEPT 2 TO 4 DAYS AT AREA 2 STATION IN CHICAGO. MY FAMILY HIRE A LAWYER TO LOCATE ME I TOLD THE OFFICERS HAD BEAT ME DOWN, MY LAWYER TOLD ME TO SHUT MY MOUTH AND BE THANKFUL YOUR STILL ALIVE. A LOT OF SUSPICION CAME TO MY MIND OF A FEW NEIGHBORHOOD FRIENDS THAT WERE RUNNING OUT OF TOWN, I LEARN THAT FIVE TO SIX SUSPECT WERE IN CUSTODY FOR QUESTIONING FOR RAPE AND UNSOLVED MURDERS. I ALSO HAD A CLOSE FRIEND PAM MITCHELL LIVING AT 81 SANGAMON ST. WHO CAME TO VISIT ME AT MY FAMILY FRIEND HOUSE AT 62ND MORGAN ST. SHE WAS SHAKING SCARE TELLING ME THOSE SAME HARASSING OFFICER TOLD HER TO STAGE A RAPE, SHE WOULD BE PAID. I NEVER KNEW LORI BROWN 78-5076, THOSE COPS STAGE THAT RAPE, THERE WERE NO WITNESSES THAT EVER SAW ME WITH MS. BROWN, I WASN'T PICK OUT OF A LINEUP. THIS HAPPEN APRIL 1978, SEPT 1978 I WAS TAKEN IN CUSTODY, THE VICTIM HAD TAKEN A RAPE KIT AT BILLWICK HOSPITAL BY DOCTOR JACOBS, ANY COUNSEL WOULD HAVE DEMONSTRATED BAD FAITH ON THE STATE PART TO DISCLOSE ANY EVIDENCES THAT WOULD BE REQUIRE RESULT FROM RAPE KIT.

RE: Log Number 1039650
Case No. 10 CV 4551

Superintendent Weis:

The IPRA received a federal lawsuit filed by G. [REDACTED] on behalf of his client Michael [REDACTED]. To: Ilana Rosenweig
Chief Administrator
10 West 35th Street
Chicago, Illinois 60616

We have patiently waited while urging you Chief Administrator to come forward with the results of the Independent Police Review Authorities investigative conclusion against Area One, Two and Three Detectives, namely Kenneth Boudreau, James O'Brien, John Halloran, Anthony Maslanka, John Paladino, Michael Kill, Michael McDermott, George Karl, Angelo Pesavento and other Jon burge Cronies.

We are aware that your Office reopened closed investigations against these and other Deterctives, and interviewed old and new victims of these Detectives.

The alleged Detectives involved in torture, whose actions resulted the death investigation of Reginald Cole and approximately 35 exonerations by DNA Evidence, Expert Witness testimony, Recantation, etc., following 1990 have been investigated for misconduct at the hands of these Detectives, but the results of such investigations have not been forthcoming.

All cases of Wrongful Convictions, Acquittals, Want of Prosecution, along with the longstanding allegations of torture by men; or men implicated by torture victims still incarcerated must be forthright and forthcoming.

Upon establishing the IPRA the Public was told that investigations would take six months. We acknowledge that an investigation of a large number of Stone Walling Detectives might take longer, we nevertheless, expected your Office to recommend some disciplinary action by now against Detectives that framed innocent men freed on DNA Evidence and other exculpatory evidence interwoven with torture allegations.

Discipline must be handed down and lawful internal and administrative action must be taken to recoup Justice for torture Victims and Tax Payers who have shelled out Millions of Dollars protecting Jon Burge's Cronies, settling law-suits against the City and said Detectives. Also tax payers continuously foot the bill for the operation of IPRA which had not shown itself approved remedy.

We, the undersigned urge you Chief Administrator to come forward with the results of the Independent Police Review Authorities investigation against the Area One, Two and Three Detectives namely Kenneth Boudreau, James O'Brien, John Halloran, Anthony Maslanka, John Paladino, Michael Kill, Michael McDermott, George Karl, Angelo Pesavento and other Jon Burge cronies.

We are aware that your office re-opened closed investigations against these detectives and interviewed old and new victims of these detectives.

The alleged Detectives involved in torture following 1990, resulting in the death investigation of Reginald Cole (who we believe was murdered with James O'Brien's gun) and over 35 exonerations by DNA Evidence, Expert Witnesses, Recantations, etc, has not been investigated for misconduct at the hands of the aforementioned Detectives. All cases of Wrongful Convictions, Acquittals, and Want of Prosecution on behalf of the People of the State of Illinois must be investigated along with the longstanding allegations of torture by men that remain incarcerated.

Upon the establishing of the IPRA the Public was told that investigations would take about 6 months. Acknowledging that an investigation of a large number of Detectives might take longer. We nevertheless expect for you to recommend disciplinary action against the Detectives involved in torture that resulted in convictions that were ultimately overturned based upon DNA Evidence etc. Because it is clear that those men were framed. Please do not lose our confidence by conducting your Administration in a way that OPS done.

Discipline must be handed down and lawful action must be taken to recoup Justice for Torture Victims and Tax Payers who have shelled out Millions of Dollars to protect Burges's Cronies and settle lawsuits against the Detectives and the City of Chicago. Justice has not been served.

McCall v. Devine

8/30/2002

ition stated that this relationship has formed as a result of the fact that "well over 90% of the criminal cases prosecuted by the Cook County State's Attorney's office have been investigated and brought to the Cook County State's Attorney's office by police officers."

Additionally, McCall's petition alleged that certain unknown Chicago police officers, assistant State's Attorneys and medical examiners conspired to conceal, distort and fabricate the circumstances surrounding Cole's death. In support of that assertion, McCall asserts that Cook County assistant State's Attorneys and Cook County medical examiners are not normally called to investigate homicide to investigate, and it is not their duty or responsibility to investigate the facts and circumstances surrounding

The petition also states that representatives of the Chicago police department publicly provided false and contradictory versions of these circumstances. In support of that assertion, McCall cites to five Chicago Tribune articles and comments. The alleged versions were summarized by the trial court as follows:

"In the first version, set forth in the commentary of Salim Muwakkil, November 8, 1999, the writer notes that first account of the incident reported 'that the 38 year old Cole was shot by officers when he allegedly attacked them during a mysterious interrogation at the Wentworth Headquarters.'

In the second version, reported in the Chicago Tribune by Lisa Donovan and Jeffrey Bliss, October 31, 1999, the writer states that Cole 'was shot and killed inside an interview room...after he allegedly attacked a detective , that Cole was shot in the abdomen...there was a struggle and the offender was shot.'

In the third version, which lacks attribution, Cole grabbed a metal paper spindle and struck the detective , that Co

detective's gun from his holster and then shot at the detective as he was fleeing from the room, that two other detectives witnessed the incident returned the fire, striking Cole and that Cole then turned the gun on himself and inflicted one to the head area.

In the fourth version reported in the Chicago Tribune by Margaret O'Brien and Naomi Dillon, November 1, 1999, according to Wentworth Area Commander Frank Trigg:

'Cole grabbed a seven-inch paper spike...and lunged at the detective ...that while the two were struggling, Cole grabbed the detective's gun ripping the holster strap in the process...Cole then fired at the officer but missed. A second detective office heard the shot, came to the door and fired at Cole, who was crouched against a cabinet and pointing a gun at the room....After the shot missed Cole, the second officer took cover behind the door frame as the first officer took cover on the floor. A third shot was then heard...that police believe Cole put the gun in his mouth and shot himself in the head...that third shot, Cole was still crouched at the file cabinet with his gun pointed toward the door. At that point, another detective came to the door and shot Cole in the left side of his torso, after which Cole slumped to the ground.'

In the fifth version, set forth in another Chicago Tribune article by Monica Davey, December 1, 1999, the writer reported according to police spokesman Pat Camden:

'About 7:00 p.m, on October 30, at Wentworth, 5101 South Wentworth Ave., Cole asked the detective who was questioning him to be moved from an ordinary interrogation room to somewhere that he couldn't be overheard. After moving to a small room, Cole grabbed a 7-inch paper spike intended for use as a weapon.'

All cases of Wrongful Convictions, Acquittals, Want of Prosecution, along with the longstanding allegations of torture by men; or men implicated by torture victims still incarcerated must be forthright and forthcoming.

Upon establishing the IPRA the Public was told that investigations would take six months. We acknowledge that an investigation of a large number of Stone Walling Detectives might take longer, we nevertheless, expected your Office to recommend some disciplinary action by now against Detectives that framed innocent men freed on DNA Evidence and other exculpatory evidence interwoven with torture allegations.

We are aware that your office re-opened closed investigations against these detectives and interviewed old and new victims of these Detectives.

The alleged Detectives involvement in torture following 1990, resulting in the death investigation of Reginald Cole (who we believe was murdered with James O'Brien's gun) and over 35 exonerations by DNA Evidence, Recantations, Expert Witnesses, etc, has not been investigated for misconduct at the hands of the aforementioned Detectives. All cases of Wrongful Convictions, Acquittals, and Want of Prosecution on behalf of the People of the State of Illinois must be investigated along with the longstanding allegations of torture by men that remain incarcerated.

Upon the establishing of the IPRA the Public was told that investigations would take about 6 months. Acknowledging that an investigation of a large number of Detectives might take longer. We nevertheless expect for you to recommend disciplinary action against the Detectives involved in torture that resulted in convictions that were ultimately overturned based upon DNA Evidence etc. Because it is clear that those men were framed. Please do not lose our confidence by conducting your Administration in a way that OPS done.

Discipline must be handed down and lawful action must be taken to recoup Justice for Torture Victims and Tax Payers who have shelled out Millions of Dollars to protect Burge's Cronies and settle lawsuits against the Detectives and the City of Chicago. Justice has not been served.

Sincerely, [REDACTED]

We have patiently waited while urging you Chief Administrator to come forward with the results of the Independent Police Review Authorities investigative conclusion against Area One, Two and Three Detectives, namely Kenneth Boudreau, James O'Brien, John Halloran, Anthony Maslanka, John Paladino, Michael Kill, Michael McDermott, George Karl, Angelo Pesavento and other Jon burge Cronies.

We are aware that your Office reopened closed investigations against these and other Deterctives, and interviewed old and new victims of these Detectives.

The alleged Detectives involved in torture, whose actions resulted the death investigation of Reginald Cole and approximately 35 exonerations by DNA Evidence, Expert Witness testimony, Recantation, etc., following 1990 have been investigated for misconduct at the hands of these Detectives, but the results of such investigations have not been forthcoming.

All cases of Wrongful Convictions, Acquittals, Want of Prosecution, along with the longstanding allegations of torture by men; or men implicated by torture victims still incarcerated must be forthright and forthcoming.

Upon establishing the IPRA the Public was told that investigations would take six months. We acknowledge that an investigation of a large number of Stone Walling Detectives might take longer, we nevertheless, expected your Office to recommend some disciplinary action by now against Detectives that framed innocent men freed on DNA Evidence and other exculpatory evidence interwoven with torture allegations.

Discipline must be handed down and lawful internal and administrative action must be taken to recoup Justice for torture Victims and Tax Payers who have shelled out Millions of Dollars protecting Jon Burge's Cronies, settling lawsuits against the City and said Detectives. Also tax payers continuously foot the bill for the operation of IPRA which had not shown itself approved remedy.

The aforementioned Detectives we believe have been involved in abuse for more than 23 years. We trust that your Office will foreclose their possession of the honor and integrity of the Chicago Police Department. Justice has not been rendered!!!!

Sincerely,

RE: Log Number 1035379

Superintendent Weis:

The IPRA received letters from fourteen (14) inmates with the Illinois Department of Corrections who alleged that they were physically and psychologically tortured into confessing to separate murders. These letters are basically identical except for the inmates name.

The allegations are about incidents that occurred in excess of five years ago. Article 6.1D of the Agreement Between the City of Chicago Department of Police and the Fraternal Order of Police Chicago Lodge No. 7 stipulates that "Unless the Superintendent of Police specifically authorizes in writing, no complaint or allegation of any misconduct concerning any incident or event which occurred five (5) years prior to the date the complaint or allegation became known to the Department shall be made the subject of a Complaint Register investigation or be re-opened or re-investigated after five (5) years from the date the CR# was issued."

Approval is sought from the Superintendent of Police to commence this investigation.

RE: Log Number 1039650
Case No. 10 CV 4551

Superintendent Weis:

The IPRA received a federal lawsuit filed by G. [REDACTED] on behalf of his client Michael [REDACTED]. The lawsuit names several former members of the Chicago Police Department as Defendants including Jon Burge and several officers who reportedly worked under his command during the investigation of a murder that took place in 1986. A copy of the lawsuit is attached.

The allegations are about an incident that occurred in excess of five years ago. Article 6.1D of the Agreement Between the City of Chicago Department of Police and the Fraternal Order of Police Chicago Lodge No. 7 stipulates that "Unless the Superintendent of Police specifically authorizes in writing, no complaint or allegation of any misconduct concerning any incident or event which occurred five (5) years prior to the date the complaint or allegation became known to the Department shall be made the subject of a Complaint Register investigation or be re-opened or re-investigated after five (5) years from the date the CR# was issued."

Approval is sought from the Superintendent of Police to commence this investigation.
